Item 1.01 Entry into a Material Definitive Agreement

This section describes the material provisions of the Merger Agreement (as defined below) but does not purport to describe all of the terms thereof. The following summary is qualified in its entirety by reference to the complete text of the Merger Agreement, a copy of which is attached hereto as Exhibit 2.1. Unless otherwise defined herein, the capitalized terms used below are defined in the Merger Agreement.

The Merger and the Merger Agreement

On March 7, 2021, dMY Technology Group, Inc. III (the “Company” or “dMY”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Ion Trap Acquisition Inc., a Delaware corporation and a direct, wholly owned subsidiary of dMY (“Merger Sub”) and IonQ, Inc., a Delaware corporation (“IonQ”).

Pursuant to the Merger Agreement, at the Effective Time, and in accordance with the Delaware General Corporation Law, as amended (“DGCL”), Merger Sub will merge with and into IonQ (the “Merger”), with IonQ continuing as the surviving entity in the Merger and, after giving effect to the Merger, becoming a wholly owned subsidiary of the Company.

Conversion of Securities

Immediately prior to the Effective Time, each share of dMY Class B Common Stock that is issued and outstanding as of such time will automatically convert into one share of dMY Class A Common Stock (subject to the vesting of the Sponsor Vesting Shares as described under “Certain Related Agreements – Sponsor Support Agreement” below).

At the Effective Time, by virtue of the Merger and without any action on the part of the Company, Merger Sub, IonQ or the holders of any of IonQ's securities:

- (a) each share of IonQ common stock and each share of IonQ preferred stock (on an as-converted to IonQ common stock basis) issued and outstanding immediately prior to the Effective Time, will be canceled and converted into the right to receive the number of shares of dMY Class A common stock equal to the Exchange Ratio (each as defined in the Merger Agreement and described below);
- (b) any shares of IonQ common or preferred stock held in the treasury of IonQ or owned by the Company, Merger Sub or IonQ immediately prior to the Effective Time will be canceled without any conversion thereof and no payment or distribution shall be made with respect thereto;
- (c) Each IonQ warrant issued and outstanding immediately prior to the Effective Time will cease to represent a conditional right to purchase a number of shares of IonQ Series B-1 Preferred Stock and will be converted into a conditional right to purchase a number of shares of dMY Class A common stock equal to the product (rounded down to the nearest whole number) of (a) the number of shares of IonQ Series B-1 Preferred Stock that such warrant had the conditional right to purchase and (b) the Exchange Ratio, at an exercise price per share (rounded up to the nearest whole cent) equal to (A) the exercise price per share of such warrant immediately prior to the Effective Time divided by (B) the Exchange Ratio, on the same terms and be subject to the same conditions (including applicable vesting conditions) as set forth in the applicable warrant agreement (other than that any reference to IonQ therein should be construed as a reference to dMY) and in the Merger Agreement;
- (d) Each IonQ option issued and outstanding immediately prior to the Effective Time (each, a "Converted Stock Option") will be assumed by dMY and converted into an option to purchase shares of dMY Class A common stock on the same terms and conditions as were applicable to such Converted Stock Option immediately prior to the Effective Time, including applicable vesting conditions and exercisability terms, equal to the product (rounded down to the nearest whole number) of (a) the number of shares of IonQ common stock subject to such Converted Stock Option immediately prior to the Effective Time and (b) the Exchange Ratio, at an exercise price per share (rounded up to the nearest whole cent) equal to (i) the exercise price per share of such Converted Stock Option immediately prior to the Effective Time divided by (ii) the Exchange Ratio; and
- (e) each issued and outstanding share of common stock of Merger Sub will be converted into and become one validly issued, fully paid and nonassessable share of common stock of the surviving corporation.

The "IonQ Equity Value" pursuant to the Merger Agreement is an amount equal to \$1,275,000,000, subject to certain adjustments in accordance with the Merger Agreement for the cash and debt of IonQ and certain transaction expenses of dMY and IonQ.

The "Aggregate Stock Consideration" means the number of shares of dMY Class A common stock obtained by dividing (a) the IonQ Equity Value by (b) \$10.00.

The "Exchange Ratio" means the quotient determined by dividing (i) the Aggregate Stock Consideration by (ii) IonQ's Fully Diluted Share Amount.

(v) At the Effective Time, (i) the directors of Merger Sub immediately prior to the Effective Time shall be the initial directors of the Surviving Corporation and (ii) the officers of the Company shall be the initial officers of the Surviving Corporation, each to hold office in accordance with the Governing Documents of the Surviving Corporation until such director’s or officer’s successor is duly elected or appointed and qualified, or until the earlier of their death, resignation or removal.

(f) Effects of the Merger. At the Effective Time, by virtue of the Merger and without any action on the part of dMY, Merger Sub, the Company or the holders of any of the following securities:

(i) Company Shares. (x) Each share of Company Common Stock and each share of Company Preferred Stock (on an as-converted to Company Common Stock basis) (each, a “**Company Share**”) issued and outstanding immediately prior to the Effective

Time, shall be canceled and converted into the right to receive the Company Per Share Consideration and (y) any shares of Company Capital Stock held in the treasury of the Company or owned by dMY, Merger Sub or the Company immediately prior to the Effective Time shall be canceled without any conversion thereof and no payment or distribution shall be made with respect thereto;

(ii) Fractional Shares. No certificate or book entry representing fractional shares of dMY Class A Common Stock shall be issued upon the surrender for exchange of Company Shares, and such fractional shares shall not entitle the owner thereof to vote or to any other rights of a holder of dMY Class A Common Stock. In lieu of the issuance of any such fractional share, dMY shall aggregate the total number of shares of dMY Class A Common Stock issuable to each Person upon the surrender for exchange of Company Shares, and then round down to the nearest whole number of shares of dMY Class A Common Stock for each such Person.

(iii) Company Warrants. Each Company Warrant issued and outstanding immediately prior to the Effective Time shall cease to represent a conditional right to purchase a number of shares of Company Series B-1 Preferred Stock and shall be converted into a conditional right to purchase a number of shares of dMY Class A Common Stock equal to the product (rounded down to the nearest whole number) of (a) the number of shares of Company Common Stock issuable upon conversion of a share of Company Series B-1 Preferred Stock in the Pre-Closing Conversion that such Company Warrant had the conditional right to purchase and (b) the Exchange Ratio, at an exercise price per share (rounded up to the nearest whole cent) equal to (i) the exercise price per share of such Company Warrant immediately prior to the Effective Time divided by (ii) the Exchange Ratio. Such converted Company Warrants will *mutatis mutandis* have the same terms and be subject to the same conditions (including applicable vesting conditions) as set forth in the Company Warrant Agreement (other than that any reference to Company therein should be construed as a reference to dMY) and in this Agreement.

(iv) Company Options. Each Company Option issued and outstanding immediately prior to the Effective Time (each, a “**Converted Stock Option**”) shall be assumed by dMY and converted into an option to purchase shares of dMY Class A Common Stock on the same terms and conditions as were applicable to such Converted Stock Option immediately prior to the Effective Time, including applicable vesting conditions and exercisability terms, equal to the product (rounded down to the nearest whole number) of (a) the number of shares of Company Common Stock subject to such Converted Stock Option immediately prior to the Effective Time and (b) the Exchange Ratio, at an exercise price per share (rounded up to the nearest whole cent) equal to (i) the exercise price per share of such Converted Stock Option immediately prior to the Effective Time divided by (ii) the Exchange Ratio; provided, however, that the exercise price and the number of shares of dMY Class A Common Stock purchasable pursuant to a Converted Stock Option shall be determined in a manner consistent with the requirements of Section 409A of the Code (to the extent applicable to a Converted Stock Option); provided, further, that in the case of any Converted Stock Option that as of the Closing qualifies as an “incentive stock option” to which Section 422 of the Code applies, the exercise price and the number of shares of dMY Class A Common Stock purchasable pursuant to such option

shall be determined in accordance with the foregoing, and the requirements of Section 424(a) of the Code, such that Converted Stock Options do not, to the maximum extent reasonably practicable, cease to qualify as “incentive stock options” solely by reason of the conversion pursuant to this Section 2.1(f)(iv) to the maximum extent permitted by Section 422 of the Code.

(v) Merger Sub Shares. At the Effective Time, by virtue of the Merger and without any action on the part of any Party or any other Person, each share of common stock, par value \$0.01 per share, of Merger Sub issued and outstanding immediately prior to the Effective Time shall no longer be outstanding and shall thereupon be converted into and become one validly issued fully paid and non-assessable share of common stock, par value \$0.01 per share, of the Surviving Corporation and all such shares shall constitute the only outstanding shares of capital stock of the Surviving Corporation as of immediately following the Effective Time;

(g) Directors and Officers of dMY. Conditioned upon the occurrence of the Closing, and subject to any limitation with respect to any specific individual imposed under applicable Laws and the listing requirements of the NYSE, dMY shall take all actions necessary or appropriate to cause, effective as of the Closing, (i) the board of directors of dMY to consist of seven (7) members as mutually agreed by the Company and dMY, two (2) of whom shall be Niccolo de Masi and Harry You, subject to such designees satisfying the criteria to be independent for purposes of NYSE listing requirements; (ii) Mr. You to be a member of dMY’s audit committee and (iii) Mr. de Masi to be a member of Class I of the board of directors and Mr. You to be a member of Class II of the board of directors, in each case, subject to the terms of the dMY Second A&R Certificate of Incorporation.

Each Company Employee Benefit Plan has been established, operated, maintained, funded and administered in accordance in all material respects with its respective terms and in compliance in all material respects with all applicable Laws, including ERISA and the Code. No Company Employee Benefit Plan is under audit or, to the Knowledge of the Company, is the subject of an investigation by the IRS, the Department of Labor, the Pension Benefit Guaranty Corporation, the SEC or any other Governmental Entity, nor is any such audit or investigation pending or, to the Knowledge of the Company, threatened. The Company has not agreed to pay, gross-up, reimburse or otherwise indemnify any current or former officer, employee, director or individual independent contractor of the Company for any Tax imposed under Section 4999 of the Code.

(a) Except for the filings pursuant to Section 6.8, the receipt of the Required dMY Vote, the filing and recordation of the Certificate of Merger as required by the DGCL and subject to the consents, approvals, authorizations or permits, filings and notifications, expiration

or termination of waiting periods after filings and other actions contemplated by Section 4.10(b) and any other notifications to be provided in the Ordinary Course of Business, the consummation by dMY and Merger Sub of the transactions contemplated by this Agreement and the Ancillary Agreements do not (I) (a) conflict with or result in any breach of any of the terms, conditions or provisions of, (b) constitute a default under (whether with or without the giving of notice, the passage of time or both), (c) result in a violation of, or (d) give any third party the right to terminate or accelerate, or cause any termination or acceleration of, any right or obligation under, (i) any Contract or lease to which dMY or Merger Sub is a party, (ii) any Governing Document of dMY or Merger Sub, or (iii) any Law or Order to which dMY or Merger Sub is bound or subject, or (II) result in the creation of any Lien upon its Equity Interests, except with respect to clauses (i) and (iii) or clause (II) as would not have a dMY Material Adverse Effect.

(c) dMY and Merger Sub are not in material violation of any of their respective Governing Documents.

(a) Since its organization, other than as described in the dMY SEC Documents, dMY has not conducted any material business activities other than activities directed toward the accomplishment of a Business Combination. Except as set forth in the dMY Governing Documents, there is no Contract, commitment, or Order binding upon dMY or to which dMY is a party which has or would reasonably be expected to have the effect of prohibiting or impairing any business practice of dMY or any acquisition of property by dMY or the conduct of business by dMY after the Closing, other than such effects, individually or in the aggregate, which are not, and would not reasonably be expected to be, material to dMY.

(b) Except for this Agreement and the transactions contemplated by this Agreement, dMY has no interests, rights, obligations or Liabilities with respect to, and dMY is not party to, bound by or has its assets or property subject to, in each case whether directly or indirectly, any Contract or transaction which is, or could reasonably be interpreted as constituting, a Business Combination.

(c) dMY has no material Liabilities that are required to be disclosed on a balance sheet in accordance with GAAP, other than (i) Liabilities set forth in or reserved against in the balance sheet of dMY as of December 31, 2020 (the “*dMY Balance Sheet*”); (ii) Liabilities which have arisen after the date of the dMY Balance Sheet in the Ordinary Course of Business (none of which results from, arises out of, or was caused by any breach of warranty, breach of Contract or infringement or violation of Law); (iii) Liabilities arising under this Agreement, the Ancillary Agreements or the performance by dMY of its obligations hereunder or thereunder; or (iv) for fees, costs and expenses for advisors and Affiliates of dMY or the Sponsor, including with respect to legal, accounting or other advisors incurred by dMY in connection with the transactions contemplated by this Agreement.

(d) Neither dMY nor Merger Sub is the subject of any bankruptcy, dissolution, liquidation, reorganization or similar proceeding.

4.12 Tax Matters. Except as set forth on Section 4.12 of dMY's Disclosure Letter:

(a) dMY has timely filed all Income Tax Returns and other material Tax Returns required to be filed by it pursuant to applicable Laws (taking into account any validly obtained extensions of time within which to file). All Income Tax Returns and other material Tax Returns filed by dMY are correct and complete in all material respects and have been prepared in material compliance with all applicable Laws. All material Taxes due and payable by dMY have been timely paid (whether or not shown as due and payable on any Tax Return).

(b) dMY has timely and properly withheld or collected and paid to the applicable Taxing Authority all material amounts of Taxes required to have been withheld and paid by it in connection with any amounts paid or owing to any employee, independent contractor, creditor, equityholder or other third party and all material sales, use, ad valorem, value added, and similar Taxes and has otherwise complied in all material respects with all applicable Laws relating to such withholding, collection and payment of Taxes.

(c) No written claim has been made by a Taxing Authority in a jurisdiction where dMY does not file a particular type of Tax Return, or pay a particular type of Tax, that dMY is or may be subject to taxation of that type by, or required to file that type of Tax Return in, that jurisdiction which claim has not been settled or resolved. The Income Tax Returns of dMY made available to the Company, if any, reflect all of the jurisdictions in which dMY is required to file Income Tax Returns or remit a material amount of Income Tax.

(d) dMY is not currently nor has it been within the past five (5) years the subject of any Tax Proceeding with respect to any material Taxes or Tax Returns of or with respect to dMY, no such Tax Proceeding is pending and no such Tax Proceeding has been threatened in writing, in each case, that has not been settled or resolved. All material deficiencies for Taxes asserted or assessed in writing against dMY have been fully and timely (taking into account applicable extensions) paid, settled or withdrawn, and, to the Knowledge of dMY, no such deficiency has been threatened or proposed in writing against dMY.

(e) There are no outstanding agreements extending or waiving the statute of limitations applicable to any Tax or Tax Return with respect to dMY or extending a period of collection, assessment or deficiency for Taxes due from or with respect to the dMY, which period (after giving effect to such extension or waiver) has not yet expired, and no written request for any such waiver or extension is currently pending. dMY is not the beneficiary of any extension of time (other than an automatic extension of time not requiring the consent of the applicable Governmental Entity) within which to file any Tax Return not previously filed. No private letter ruling, administrative relief, technical advice, or other similar ruling or request has been granted or issued by, or is pending with, any Governmental Entity that relates to any Taxes or Tax Returns of dMY that would have a material adverse effect on dMY following the date of the dMY Balance Sheet.

(f) dMY has not been a party to any “listed transaction” within the meaning of Treasury Regulations Section 1.6011-4(b)(2) (or any similar provision of U.S. state or local or non-U.S. Tax Law).

(g) dMY will not be required to include any material item of income, or exclude any material item of deduction, for any period (or portion thereof) after the Closing Date (determined with and without regard to the transactions contemplated by this Agreement) as a result of: (i) an installment sale transaction occurring before the Closing governed by Section 453 of the Code (or any similar provision of state, local or non-U.S. Laws) or open transaction; (ii) a disposition occurring before the Closing reported as an open transaction for U.S. federal income Tax purposes (or any similar doctrine under state, local, or non-U.S. Laws); (iii) any prepaid amounts received prior to the Closing or deferred revenue realized, accrued or received outside the Ordinary Course of Business prior to the Closing; (iv) a change in method of accounting with respect to a Pre-Closing Tax Period that occurs or was requested prior to the Closing (or as a result of an impermissible method used in a Pre-Closing Tax Period); or (v) an agreement entered into with any Governmental Entity (including a “closing agreement” under Section 7121 of the Code) on or prior to the Closing.

(h) There is no Lien for Taxes on any of the assets of dMY, other than Permitted Liens.

(i) dMY has no Liability for Taxes or any portion of a Tax (or any amount calculated with respect to any portion of a Tax) of any other Person as a successor or transferee, by contract, by operation of Law, or otherwise (other than pursuant to an Ordinary Course Tax Sharing Agreement). dMY is not party to or bound by any Tax Sharing Agreement, except for any Ordinary Course Tax Sharing Agreement, or ever been a party to any joint venture, partnership or other arrangement that, to dMY’s Knowledge, is properly treated as a partnership for Tax purpose.

(j) dMY is and has at all times since its formation been properly classified as an association taxable as a corporation for U.S. federal (and, where applicable, state and local) income Tax purposes.

(k) dMY has not taken any action (nor permitted any action to be taken), and are not aware of any fact or circumstance, that would reasonably be expected to prevent, impair or impede the Intended Tax Treatment.

(l) The Transactions shall not be the direct or indirect cause of any amount paid or payable by dMY or any of its Affiliates being classified as an “excess parachute payment” under Section 280G of the Code.

(m) dMY is not and has never been a “United States Real Property Holding Corporation” within the meaning of Section 897 of the Code.

(n) dMY is not eligible for the benefits of a special tax regime or contractual arrangement or other tax holiday or similar arrangement under federal, state, local or foreign law (including an exemption from or reduction in the rate of otherwise applicable Tax), for which it is not in compliance in all material respects with all relevant requirements. To the extent dMY is eligible for such benefits, to dMY’s Knowledge, this Agreement and the closing of the Transaction/transactions contemplated hereunder will not end or otherwise affect such eligibility.

(o) dMY has not prior to Closing constituted either a “distributing corporation” or a “controlled corporation” in a distribution of stock intended to qualify for tax-free treatment under Sections 355 and 361 of the Code.

4.13 Affiliate Transactions. Except as set forth on Section 4.13 of dMY’s Disclosure Letter, (x) dMY is not a party to any transaction, agreement, arrangement or understanding with any (i) present or former executive officer or director of dMY, (ii) beneficial owner (within the meaning of Section 13(d) of the Exchange Act) of 5% or more of the capital stock or equity interests of dMY or (iii) Affiliate, “associate” or member of the “immediate family” (as such terms are respectively defined in Rules 12b-2 and 16a-1 of the Exchange Act) of any of the foregoing and (y) none of the Persons set forth in clause (x) (i) owes any amount to dMY or (ii) owns any material assets, tangible or intangible, of the business of dMY as operated as of the date hereof (such Contracts or arrangements described in clauses (x) and (y), “*dMY Affiliated Transactions*”).

4.14 Compliance with Laws. dMY is, and has been since its incorporation, in compliance in all material respects with all Laws applicable to the conduct of the business of dMY, holds all required Permits, except where such failure would not reasonably be expected to have a dMY Material Adverse Effect, and no uncured written notices have been received by dMY from any Governmental Entity or any other Person alleging a material violation of any such Laws. This Section 4.14 shall not apply to Taxes, representations and warranties with respect to which shall be as set forth in Section 4.12.

4.15 Employees. Other than any dMY Executives, dMY and Merger Sub do not and have never employed any employees or retained any contractors, other than consultants and advisors in the ordinary course of business. Other than reimbursement of any out-of-pocket expenses incurred by dMY Executives and directors in connection with activities on dMY’s behalf in an aggregate amount not in excess of the amount of cash held by dMY outside of the Trust Account, dMY has no unsatisfied material liability with respect to any employee, officer or director. dMY and Merger Subs have never and do not currently maintain, sponsor, contribute to or have any direct or material liability under any Employee Benefit Plan. The consummation of the Transactions, alone or together with any other event (but not including recharacterization of the Sponsor Vesting Shares for tax purposes by the IRS or other relevant tax authority), will not result in any compensation or benefit becoming due or payable to any dMY Executives, increase the amount or value of any compensation or benefit otherwise payable to any dMY Executives, result in the acceleration of the time of payment, vesting or funding of any such compensation or benefit.

4.16 PIPE Investment. dMY has delivered to the Company true, correct and complete copies of each of the Subscription Agreements. As of the date hereof, the Subscription Agreement with each PIPE Investor is in full force and effect and has not been withdrawn or terminated, or otherwise amended or modified, in any respect, and no withdrawal, termination, amendment or modification is contemplated by dMY. Each Subscription Agreement is a legal, valid and binding obligation of dMY, enforceable against dMY in accordance with its terms

subject to the Remedies Exceptions and, to the Knowledge of dMY, is a legal, valid and binding obligation of each PIPE Investor, enforceable against each PIPE Investor in accordance with its terms subject to the Remedies Exceptions. There are no other agreements, side letters, or arrangements between dMY and any PIPE Investor relating to any Subscription Agreement or the PIPE Investment that could affect the obligation of such PIPE Investors to purchase the shares of dMY Class A Common Stock in the PIPE Investment equal to the commitment amount set forth in the Subscription Agreement of such PIPE Investor. As of the date hereof, no event has occurred that, with or without notice, lapse of time or both, would constitute a default or breach on the part of dMY under any material term or condition of any Subscription Agreement and, as of the date hereof, dMY has no reason to believe that it will be unable to satisfy in all material respects on a timely basis any term or condition of closing to be satisfied by it contained in any Subscription Agreement. The Subscription Agreements contain all of the conditions precedent (other than the conditions contained in the other Ancillary Agreements) to the obligations of the PIPE Investors to purchase the shares of dMY Class A Common Stock in the PIPE Investment in the commitment amount set forth in the Subscription Agreements on the terms therein.

4.17 No Foreign Person. Neither dMY nor Merger Sub is a “foreign person” within the meaning of the Defense Production Act of 1950, as amended, including all implementing regulations thereof.

4.18 Inspections; Company Representations. dMY is an informed and sophisticated purchaser, and has engaged advisors, experienced in the evaluation and investment in businesses such as the Company. dMY has undertaken such investigation and has been provided with and has evaluated such documents and information as it has deemed necessary to enable it to make an informed and intelligent decision with respect to the execution, delivery and performance of this Agreement. dMY agrees to engage in the transactions contemplated by this Agreement based upon its own inspection and examination of the Company and on the accuracy of the representations and warranties set forth in Article III, Section 6.10(g) and any Ancillary Agreement or certificate delivered by the Company pursuant to this Agreement (the “**Definitive Company Representations**”) and hereby disclaims reliance upon any express or implied representations or warranties of any nature made by the Company or its Affiliates or representatives, except for the Definitive Company Representations. dMY specifically acknowledges and agrees to the Company’s disclaimer of any representations or warranties other than the Definitive Company Representations, whether made by either the Company or any of its Affiliates or representatives, and of all Liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to dMY or any of its Affiliates or any of their respective representatives (including any opinion, information, projection, or advice that may have been or may be provided to dMY or any of its Affiliates or any of their respective representatives by dMY or any of its Affiliates or representatives), other than the Definitive Company Representations. dMY specifically acknowledges and agrees that, without limiting the generality of this Section 4.18, neither the Company nor any of its Affiliates or representatives has made any representation or warranty with respect to any projections or other future forecasts. dMY specifically acknowledges and agrees that except for the Definitive Company Representations, the Company has not made any other express or implied representation or warranty with respect to the Company, its assets or Liabilities, the businesses of the Company or the transactions contemplated by this Agreement or the Ancillary Agreements.

Prior to the Effective Time, dMY shall, to the extent required by the rules and regulations of the NYSE, prepare and submit to the NYSE a notification form for the listing of the shares of dMY Class A Common Stock to be issued in the Merger, and to cause such shares to be conditionally approved for listing (subject to official notice of issuance).

6.5 Confidential Information. During the Pre-Closing Period, each Party shall be bound by and comply with the provisions set forth in the Confidentiality Agreement as if such provisions were set forth herein, and such provisions are hereby incorporated herein by reference. Each Party hereby agrees, that during the Pre-Closing Period, except in connection with or support of the transactions contemplated by this Agreement, while any of them are in possession of such material nonpublic information, none of such Persons shall, directly or indirectly (through its Affiliates or otherwise), acquire, offer or propose to acquire, agree to acquire, sell or transfer or offer or propose to sell or transfer any securities of dMY, communicate such information to any other Person or cause or encourage any Person to do any of the foregoing.

Notwithstanding the foregoing, neither the Company nor dMY shall be obligated to disclose any information that, in the reasonable judgment of such Party on advice of outside counsel, would result in the loss of attorney-client privilege with respect to such information or which would constitute a waiver of any other privilege or trade secret protection held by such Party; provided, that the Disclosing Party shall use its reasonable best efforts to allow for such access or disclosure in a manner that does not result in a loss of attorney-client privilege or waiver of any other privilege or trade secret protection. The Disclosing Party shall promptly advise the Recipient Party in such circumstances that the Disclosing Party or its Representatives is unable to comply with the Recipient Party’s requests for information pursuant to this Section 6.6. The Recipient Party agrees to be responsible for the reasonable and documented out-of-pocket expenses incurred by the Disclosing Party as a result of providing such access (which shall be treated as Transaction Expenses hereunder).

(b) dMY shall coordinate its access rights pursuant to Section 6.6(a) with the Company to reasonably minimize any inconvenience to or interruption of the conduct of the business of the Company.

6.7 Notification of Certain Matters.

(a) During the Pre-Closing Period, the Company shall promptly disclose to dMY in writing any development, fact or circumstance of which the Company has Knowledge, that causes or would reasonably be expected to result in the failure of the conditions set forth in Section 2.4(a) or Section 2.4(b) to be satisfied.

(b) During the Pre-Closing Period, dMY shall promptly disclose to the Company in writing any development, fact or circumstance of which dMY has Knowledge, that causes or would reasonably be expected to result in the failure of the conditions set forth in Section 2.4(a) or Section 2.4(c) to be satisfied.

6.8 Regulatory Approvals; Efforts.

(a) The Parties shall comply promptly but in no event later than ten (10) Business Days after the date hereof with the notification and reporting requirements of the HSR Act, if applicable. The Parties shall use commercially reasonable efforts to promptly obtain, and to cooperate with each other to promptly obtain, all authorizations, approvals, clearances, consents, actions or non-actions of any Governmental Entity in connection with the above filings, applications or notifications. Each Party shall promptly inform the other Parties of any material communication between itself (including its Representatives) and any Governmental Entity regarding any of the Transactions. If a Party or any of its Affiliates receives any formal or informal request for supplemental information or documentary material from any Governmental Entity with respect to the Transactions, then the Party, to the extent necessary and advisable, shall provide a reasonable response to such request as promptly as reasonably practicable. All fees or other payments required by applicable Law to any Governmental Entity in order to obtain any such approvals, consents, or Orders shall be paid promptly by Sponsor and shall constitute Sponsor Transaction Expenses.

(b) The Parties shall keep each other apprised of the status of matters relating to the completion of the Transactions and, to the extent permissible, promptly furnish the other with copies of notices or other communications (other than any ministerial notices or other communications) between any Party (including their respective Affiliates and Representatives), as the case may be, and any third party or Governmental Entity with respect to such transactions. Each Party shall give the other Party and its counsel a reasonable opportunity to review in advance, to the extent permissible, and consider in good faith the views and input of the other Party in connection with, any proposed material written communication to any Governmental Entity relating to the Transactions. Each Party agrees not to participate in any substantive meeting, conference or discussion, either in person or by telephone, with any Governmental Entity in connection with the Transactions unless it consults with the other Party in advance and, to the extent not prohibited by such Governmental Entity, gives the other Party the opportunity to attend and participate.

(c) Each Party shall use its commercially reasonable efforts to resolve objections, if any, as may be asserted by any Governmental Entity with respect to the Transactions under any United States federal or state or foreign statutes, rules, regulations, Orders, decrees, administrative or judicial doctrines or other Laws that are designed to prohibit, restrict or regulate actions having the purpose or effect of monopolization or restraint of trade or constituting anticompetitive conduct (collectively, the “*Antitrust Laws*”). Subject to the other terms of this Section 6.8(c), each Party shall use its commercially reasonable efforts to take such action as may be required to cause the expiration of the notice periods under the Antitrust Laws with respect to such transactions as promptly as possible after the execution of this Agreement.

(d) Notwithstanding anything in this Agreement to the contrary, but subject to compliance with Section 6.5, nothing in this Section 6.8 shall require the Company, dMY or any of their respective Affiliates, to take any action with respect to any of their respective Affiliates, any of their respective affiliated investment funds or any portfolio company (as such term is commonly understood in the private equity industry) or investment of the Company, dMY or their respective Affiliates, or any interests therein, including selling, divesting or otherwise disposing of, licensing, holding separate, or otherwise restricting or limiting its freedom to operate with respect to, any business, products, rights, services, licenses, investments, or assets, of the Company, dMY or their respective Affiliates, any of their respective affiliated investment funds or any portfolio company (as such term is commonly understood in the private equity industry) or investment of the Company, dMY or their respective Affiliates, or any interests therein.

6.9 Communications; Press Releases.

(a) Prior to the Closing, any press or other public release or public announcement concerning this Agreement or the Transactions or any matter contemplated by the foregoing shall not be issued without the prior written consent of dMY and the Company, which consent shall not be unreasonably withheld, conditioned or delayed; provided, however, that each Party may make any public announcement that is required by applicable Law or the requirements of any national securities exchange (it being understood that, to the extent practicable, the Party making such public announcement shall provide such announcement to the other Parties prior to release and consider in good faith any comments from such other Parties); and provided, further, that each Party may make announcements regarding this Agreement and the Transactions consisting solely of information contained in and otherwise consistent with any such mutually agreed press release or public announcement and the dMY SEC Documents to their directors, officers, employees, customers, suppliers and other interested parties without the consent of the other Parties; and provided, further, that subject to this Section 6.9, the foregoing shall not prohibit any Party from communicating with third parties to the extent necessary for the purpose of seeking any third party consent.

6.10 Registration Statement.

(a) As promptly as practicable after the execution of this Agreement, (x) dMY and the Company shall prepare mutually acceptable materials which shall include a preliminary Registration Statement (in which the Proxy Statement shall be included as a prospectus for purposes of obtaining approval of the dMY Stockholder Voting Matters at the dMY Stockholder Meeting) and dMY shall use its reasonable best efforts to file such Registration Statement no later than ten (10) Business Days after the delivery of the Audited Financial Statements in accordance with Section 6.22.

(b) Each of dMY and the Company agrees to use their respective reasonable best efforts to cause the Registration Statement to be declared effective under the Securities Act as soon as reasonably practicable after filing thereof and to keep the Registration Statement effective as long as is necessary to consummate the transactions contemplated hereby. dMY further agrees to use its reasonable best efforts to obtain all necessary state securities law or “Blue Sky” permits and approvals required to carry out the transactions contemplated hereby.

(c) Each of dMY and the Company agrees to furnish to the other party all information concerning itself, its officers, directors and stockholders and such other matters as may be reasonably necessary or advisable or as may be reasonably requested in connection with the Registration Statement, Proxy Statement, a Current Report on Form 8-K pursuant to the Exchange Act in connection with the Transactions, or any other statement, filing, notice or application made by or on behalf of dMY or the Company to any regulatory authority (including the NYSE) in connection with the Transactions, including the Merger (the “**Offer Documents**”). The Registration Statement, Proxy Statement and any other Offer Documents shall be in a form mutually agreed by dMY and the Company.

(d) Prior to filing the Registration Statement, or any amendment thereof or supplement thereto, with the SEC, dMY will make available to the Company drafts of the Registration Statement and any other documents to be filed with the SEC that relate to the transactions completed hereby, both preliminary and final, and drafts of any amendment or supplement to the Registration Statement or such other document and will provide the Company with a reasonable opportunity to comment on such drafts. No filing of, or amendment or supplement to, the Registration Statement, will be made by dMY without the approval of the Company (such approval not to be unreasonably withheld, conditioned or delayed), other than any amendment made pursuant to Section 6.10(i) prior to which dMY shall have reasonably consulted with the Company prior to the filing of such amendment or supplement. dMY will advise the Company, promptly after dMY receives notice thereof, of the time when the Registration Statement has become effective or any supplement or amendment has been filed, of the issuance of any stop order or the suspension of the qualification of shares of dMY Class A Common Stock for offering or sale in any jurisdiction, of the initiation or written threat of any proceeding for any such purpose, or of any request by the SEC for the amendment or supplement of the Registration Statement or for additional information. dMY shall cause the Proxy Statement to be mailed to its stockholders of record, as of the record date to be established by the dMY Board, as promptly as practicable following the Registration Statement becoming declared effective under the Securities Act. dMY will cause all documents that it is responsible for filing with the SEC or other regulatory authorities in connection with the Merger to (i) comply as to form with all applicable SEC requirements and (ii) otherwise comply in all material respects with all applicable Law.

(e) dMY will notify the Company promptly of the receipt of any comments (written or oral) from the SEC or its staff with respect to the Registration Statement, the Proxy Statement or Offer Documents and of any request by the SEC or its staff or any other official of any Governmental Entity for amendments or supplements to the Registration Statements, the Proxy Statement or Offer Documents, and will supply the Company with copies of all correspondence between dMY or any of its representatives, on the one hand, and the SEC, or its staff or any other official of any Governmental Entity, on the other hand, with respect to the Registration Statements or Offer Documents. dMY shall permit the Company and its outside

counsel to participate in all material discussions and meetings with the SEC and its staff relating to the Registration Statement, the Proxy Statement, this Agreement or the Transactions. dMY and the Company shall cooperate in the preparation of, and mutually agree upon (such agreement not to be unreasonably withhold or delayed), any response to comments of the SEC or its staff with respect to the Registration Statement and any amendment to the Registration Statement filed in response thereto. dMY shall inform the Company whenever any material event occurs that requires the filing of an amendment or supplement to the Registration Statements, Proxy Statement or Offer Documents and the Company shall promptly inform dMY whenever the Company discovers any event relating to dMY, the Company or any of their respective Affiliates, officers or directors that is required to be set forth in an amendment or supplement to the Registration Statement, Proxy Statement or Offer Documents.

(f) In connection with any filing dMY makes with the SEC that requires information about the transactions to be included, the Company will, and will use reasonable best efforts to cause its representatives, in connection with the disclosure included in any such filing or the responses provided to the SEC in connection with the SEC's comments to a filing, to use reasonable best efforts to (i) cooperate with dMY, (ii) respond to questions about the Company required in any filing or requested by the SEC in a timely fashion, and (iii) promptly provide any information reasonably necessary or advisable or otherwise reasonably requested by dMY or dMY's representatives in connection with any filing with the SEC.

(g) The Company represents that information supplied by the Company for inclusion in the Registration Statement, the Proxy Statement or Offer Documents shall not, at (i) the time the Registration Statement is declared effective, (ii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to the stockholders of dMY, (iii) the time of the dMY Stockholder Meeting, and (iv) the Effective Time, contain any untrue statement of a material fact or fail to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that no representation or warranty is made by the Company with respect to statements made or incorporated by reference in such filings with the SEC based on information supplied by dMY or its Affiliates for inclusion therein.

(h) dMY represents that information supplied by dMY for inclusion in the Registration Statement, the Proxy Statement or Offer Documents shall not, at (i) the time the Registration Statement is declared effective, (ii) the time the Proxy Statement (or any amendment thereof or supplement thereto) is first mailed to the stockholders of dMY, (iii) the time of the dMY Stockholder Meeting, and (iv) the Effective Time, contain any untrue statement of a material fact or fail to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; provided that no representation or warranty is made by dMY with respect to statements made or incorporated by reference in such filings with the SEC based on information supplied by the Company or its Affiliates for inclusion therein.

(i) If, at any time prior to the dMY Stockholder Meeting, there shall be discovered any information that should be set forth in an amendment or supplement to the Registration Statement so that the Registration Statement would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, dMY shall promptly file an amendment or supplement to the Registration Statement containing such information, and shall reasonably consult with the Company prior to the filing of such

amendment or supplement. If, at any time prior to the Closing, the Company discovers any information, event or circumstance relating to the Company, its business or any of its Affiliates, officers, directors or employees that should be set forth in an amendment or a supplement to the Registration Statement so that the Registration Statement would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, then the Company shall promptly inform dMY of such information, event or circumstance.

6.11 dMY Stockholder Meeting; Board Recommendation.

(a) Prior to or as soon as reasonably practicable after the Registration Statement is declared effective under the Securities Act, dMY shall, in accordance with applicable Law, NYSE rules and the dMY Governing Documents, establish a record date for, duly call, give notice of, convene and hold a meeting of the dMY Stockholders (including any adjournment or postponement thereof, the “**dMY Stockholder Meeting**”) to be held as soon as reasonably practicable following the date that the Registration Statement is declared effective under the Securities Act for the sole purpose of obtaining approval of the Required dMY Vote (which meeting shall be held not more than thirty (30) days after the date on which dMY mails the Proxy Statement to the dMY Stockholders unless adjourned or postponed pursuant to this Section 6.11(a) or otherwise agreed in writing between the Parties). dMY will use its reasonable best efforts to solicit from the dMY Stockholders proxies in favor of the adoption of this Agreement and will take all other reasonable action necessary or advisable to obtain such proxies with respect to the Required dMY Vote and to secure the vote or consent of its stockholders required by and in compliance with all applicable Law and the dMY Governing Documents; provided that dMY may adjourn or postpone the dMY Stockholder Meeting on one or more occasions for up to 30 Business Days in the aggregate (i) to the extent necessary to ensure that any supplement or amendment to the Registration Statement that dMY reasonably determines is necessary to comply with applicable Laws, is provided to the dMY Stockholders in advance of a vote on the adoption of this Agreement, (ii) to convene a quorum if, as of the time that the dMY Stockholder Meeting is originally scheduled, there are insufficient shares of dMY Class A Common Stock represented at such meeting (either in person or by proxy) to constitute a quorum necessary to conduct the business of the dMY Stockholder Meeting, (iii) if, as of the time that the dMY Stockholder Meeting is originally scheduled, adjournment or postponement of the dMY Stockholder Meeting is necessary to enable dMY to solicit additional proxies required to obtain the Required dMY Vote or (iv) to seek withdrawals of redemption requests from dMY Stockholders, in each case of the foregoing clauses (i)-(iv), as determined by the dMY Board in good faith.

(b) The Registration Statement shall include the dMY Board Recommendation. The dMY Board shall not (and no committee or subgroup thereof shall) (A) except as otherwise required by applicable Law (including, for the avoidance of doubt, the fiduciary duties of the members of the dMY Board), change, withdraw, withhold, qualify or modify, or publicly propose to change, withdraw, withhold, qualify or modify, the dMY Board Recommendation, (B) adopt, approve, endorse or recommend any dMY Competing Transaction, (C) except as otherwise required by applicable Law (including, for the avoidance of doubt, the fiduciary duties of the members of the dMY Board), fail to reaffirm publicly the dMY Board Recommendation within ten (10) day after the Company made such request in writing (it being agreed that the Company may only make two (2) requests pursuant to this clause (C)) or (D) agree to take any of the foregoing actions.

6.12 Expenses. Except as otherwise provided in this Agreement (including in Section 2.2(b) with respect to the payment of Transaction Expenses by dMY effective upon the Closing), each Party shall be solely liable for and pay all of its own costs and expenses (including attorneys', accountants' and investment bankers' fees and other out-of-pocket expenses) incurred by such Party or its Affiliates in connection with the negotiation and execution of this Agreement and the Ancillary Agreements, the performance of such Party's obligations hereunder and thereunder and the consummation of the transactions contemplated hereby and thereby.

6.13 Directors and Officers.

(a) Beginning on the Closing Date and continuing until the sixth (6th) anniversary of the Closing Date, the Surviving Corporation (i) shall maintain in effect all rights to indemnification, advancement of expenses, exculpation and other limitations on Liability to the extent provided in the Company Governing Documents as in effect as of the date of this Agreement ("**D&O Provisions**") in favor of any current or former director, officer, or manager, or, to the extent authorized under the applicable D&O Provisions, any employee, agent or representative of the Company (collectively, with such Person's heirs, executors or administrators, the "**Company Indemnified Persons**"), and (ii) shall not amend, repeal or modify in a manner adverse to the beneficiary thereof any provision in the D&O Provisions as it relates to any Company Indemnified Person, without the written consent of such affected Company Indemnified Person (it being agreed that each Company Indemnified Person shall be a third party beneficiary of this Section 6.13) or as otherwise required by applicable Law. From and after the Effective Time, dMY shall cause the Surviving Corporation to indemnify and hold harmless each Company Indemnified Person against any costs or expenses (including reasonable attorneys' fees), judgments, fines, losses, claims, damages or liabilities incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, arising out of or pertaining to matters existing or occurring at or prior to the Effective Time, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent that the Company would have been permitted under applicable Law, the Company Governing Documents as in effect as of the date of this Agreement or any director indemnification agreement or employment agreement in effect on the date of this Agreement to indemnify such person (including the advancing of expenses as incurred to the fullest extent permitted under applicable Law). In the event that dMY or the Surviving Corporation or any of their respective successors or assigns consolidates with or merges into any other Person and is not the continuing or surviving corporation or entity of such consolidation or merger or transfers or conveys all or substantially all its properties and assets to any Person, dMY or the Surviving Corporation, as the case may be, shall cause proper provisions to be made so that the successors and assigns of dMY or the Surviving Corporation assume the obligations set forth in this Section 6.13.

(b) Tail Policy.

(i) At or prior to the Effective Time, the Surviving Corporation shall purchase and maintain in effect for a period of six (6) years thereafter, policies of directors' and officers' liability insurance covering those Persons who are currently covered by such

policies of the Company, the Surviving Corporation and dMY with respect to claims arising from facts or events that occurred on or before the Closing and of the type and with no less favorable coverage and amounts as, and contain terms and conditions no less advantageous than, in the aggregate, the coverage currently provided by such current policy.

(ii) At or prior to the Effective Time, the Surviving Corporation shall purchase and maintain in effect for a period of six (6) years thereafter, “run-off” coverage as provided by the Company’s, the Surviving Corporation’s and dMY’s fiduciary and employee benefit policies, in each case, covering those Persons who are covered on the date of this Agreement by such policies and of the type, with terms, conditions, retentions and limits of liability that are no less advantageous than the coverage provided under the Company’s or dMY’s existing policies (the policies contemplated by the foregoing clauses (i) and (ii), collectively, the “**Tail Policy**”); provided that in no event shall the Surviving Corporation be required to expend on the premium thereof in excess of three hundred percent (300%) of the aggregate annual premiums currently payable by the Company and dMY with respect to such current policies (the “**Premium Cap**”); provided, further, that if such minimum coverage under any such Tail Policy is or becomes not available at the Premium Cap, then any such Tail Policy shall contain the maximum coverage available at the Premium Cap

(c) On the Closing Date, the Surviving Corporation shall enter into customary indemnification agreements reasonably satisfactory to each of the Company and dMY with each of the post-Closing directors of the Surviving Corporation, which indemnification agreements shall continue to be effective following the Closing.

6.14 Equity Financing; Cooperation.

(a) During the Pre-Closing Period, dMY shall take, or cause to be taken, all reasonable actions and do, or cause to be done, all things necessary, proper or advisable to consummate the transactions contemplated by the Subscription Agreements, including maintaining in effect such Subscription Agreements and shall use its reasonable efforts to: (i) satisfy in all material respects on a timely basis all conditions and covenants applicable to dMY in such Subscription Agreements and otherwise comply with its obligations thereunder, and (ii) in the event that all conditions in such Subscription Agreements (other than conditions that dMY or any of its Affiliates control the satisfaction of and other than those conditions that by their nature are to be satisfied at the Closing) have been satisfied, enforce the rights of dMY under the Subscription Agreements to cause the PIPE Investors to pay to (or as directed by) dMY the applicable purchase price under each PIPE Investor’s applicable Subscription Agreement in accordance with its terms and consummate the transactions contemplated by such Subscription Agreements at or prior to Closing and the Company shall cooperate with dMY in such efforts.

(b) dMY acknowledges and agrees that, the Company shall be entitled to cause dMY to specifically enforce the obligations of the PIPE Investors to fund the subscription amounts set forth in the Subscription Agreements executed by such PIPE Investors and the provisions of each such Subscription Agreement of which the Company is an express third party beneficiary, in each case, subject to the terms and conditions set forth in each such Subscription Agreement. dMY shall not, without the prior written consent of the Company (such consent not to be unreasonably

withheld, delayed or conditioned), increase, decrease or otherwise modify the PIPE Investment (including by entry into any additional subscription agreements with respect to any PIPE Investment) or the subscription amount under any Subscription Agreement or reduce or impair the rights of dMY under any Subscription Agreement, permit or consent to any material amendment, supplement or modification to any Subscription Agreement (including (i) the price, terms, timing and conditions of the funding of the PIPE Investment, (ii) the identity of any PIPE Investor (other than assignments to permitted assignees), the representations of the PIPE Investors and/or of dMY, (iii) the covenants of the PIPE Investors that apply prior to the consummation of the PIPE Investment or the termination of the Subscription Agreements, (iv) the registration rights of the PIPE Investor, (v) the indemnification obligations of dMY hereunder or pursuant to any Ancillary Agreement, (vi) the termination provisions of the Subscription Agreements, (vii) any covenants, obligations or liabilities set forth in the Subscription Agreements that survive the consummation of the PIPE Investment and (viii) any amendments, side letters or other Contracts related to the foregoing matters), any waiver (in whole or in part) of, or provide consent to modify (including consent to terminate), any material provision or remedy under, or any replacements of, any of the Subscription Agreements, or any replacements of, any of the Subscription Agreements, in each case, other than any assignment or transfer contemplated therein or expressly permitted thereby (without any further amendment, modification or waiver to such assignment or transfer provision); provided, that, in the case of any such assignment or transfer, the initial party to such Subscription Agreement remains bound by its obligations with respect thereto in the event that the transferee or assignee, as applicable, does not comply with its obligations to consummate the purchase of shares of dMY Class A Common Stock contemplated thereby.

(c) Without limiting the generality of the foregoing, dMY shall give the Company, prompt written notice: (A) of any breach or default (or any event or circumstance that, with or without notice, lapse of time or both, could give rise to any breach or default) by any party to any Subscription Agreement known to such Party, (B) of the receipt of any written notice or other written communication from any party to any Subscription Agreement (other than written notices or other written communication from such other Party) with respect to any actual, potential, threatened or claimed expiration, lapse, withdrawal, breach, default, termination or repudiation by any party to any Subscription Agreement of any provisions of any Subscription Agreement, (C) of any amendment to any Subscription Agreement entered into by dMY that dMY was permitted to make without the prior written consent of the Company in accordance with Section 6.14(b) or (D) if any portion of the PIPE Investment pursuant to the Subscription Agreements will not be funded in accordance with the terms of the applicable Subscription Agreement. dMY shall confer with the Company regarding timing of the expected Closing Date (as defined in the Subscription Agreements) and deliver all notices it is required to deliver under the Subscription Agreements on a timely basis in order to cause the PIPE Investors to fund their respective obligations as far in advance of the Closing as permitted by the Subscription Agreements and consummate the transactions contemplated by the Subscription Agreements at or prior to the Closing.

6.15 Stock Transactions. During the Pre-Closing Period, except as otherwise contemplated by this Agreement, the Company shall not, directly or indirectly, engage in any transactions involving or relating to the securities of dMY without the prior written consent of dMY.

6.16 Exclusivity.

(a) During the Pre-Closing Period, the Company shall not, and shall cause its controlled Affiliates, subsidiaries and its and their representatives, officers, agents, affiliates, equityholders and any other person acting on its behalf (the “**Related Parties**”), not to, directly or indirectly, (i) solicit or take any action to facilitate or encourage any inquiries or the making, submission or announcement of, any proposal or offer from any Person or group of Persons other than dMY and the Sponsor and with respect to the PIPE Investment, the PIPE Investors (and their respective representatives, acting in their capacity as such) (a “**Competing Buyer**”) that may constitute, or would reasonably be expected to lead to, a Competing Transaction; (ii) enter into, participate in, continue or otherwise engage in, any discussions or negotiations with any Competing Buyer regarding a Competing Transaction; (iii) furnish (including through the Data Room) any information relating to the Company or any of its assets or businesses, or afford access to the assets, business, properties, books or records of the Company to a Competing Buyer, in all cases for the purpose of assisting with or facilitating, or that would otherwise reasonably be expected to lead to, a Competing Transaction; (iv) approve, endorse or recommend any Competing Transaction; or (v) enter into a Competing Transaction or any agreement, arrangement or understanding (including any letter of intent or term sheet) relating to a Competing Transaction or publicly announce an intention to take any such actions. The Company shall, and shall cause its Related Parties to, immediately cease any and all existing discussions or negotiations with any Person conducted prior to the date hereof with respect to, or which is reasonably likely to give rise to or result in, a Competing Transaction.

(b) During the Pre-Closing Period, dMY shall not, and shall cause its Related Parties not to, directly or indirectly, (i) solicit, initiate or take any action to facilitate or encourage any inquiries or the making, submission or announcement of, any proposal or offer from any Person or group of Persons other than the Company (and its representatives, acting in their capacity as such) (an “**Alternative Target**”) that may constitute or could reasonably be expected to lead to, a dMY Competing Transaction; (ii) enter into, participate in, continue or otherwise engage in, any discussions or negotiations with any Alternative Target regarding a dMY Competing Transaction; (iii) furnish (including through the Data Room) any non-public information relating to dMY or any of its assets or businesses, or afford access to the assets, business, properties, books or records of dMY to an Alternative Target, in all cases for the purpose of assisting with or facilitating, or that could otherwise reasonably be expected to lead to, a dMY Competing Transaction; (iv) approve, endorse or recommend any dMY Competing Transaction; or (v) enter into a dMY Competing Transaction or any agreement, arrangement or understanding (including any letter of intent or term sheet) relating to a dMY Competing Transaction or publicly announce an intention to take any such actions. dMY shall, and shall cause its Related Parties to, immediately cease any and all existing discussions or negotiations with any Person conducted prior to the date hereof with respect to, or which is reasonably likely to give rise to or result in, a dMY Competing Transaction.

6.17 Intellectual Property Covenants.

(a) During the Pre-Closing Period, the Company shall use commercially reasonable efforts to take such further actions described on Section 6.17(a) of the Company Disclosure Letter, in each case, as necessary to preserve the Company’s interest in the Company Intellectual Property (the “**IP Preservation Efforts**”); provided, however, that nothing in this Section 6.17(a) or Section 6.1 shall require the Company, dMY or any of their respective Affiliates

or Representatives to (x) expend any money in connection with any such IP Preservation Efforts (aside from fees and expenses of counsel and the payment of any filing fees related to such IP Preservation Efforts), (y) commence any Proceeding or (z) offer or grant any accommodation (financial or otherwise) not already provided for by Contract to any third party.

(b) dMY agrees and acknowledges that, other than with respect to the obligations of the Company to use commercially reasonable efforts to pursue such IP Preservation Efforts pursuant to Section 6.17(a) above, none of the Company, the Company Stockholders or any of their respective Affiliates will have any Liability whatsoever to dMY or any of its Affiliates (including the Surviving Corporation following the Closing) arising out of or relating to, and none of dMY or its Affiliates (including the Surviving Corporation following the Closing) will be entitled to assert any claims against the Company, the Company Stockholders or any of their respective Affiliates with respect to the failure to obtain any consent or secure any rights or achieve any outcome contemplated by Section 6.17(a) with respect to any IP Preservation Efforts.

6.18 Tax Matters.

(a) dMY and the Company shall use their respective reasonable best efforts to cause the transactions contemplated herein to qualify for the Intended Tax Treatment, and agree not to, and not to permit or cause any Affiliate or any Subsidiary to, take any actions or cause any action to be taken that could reasonably be expected to prevent, impair or impede the Intended Tax Treatment. The Parties intend that, following the Merger, dMY shall cause the Surviving Corporation, directly or indirectly, to continue the Company's historic business or use a significant portion of the Company's historic business assets in a business, in each case, to the extent required pursuant to Treasury Regulations Section 1.368-1(d).

(b) This Agreement shall constitute and hereby is adopted as a "plan of reorganization" with respect to the Merger within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a) for purposes of Sections 354, 361 and 368 of the Code and the Treasury Regulations thereunder.

(c) dMY and the Company shall prepare and file all Tax Returns consistent with, and shall not take any Tax reporting position inconsistent with, the Intended Tax Treatment, unless otherwise required pursuant to a "determination" within the meaning of Section 1313(a) of the Code. Each of the Parties agrees to use reasonable best efforts to promptly notify all other Parties of any challenge to the Intended Tax Treatment by any Taxing Authority.

(d) Each party shall promptly notify the other party in writing if, before the Closing Date, such party knows or has reason to believe that the Merger may not qualify for the Intended Tax Treatment (and whether the terms of this Agreement could be reasonably amended in order to facilitate such qualification, which amendments shall be made if the Company reasonably determines on advice of its counsel that such amendments would be reasonably expected to result in the Intended Tax Treatment and would not be commercially impracticable). In the event either dMY or the Company seeks a tax opinion from its respective tax advisor or the SEC requests or requires a tax opinion regarding the Intended Tax Treatment, each party shall use reasonable best efforts to execute and deliver customary tax representation letters to the applicable tax advisor in form and substance reasonably satisfactory to such advisor (and in the case of an opinion requested or required by the SEC, both dMY and the Company shall use reasonable best efforts to cause their respective tax advisors to deliver such an opinion).

(e) The Company shall cause all Transfer Taxes to be paid. The Company shall prepare and file, or shall cause to be prepared and filed, in a timely manner, all necessary Tax Returns and other documentation with respect to all Transfer Taxes, and, if required by applicable Law, the Parties will, and will cause their respective Affiliates to, reasonably cooperate and join in the execution of any such Tax Returns and other documentation. The Parties shall reasonably cooperate to establish any available exemption from (or reduction in) any Transfer Tax. The Company shall provide the other Parties with evidence reasonably satisfactory to such other Party or Parties that such Transfer Taxes have been paid, or if the relevant transactions are exempt from Transfer Taxes, evidence of the filing of an appropriate certificate or other evidence of exemption.

6.19 Additional Support Agreements. Promptly following the time the Registration Statement is declared effective by the SEC, and in any event prior to the Closing, the Company shall use its reasonable best efforts to cause each Pre-Closing Holder not otherwise party to a Company Transaction Support Agreement and/or a Lock-Up Agreement to enter into and deliver an executed (i) counterpart of the Company Transaction Support Agreement and (ii) a Lock-Up Agreement, if such Pre-Closing Holder holds at least 1.0% of the Company Fully Diluted Share Amount as of the date hereof (such documents referenced in clauses (i) and (ii), the “**Additional Support Agreements**”), provided, that dMY acknowledges and agrees that failure to obtain such Additional Support Agreements is not, and shall not be, a condition to Closing. The Company shall deliver true, correct and complete copies of each such fully executed Additional Support Agreements to dMY prior to the Closing.

6.20 Company Stockholder Approval. Unless this Agreement has been terminated in accordance with Article VII, upon the terms set forth in this Agreement and the Company Transaction Support Agreements, the Company shall obtain the Company Stockholder Approval promptly after the Registration Statement has been declared effective by the SEC and shall promptly deliver evidence of the same to dMY.

6.21 LTIP and ESPP. Prior to the effectiveness of the Registration Statement, dMY shall approve, and subject to receipt of the Required dMY Vote, adopt, (a) an equity incentive plan that provides for grant of cash and equity incentive awards to officers, directors, employees and other service providers of the Surviving Corporation and its Subsidiaries, with a total pool of awards of dMY Class A Common Stock not exceeding ten percent (10%) of the Fully-Diluted dMY Common Stock immediately following the Closing (inclusive of the shares available for issuance under such plan and the Converted Stock Options), with an annual “evergreen” increase of not more than five percent (5%) of the Fully-Diluted dMY Common Stock outstanding as of the day prior to such increase (inclusive of the shares available for issuance under such plan and the Converted Stock Options) in a form otherwise mutually agreed by dMY and the Company (the “**LTIP**”) and (b) an employee stock purchase plan, that provides for grant of purchase rights with respect to the dMY Class A Common Stock to employees of the Surviving Corporation and its Subsidiaries, with a total pool of shares of the dMY Class A Common Stock not exceeding two percent (2.0%) of the Fully-Diluted dMY Common Stock immediately following the Closing (inclusive of the shares available for issuance under the plan, the LTIP and the Converted Stock Options), with an annual “evergreen” increase of one percent (1%) of the Fully-Diluted dMY Common Stock outstanding as of the day prior to such increase (inclusive of the shares available

for issuance under the plan), in a form otherwise mutually agreed by dMY and the Company (the “**ESPP**”). Notwithstanding the foregoing, the initial number of shares under the LTIP and ESPP will be agreed to between the parties and based upon benchmarking against peer companies (taking into account the nature and geography of the business of the Company as well as the fact that it will be a publicly listed company). “**Fully-Diluted dMY Common Stock**” means the aggregate number of (i) shares of dMY Class A Common Stock, and (ii) securities convertible into or exercisable for shares of dMY Class A Common Stock.

6.22 **Delivery of Financial Statements.** The Company shall use its reasonable best efforts to provide dMY, as promptly as practicable after the date of this Agreement, with (a) audited financial statements, including consolidated balance sheets as of December 31, 2020 and December 31, 2019 and consolidated statements of income and changes in equity and cash flows, of the Company for the years ended December 31, 2020 and December 31, 2019 together with all related notes and schedules thereto, prepared in accordance with GAAP and Regulation S-X, prepared in accordance with GAAP and Regulation S-X and accompanied by the reports thereon of the Company’s independent auditors (the “**Audited Financial Statements**”), (b) management’s discussion and analysis of financial condition and results of operations with respect to the periods described in clause (a) above, as necessary for inclusion in the Registration Statement, (c) if the Effective Time has not occurred prior to May 15, 2021, and this Agreement has not been earlier terminated pursuant to Section 7.1, the Company shall use reasonable best efforts to deliver to dMY on or before May 28, 2021, the unaudited consolidated statement of financial position of the Company and related consolidated statements of income and changes in equity as of and for the three (3) months ended March 30, 2021 (the “**First Quarter Financial Statements**”), which comply in all material respects with all applicable accounting requirements and with the rules and regulations of the SEC, the Exchange Act and the Securities Act and (d) if the Effective Time has not occurred prior to August 13, 2021, and this Agreement has not been earlier terminated pursuant to Section 7.1, the Company shall use reasonable best efforts to deliver to dMY on or before August 27, 2021, the unaudited consolidated statement of financial position of the Company and related consolidated statements of income and changes in equity as of and for the three (3) months ended June 30, 2021 (the “**Second Quarter Financial Statements**”), which comply in all material respects with all applicable accounting requirements and with the rules and regulations of the SEC, the Exchange Act and the Securities Act; provided, that upon delivery of such First Quarter Financial Statements or Second Quarter Financial Statement, as applicable, the representation and warranties set forth in Section 3.4 shall be deemed to apply to the First Quarter Financial Statements or the Second Quarter Financial Statement, as applicable, in the same manner as the Unaudited Financial Statements, mutatis mutandis, with the same force and effect as if made as of the date of this Agreement.

ARTICLE VII TERMINATION

7.1 **Termination.** This Agreement may be terminated and the Transactions abandoned at any time prior to the Closing only as follows:

(a) by the mutual written consent of the Company and dMY;

(b) by the Company or dMY by written notice to the other Party or Parties if any applicable Law is in effect making the consummation of the Transactions illegal or any final, non-appealable Order is in effect permanently preventing the consummation of the Transactions; provided, however, that the right to terminate this Agreement pursuant to this Section 7.1(b) shall not be available to any Party whose breach of any representation, warranty, covenant or agreement of this Agreement results in or causes such final, non-appealable Order or other action;

(c) by the Company or dMY by written notice to the other Party or Parties if the consummation of the Transactions shall not have occurred on or before December 7, 2021 (the “**Outside Date**”); provided, that the right to terminate this Agreement under this Section 7.1(c) shall not be available to any Party that has breached any of its representations, warranties, covenants or agreements under this Agreement and such breach is the primary cause of or has resulted in the failure of the Merger and the other Transactions to be consummated on or before such date;

(d) by the Company, if dMY breaches in any material respect any of its representations or warranties contained in this Agreement or breaches or fails to perform in any material respect any of its covenants contained in this Agreement, which breach or failure to perform (i) would render any of the conditions precedent to the Company’s obligations to consummate the transactions set forth in Sections 2.4(c)(i) and 2.4(c)(ii) of this Agreement not capable of being satisfied, and (ii) if after the giving of written notice of such breach or failure to perform to dMY by the Company, cannot be cured or has not been cured by the earlier of (x) the Outside Date and (y) the date that is thirty (30) days after receipt of such written notice and the Company has not waived in writing such breach or failure; provided, however, that the right to terminate this Agreement under this Section 7.1(d) shall not be available to the Company if the Company is then in breach of any Company representation, warranty, covenant or agreement contained in this Agreement, which breach or failure to perform would render the conditions precedent to dMY’s obligations to consummate the transactions set forth in Sections 2.4(b)(i) and 2.4(b)(ii) of this Agreement not capable of being satisfied;

(e) by dMY, if the Company breaches in any material respect any of its representations or warranties contained in this Agreement or the Company breaches or fails to perform in any material respect any of its covenants contained in this Agreement, which breach or failure to perform (i) would render any of the conditions precedent to dMY’s obligations to consummate the transactions set forth in Sections 2.4(b)(i) and 2.4(b)(ii) of this Agreement not capable of being satisfied, and (ii) if after the giving of written notice of such breach or failure to perform to the Company, as applicable, by dMY, cannot be cured or has not been cured by the earlier of (x) the Outside Date and (y) the date that is thirty (30) days after the receipt of such written notice and dMY has not waived in writing such breach or failure; provided, however, that the right to terminate this Agreement under this Section 7.1(e) shall not be available to dMY if dMY is then in breach of any dMY representation, warranty, covenant or agreement contained in this Agreement which breach or failure to perform would render the conditions precedent to the Company’s obligations to consummate the transactions set forth in Sections 2.4(c)(i) and 2.4(c)(ii) of this Agreement not capable of being satisfied;

(f) by dMY, if the Company fails to deliver the Company Stockholder Approval in accordance with Section 6.20 within three (3) Business Days following the date the Registration Statement has been declared effective by the SEC; or

(g) by written notice from either the Company or dMY to the other if the Required dMY Vote is not obtained at the dMY Stockholder Meeting (subject to any adjournment or postponement thereof); provided, that, the right to terminate this Agreement under this Section 7.1(f) shall not be available to dMY if dMY has materially breached its covenant or agreement set forth in Section 6.11(b) or in Section 6.16(b) and such material breach is the primary cause of or has resulted in the failure of the Required dMY Vote to be obtained.

7.2 Effect of Termination. In the event of the termination of this Agreement pursuant to Section 7.1, this Agreement shall immediately become null and void, without any Liability on the part of any Party or any other Person, and all rights and obligations of each Party shall cease; provided that (a) the Confidentiality Agreement and the agreements contained in Section 6.5, Section 6.9(a), Section 6.12, this Section 7.2 and Article VIII of this Agreement (the “**Surviving Provisions**”), and any other Section or Article of this Agreement referenced in any of the Surviving Provisions which are required to survive in order to give appropriate effect to the Surviving Provisions, survive any termination of this Agreement and remain in full force and effect and (b) no such termination shall relieve any Party from any Liability arising out of or incurred as a result of its Fraud or its Willful Breach occurring prior to the termination of this Agreement.

ARTICLE VIII MISCELLANEOUS

8.1 Amendment and Waiver. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by dMY and the Company. No waiver of any provision or condition of this Agreement shall be valid unless the same shall be in writing and signed by the Party against which such waiver is to be enforced. No waiver by any Party of any default, breach of representation or warranty or breach of covenant hereunder, whether intentional or not, shall be deemed to extend to any other, prior or subsequent default or breach or affect in any way any rights arising by virtue of any other, prior or subsequent such occurrence. Any such amendment or waiver may occur after the approval of the dMY Stockholder Voting Matters at the dMY Stockholder Meeting so long as such amendment or waiver would not require the further approval of the dMY Stockholders under applicable Law without such approval having first been obtained.

8.2 Waiver of Remedies; Survival of Representations and Warranties.

(a) Except (i) in the case of Fraud or Willful Breach, (ii) as set forth in Section 7.2 or (iii) for claims to enforce the performance of the covenants required to be performed in whole or in part after the Closing in accordance with Section 8.11, the Company shall have no liability to dMY, the Sponsor or their respective successors and permitted assigns, officers, directors, managers, direct and indirect equityholders, members, partners, employees, Affiliates, agents and representatives (collectively, the “**dMY Parties**”) for any and all losses that are sustained or incurred by any of the dMY Parties by reason of, resulting from or arising out of any breach of or inaccuracy in any of the Company’s representations or warranties or breach of any covenant to the extent providing for performance prior to the Closing contained in this Agreement or any certificate delivered in connection with this Agreement. Except (i) in the case of Fraud, (ii) in the event of Willful Breach, (iii) as set forth in Section 7.2 or (iv) claims to enforce the performance of the covenants required to be performed in whole or in part after the Closing in accordance with Section 8.11, the dMY Parties shall have no liability to the Company and its

successors and permitted assigns, officers, directors, managers, direct and indirect equityholders, members, partners, employees, Affiliates, agents and representatives (collectively, the “**Company Parties**”) for any and all losses that are sustained or incurred by any of the Company Parties by reason of, resulting from or arising out of any breach of or inaccuracy in any of dMY’s representations or warranties or breach of any covenant to the extent providing for performance prior to the Closing contained in this Agreement or any certificate delivered in connection with this Agreement.

(b) None of the representations, warranties, covenants, obligations or other agreements in this Agreement or in any certificate, statement or instrument delivered pursuant to this Agreement, including any rights arising out of any breach of such representations, warranties, covenants, obligations, agreements and other provisions, shall survive the Closing and all such representations, warranties, covenants, obligations or other agreements shall terminate and expire upon the occurrence of the Closing (and there shall be no liability after the Closing in respect thereof), except for (i) those covenants and agreements contained herein that by their terms expressly apply in whole or in part after the Closing and then only with respect to any breaches occurring after the Closing and (ii) this Article VIII and any corresponding definitions set forth in Article I.

8.3 Notices. All notices, demands and other communications to be given or delivered under this Agreement shall be in writing and shall be deemed to have been given (a) when personally delivered (or, if delivery is refused, upon presentment) or received by email prior to 6:00 p.m. (Eastern Time) on a Business Day and, if otherwise, on the next Business Day, (b) one (1) Business Day following sending by reputable overnight express courier (charges prepaid) or (c) three (3) days following mailing by certified or registered mail, postage prepaid and return receipt requested. 8.4 Assignment. This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns; provided that neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by any Party (including by operation of Law) without the prior written consent of the other Parties. Any purported assignment or delegation not permitted under this Section 8.4 shall be null and void.

8.5 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held to be prohibited by or invalid, illegal or unenforceable under applicable Law in any respect by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, illegality or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible.

8.6 Interpretation. The headings and captions used in this Agreement and the table of contents to this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Any capitalized terms used in any Disclosure Letter, Schedule or Exhibit attached hereto or delivered at the same time and not otherwise defined therein shall have the meanings set forth in this Agreement. The use of the word “including” herein shall mean “including without limitation.” The words “hereof,” “herein,” and “hereunder” and words of similar import, when used in this Agreement, shall refer to this Agreement as a whole and not to any particular provision of this Agreement. References herein to a specific Section, Subsection, Clause, Recital, Section of a Disclosure Letter, Schedule or Exhibit shall refer, respectively, to Sections, Subsections, Clauses, Recitals, Sections of a Disclosure Letter, Schedules or Exhibits of this Agreement. Terms defined in the singular shall have a comparable meaning when used in the plural, and vice versa. References herein to any gender shall include each other gender. The word “or” shall not be exclusive unless the context clearly requires the selection of one (1) (but not more than one (1)) of a number of items. References to “written” or “in writing” include in electronic form. References herein to any Person shall include such Person’s heirs, executors, personal representatives, administrators, successors and permitted assigns; provided, however, that nothing contained in this Section 8.6 is intended to authorize any assignment or transfer not otherwise permitted by this Agreement. References herein to a Person in a particular capacity or capacities shall exclude such Person in any other capacity. Any reference to “days” shall mean calendar days unless Business Days are specified; provided that if any action is required to be done or taken on a day that is not a Business Day, then such action shall be required to be done or taken not on such day but on the first succeeding Business Day thereafter. References herein to any Contract (including this Agreement) mean such Contract as amended, restated, supplemented or modified from time to time in accordance with the terms thereof. With respect to the determination of any period of time, the word “from” means “from and including” and the words “to” and “until” each mean “to but excluding.” References herein to any Law shall be deemed also to refer to such Law, as amended, and all rules and regulations promulgated thereunder. If any Party has breached any representation, warranty, covenant or agreement contained in this Agreement in any respect, the fact that there exists another representation, warranty, covenant or agreement relating to the same subject matter (regardless of the relative levels of specificity) which the Party has not breached shall not detract from or mitigate the fact that the Party is in breach of the first representation,

warranty, covenant or agreement. The word “extent” in the phrase “to the extent” (or similar phrases) shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.” An accounting term not otherwise defined in this Agreement has the meaning assigned to it in accordance with GAAP. Except where otherwise provided, all amounts in this Agreement are stated and shall be paid in United States dollars. The Parties and their respective counsel have reviewed and negotiated this Agreement as the joint agreement and understanding of the Parties, and the language used in this Agreement shall be deemed to be the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any Person. Any information or materials shall be deemed provided, made available or delivered to dMY if such information or materials have been uploaded to the electronic data room maintained by the Company and its financial advisors on the Cooley Access online-platform for purposes of the Transactions (the “**Data Room**”) or otherwise provided to dMY’s representatives (including counsel) via electronic mail, in each case, no later than 12:01 a.m. eastern time on the day prior to the date of this Agreement. The Company will cause three (3) encrypted USB devices containing the content of the Data Room as of the date of this Agreement to be sent to dMY promptly after the date of this Agreement.

8.7 Entire Agreement. This Agreement, the Ancillary Agreements and the Confidentiality Agreement (together with the Disclosure Letters and Exhibits to this Agreement) contain the entire agreement and understanding among the Parties with respect to the subject matter hereof and thereof and supersede all prior and contemporaneous agreements, understandings and discussions (including that certain letter of intent among dMY and the Company, dated as of December 11, 2020), whether written or oral, relating to such subject matter in any way. The Parties have voluntarily agreed to define their rights and Liabilities with respect to the Transactions exclusively pursuant to the express terms and provisions of this Agreement, and the Parties disclaim that they are owed any duties or are entitled to any remedies not set forth in this Agreement. Furthermore, this Agreement embodies the justifiable expectations of sophisticated parties derived from arm’s-length negotiations and no Person has any special relationship with another Person that would justify any expectation beyond that of an ordinary buyer and an ordinary seller in an arm’s-length transaction.

8.8 Counterparts; Electronic Delivery. This Agreement, the Ancillary Agreements and the other agreements, certificates, instruments and documents delivered pursuant to this Agreement may be executed and delivered in one or more counterparts and by fax, email or other electronic transmission, each of which shall be deemed an original and all of which shall be considered one and the same agreement. No Party shall raise the use of a fax machine or email to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a fax machine or email as a defense to the formation or enforceability of a Contract and each Party forever waives any such defense.

8.9 Governing Law; Waiver of Jury Trial; Jurisdiction. The Law of the State of Delaware shall govern (a) all claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice-of-law or

conflict-of-law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Law of any jurisdiction other than the State of Delaware. EACH PARTY HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTIONS OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES UNDER THIS AGREEMENT. EACH PARTY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. Each Party submits to the exclusive jurisdiction of first, the Court of Chancery of the State of Delaware or if such court declines jurisdiction, then to any court of the State of Delaware or the Federal District Court for the District of Delaware, in any Proceeding arising out of or relating to this Agreement, agrees that all claims in respect of the Proceeding shall be heard and determined in any such court and agrees not to bring any Proceeding arising out of or relating to this Agreement in any other courts. Nothing in this Section 8.9, however, shall affect the right of any Party to serve legal process in any other manner permitted by Law or at equity. Each Party agrees that a final judgment in any Proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law or at equity.

8.10 Trust Account Waiver. The Company acknowledges that dMY has established the Trust Account for the benefit of its public dMY Stockholders and certain other parties, including the underwriters of dMY's initial public offering (the "**dMY IPO**"), which holds proceeds of the dMY IPO and certain private placements occurring simultaneously with the dMY IPO (including interest accrued from time to time thereon). For and in consideration of dMY entering into this Agreement and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Company, for itself and its Affiliates it has the authority to bind, hereby agrees it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets in the Trust Account (or distributions therefrom to (i) the public dMY Stockholders upon the redemption of their shares and (ii) the underwriters of dMY's initial public offering in respect of their deferred underwriting commissions held in the Trust Account, in each case as set forth in the Trust Agreement (collectively, the "**Trust Distributions**")), and hereby waives any claims it has or may have at any time solely against the Trust Account (including the Trust Distributions) as a result of, or arising out of, any discussions, contracts or agreements (including this Agreement and the Subscription Agreements) between dMY, on the one hand, and the Company, on the other hand, and will not seek recourse against the Trust Account (including the Trust Distributions) for any reason whatsoever; provided, however, that the foregoing waiver shall not limit or prohibit the Company or such Affiliates from pursuing a claim (x) for specific performance or other equitable relief in connection with the Transactions or the Ancillary Agreements (including any claim for dMY to specifically perform its obligations under this Agreement and cause the disbursement of the balance of the cash remaining in the Trust Account), or (y) against any money or other assets of dMY held outside of the Trust Account (other than the Trust Distributions) (the "**Retained Claims**"). Without prejudice with respect to the rights of the Company to pursue the Retained Claims, the Company agrees and acknowledges that such irrevocable waiver is material to this Agreement and specifically relied upon by dMY to induce dMY to enter in this Agreement, and

the Company further intends and understands such waiver to be valid, binding and enforceable against the Company and each of its Affiliates that it has the authority to bind under applicable Law. To the extent the Company or any of its Affiliates that the Company has the authority to bind commences any action or proceeding against dMY or any of its Affiliates based upon, in connection with, relating to or arising out of any matter relating to dMY, its Affiliates or its representatives, which Proceeding seeks, in whole or in part, monetary relief against dMY, its Affiliates or its representatives, the Company hereby acknowledges and agrees that the Company's such Affiliates' sole remedy shall be against assets of dMY or such Affiliate or representatives not in the Trust Account at such time, and that such claim shall not permit the Company or such Affiliates (or any Person claiming on any of their behalves) to have any claim against the Trust Account (including the Trust Distributions) or any amounts contained in the Trust Account while in the Trust Account.

8.11 Specific Performance. Each Party acknowledges that the rights of each Party to consummate the Transactions are unique and recognize and affirm that in the event any of the provisions of this Agreement are not performed in accordance with their specific terms or otherwise are breached, even if available monetary damages, such damages would be inadequate (and therefore the non-breaching Party would have no adequate remedy at Law) and the non-breaching Party would be irreparably damaged. Accordingly, each Party agrees that each other Party shall be entitled to specific performance, an injunction or other equitable relief (without posting of bond or other security or needing to prove actual damages or irreparable harm) to prevent breaches of the provisions of this Agreement and to enforce specifically this Agreement including to the extent provided herein, to specifically enforce a Party's obligations under this Agreement to perform and enforce the obligations of such Party with respect to the Ancillary Agreements, and the terms and provisions hereof in any Proceeding, in addition to any other remedy to which such Person may be entitled. Each Party agrees that it will not oppose the granting of specific performance and other equitable relief on the basis that the other Parties have an adequate remedy at Law or that an award of specific performance is not an appropriate remedy for any reason at Law or equity. The Parties acknowledge and agree that any Party seeking an injunction to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement, including to the extent provided herein, to specifically enforce a Party's obligations under this Agreement to perform and enforce the obligations of such Party with respect to the Ancillary Agreements, in accordance with this Section 8.11 shall not be required to provide any bond or other security in connection with any such injunction.

8.12 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties and their permitted assigns and nothing herein expressed or implied shall give or be construed to give any Person, other than the Parties and such permitted assigns, any legal or equitable rights hereunder (other than in respect of the rights of the Company Indemnified Persons pursuant to Section 6.13 and Non-Party Affiliates pursuant to Section 8.14, each of whom is an express third-party beneficiary hereunder to the specific provisions in which such Person is referenced and entitled to enforce only such obligations hereunder).

8.13 Disclosure Letters and Exhibits. The Disclosure Letters and Exhibits attached hereto or referred to in this Agreement are (a) each hereby incorporated in and made a part of this Agreement as if set forth in full herein and (b) qualified in their entirety by reference to specific provisions of this Agreement. Any fact or item disclosed in any Section of a Disclosure Letter shall be deemed disclosed in each other Section of the applicable Disclosure Letter to which such fact or item may apply so long as (i) such other Section is referenced by applicable cross-reference or (ii) it is reasonably apparent on the face of such disclosure that such disclosure is applicable to such other Section or portion of the Disclosure Letter. The headings contained in the Disclosure Letters are for convenience of reference only and shall not be deemed to modify or influence the interpretation of the information contained in the Disclosure Letters or this Agreement. The Disclosure Letters are not intended to constitute, and shall not be construed as, an admission or indication that any such fact or item is required to be disclosed. The Disclosure Letters shall not be deemed to expand in any way the scope or effect of any representations, warranties or covenants described in this Agreement. Any fact or item, including the specification of any dollar amount, disclosed in the Disclosure Letters shall not by reason only of such inclusion be deemed to be material, to establish any standard of materiality or to define further the meaning of such terms for purposes of this Agreement, and matters reflected in the Disclosure Letters are not necessarily limited to matters required by this Agreement to be reflected herein and may be included solely for information purposes; and no Party shall use the fact of the setting of the amounts or the fact of the inclusion of any item in the Disclosure Letters in any dispute or controversy between the Parties as to whether any obligation, item or matter not described or included in the Disclosure Letters is or is not required to be disclosed (including whether the amount or items are required to be disclosed as material or threatened) or is within or outside of the Ordinary Course of Business. No disclosure in the Disclosure Letters relating to any possible breach or violation of any Contract, Law or Order shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. Moreover, in disclosing the information in the Disclosure Letters, the Company does not waive any attorney-client privilege associated with such information or any protection afforded by the work-product doctrine with respect to any of the matters disclosed or discussed therein. The information contained in the Disclosure Letters shall be kept strictly confidential by the Parties and no third party may rely on any information disclosed or set forth therein.

8.14 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement or any Ancillary Agreement or any document, agreement, or instrument delivered contemporaneously herewith, and notwithstanding the fact that any Party may be a corporation, partnership or limited liability company, each Party, by its acceptance of the benefits of this Agreement, on behalf of itself and its applicable Non-Party Affiliates (as defined below) covenants, agrees and acknowledges that no Persons other than the Parties shall have any obligation hereunder and that it has no rights of recovery hereunder against, and no recourse hereunder or under any Ancillary Agreement or any documents, agreements, or instruments delivered contemporaneously herewith or in respect of any oral representations made or alleged to be made in connection herewith or therewith shall be had against, any former, current or future director, officer, agent, Affiliate, manager, assignee, incorporator, controlling Person, fiduciary, representative or employee of any Party (or any of their successors or permitted assignees), against any former, current, or future general or limited partner, manager, stockholder or member of any Party (or any of their successors or permitted assignees) or any Affiliate thereof or against any former, current or future director, officer, agent, employee, Affiliate, manager, assignee, incorporator, controlling Person, fiduciary, representative, general or limited partner, stockholder, manager or member of any of the foregoing, in each case, acting in such capacities, but in no case including the Parties (each, but excluding for the avoidance of doubt, the Parties, a “*Non-Party Affiliate*”), whether by or through attempted piercing of the corporate veil, by or through a claim

(whether at law or in equity, in contract or tort, or otherwise) by or on behalf of such Party against any Non-Party Affiliate, by the enforcement of any assessment or by any Proceeding, or by virtue of any statute, regulation or other applicable Law, or otherwise; it being agreed and acknowledged that no personal Liability whatsoever shall attach to, be imposed on, or otherwise be incurred by any Non-Party Affiliate, as such, for any obligations of the applicable Party under this Agreement or the Transactions, under any Ancillary Agreement, under any documents or instruments delivered contemporaneously herewith, in respect of any oral representations made or alleged to be made in connection herewith or therewith, or for any claim (whether at law or in equity, in contract or tort, or otherwise) based on, in respect of, or by reason of, such obligations or their creation; provided that the foregoing shall not limit the obligations of any Non-Party Affiliate under any Ancillary Agreement or any other documents, agreements, or instruments delivered contemporaneously herewith or otherwise required by this Agreement if such Non-Party Affiliate is party to such Ancillary Agreement or document, agreement or instrument, but only to the extent of the obligations of such Non-Party Affiliate thereunder. Except to the extent otherwise set forth in, and subject in all cases to the terms and conditions of and limitations herein, this Agreement may only be enforced against, and any claim or cause of action of any kind based upon, arising out of, or related to this Agreement, or the negotiation, execution or performance of this Agreement, may only be brought against the entities that are named as Parties hereto and then only with respect to the specific obligations set forth herein with respect to such Party. Each Non-Party Affiliate is intended as a third-party beneficiary of this Section 8.14.

8.15 Legal Representation.

(a) dMY and the Company, on behalf of their respective successors and assigns (including, after the Closing, the Surviving Corporation), hereby agree that, in the event a dispute with respect to this Agreement or the transactions contemplated hereby arises after the Closing between or among (i) the stockholders or holders of other equity interests of the Company and any of their respective directors, members, partners, officers, employees or affiliates (other than the Surviving Corporation) (collectively, the “**Company Group**”), on the one hand, and (y) the Surviving Corporation or any member of the Company Group, on the other hand, any legal counsel, including Cooley LLP (“**Cooley**”), that represented the Company prior to the Closing may represent any member of the Company Group in such dispute even though the interests of such persons may be directly adverse to the Surviving Corporation, and even though such counsel may have represented the Company in a matter substantially related to such dispute, or may be handling ongoing matters for the Surviving Corporation. dMY and the Company, on behalf of their respective successors and assigns (including, after the Closing, the Surviving Corporation) further agree that, as to all legally privileged communications prior to the Closing made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or Proceeding arising out of or relating to, this Agreement, any Ancillary Agreements or the transactions contemplated hereby or thereby between or among the Company or any member of the Company Group, on the one hand, and Cooley, on the other hand, the attorney/client privilege and the expectation of client confidence shall survive the Merger and belong to the Company Group after the Closing, and shall not pass to or be claimed or controlled by the Surviving Corporation. Notwithstanding the foregoing, any privileged communications or information shared by dMY prior to the Closing with the Company under a common interest agreement shall be and remain the privileged communications or information of the Company Group, and not dMY.

(b) dMY and the Company, on behalf of their respective successors and assigns (including, after the Closing, the Surviving Corporation), hereby agree that, in the event a dispute with respect to this Agreement or the transactions contemplated hereby arises after the Closing between or among (i) the Sponsor, the stockholders or holders of other equity interests of dMY or the Sponsor or any of their respective directors, members, partners, officers, employees or affiliates (other than the Surviving Corporation) (collectively, the “**dMY Group**”), on the one hand, and (ii) the Surviving Corporation or any member of the Company Group, on the other hand, any legal counsel, including Cleary Gottlieb Steen & Hamilton LLP (“**Cleary**”), that represented dMY or the Sponsor prior to the Closing may represent the Sponsor or any other member of the dMY Group, in such dispute even though the interests of such persons may be directly adverse to dMY, the Surviving Corporation, and even though such counsel may have represented dMY in a matter substantially related to such dispute, or may be handling ongoing matters for dMY, the Surviving Corporation or the Sponsor. dMY and the Company, on behalf of their respective successors and assigns (including, after the Closing, the Surviving Corporation), further agree that, as to all legally privileged communications prior to the Closing made in connection with the negotiation, preparation, execution, delivery and performance under, or any dispute or Proceeding arising out of or relating to, this Agreement, any Ancillary Agreements or the transactions contemplated hereby or thereby between or among dMY, the Sponsor or any other member of the dMY Group, on the one hand, and Cleary, on the other hand, the attorney/client privilege and the expectation of client confidence shall survive the Mergers and belong to the dMY Group after the Closing, and shall not pass to or be claimed or controlled by dMY following the Closing, the Surviving Corporation. Notwithstanding the foregoing, any privileged communications or information shared by the Company prior to the Closing with dMY or the Sponsor under a common interest agreement shall remain the privileged communications or information of the Surviving Corporation, and not the dMY Group.

8.16 Acknowledgements.

(a) Company. The Company specifically acknowledges and agrees to dMY’s disclaimer of any representations or warranties other than the Definitive dMY Representations, whether made by dMY or any of its Affiliates or representatives, and of all Liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to the Company and its Affiliates or representatives (including any opinion, information, projection, or advice that may have been or may be provided to the Company or its Affiliates or representatives by either dMY or the Sponsor or any of their respective Affiliates or representatives), other than the Definitive dMY Representations. The Company specifically acknowledges and agrees that, without limiting the generality of this Section 8.16, neither dMY nor the Sponsor nor any of their respective Affiliates or representatives has made any representation or warranty with respect to any projections or other future forecasts. The Company specifically acknowledges and agrees that except for the Definitive dMY Representations, neither dMY nor Merger Sub makes, nor has dMY or Merger Sub made, any other express or implied representation or warranty with respect to dMY or Merger Sub, their assets or Liabilities, the businesses of dMY or Merger Sub or the transactions contemplated by this Agreement or the Ancillary Agreements. The Company specifically disclaims that it is relying upon or has relied upon any representations or warranties other than the Definitive dMY Representations.

(b) dMY and Merger Sub. Each of dMY and Merger Sub specifically acknowledges and agrees to the Company's disclaimer of any representations or warranties other than the Definitive Company Representations, whether made by the Company or any of its Affiliates or representatives, and of all Liability and responsibility for any representation, warranty, projection, forecast, statement, or information made, communicated, or furnished (orally or in writing) to dMY, the Sponsor, their Affiliates or representatives (including any opinion, information, projection, or advice that may have been or may be provided to dMY, the Sponsor, their Affiliates or representatives by the Company or any of its Affiliates or representatives), other than the Definitive Company Representations. Each of dMY and Merger Sub specifically acknowledges and agrees that, without limiting the generality of this Section 8.16, neither the Company nor any of its Affiliates or representatives has made any representation or warranty with respect to any projections or other future forecasts. Each of dMY and Merger Sub specifically acknowledges and agrees that except for the Definitive Company Representations, the Company does not make, nor has the Company made, any other express or implied representation or warranty with respect to the Company, its assets or Liabilities, the business of the Company or the transactions contemplated by this Agreement or the Ancillary Agreements. Each of dMY and Merger Sub specifically disclaims that it is relying upon or has relied upon any representations or warranties other than the Definitive Company Representations.

8.17 Equitable Adjustments. If, during the Pre-Closing Period, other than with respect to the dMY Pre-Closing Conversion, the outstanding shares of dMY Class A Common Stock or dMY Class B Common Stock shall have been changed into a different number of shares or a different class (with the prior written consent of the Company, to the extent required by this Agreement) by reason of any stock dividend, share capitalization, subdivision, reclassification, recapitalization, split, combination, consolidation or exchange of shares, or any similar event shall have occurred, then any number or amount contained in this Agreement which is based upon the number of shares of dMY Class A Common Stock or dMY Class B Common Stock will be appropriately adjusted to provide to the Pre-Closing Holders and dMY Stockholders the same economic effect as contemplated by this Agreement prior to such event; provided, that, for the avoidance of doubt, no equitable adjustment shall apply with respect to the dMY Pre-Closing Conversion which modifies the ratio of conversion of the dMY Class B Common Stock to dMY Class A Common Stock (other than such modifications solely to provide to the dMY Class B Common Stock the same economic effect as contemplated by this Agreement prior to such event). If, during the Pre-Closing Period, other than with respect to the Pre-Closing Conversion, the outstanding shares of the Company shall have been changed into a different number of shares or a different class (with the prior written consent of dMY to the extent required by this Agreement) by reason of any stock dividend, share capitalization, subdivision, reclassification, recapitalization, split, combination, consolidation or exchange of shares, or any similar event shall have occurred, then any number or amount contained in this Agreement which is based upon the number of shares of the Company will be appropriately adjusted to provide to the Pre-Closing Holders and dMY Stockholders the same economic effect as contemplated by this Agreement prior to such event.

SUBSCRIPTION AGREEMENT**[Financial Investors]**

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on March 7, 2021, by and between dMY Technology Group, Inc. III (the “Company”), a Delaware corporation, and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with IonQ, Inc., a Delaware corporation (“IonQ”), and the other parties thereto, in substantially the form previously provided to Subscriber, providing for the combination of the Company and IonQ (as may be amended or supplemented from time to time, the “Transaction Agreement,” and the transactions contemplated by the Transaction Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Shares” or “Class A common stock”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company at or prior to the Closing Date (as defined herein); and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of up to 35,000,000 Shares, at the Per Share Price.

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1 Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2 Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to or substantially concurrently with, but in any event not after, the consummation of the Transaction, and conditioned upon the satisfaction of the other conditions set forth in this Section 2.

(b) At least five (5) Business Days before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than one (1) Business Days prior to the Closing Date, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is reasonably requested in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person in whose name the Subscribed Shares are to be issued and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that (i) the Company does not accept the subscription or (ii) the consummation of the Transaction does not occur within five (5) Business Days after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than seven (7) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 7 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in escrow following the Company’s delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or any other day on which the Federal Reserve Bank of New York is closed. Any funds held in escrow by the Company will be uninvested, and the Subscriber shall not be entitled to any interest earned thereon.

(c) The Closing shall be subject to the satisfaction, or valid waiver in writing by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) no suspension of the qualification of the Class A common stock for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred, and the Subscribed Shares shall be approved for listing on the Stock Exchange (as defined below);
- (ii) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Company’s stockholders, shall have been satisfied (as determined by the parties to the Transaction Agreement) or waived (other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction pursuant to the Transaction Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with or immediately following the Closing; and

- (iii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver in writing by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at signing and at and as of the Closing Date (except for those representations and warranties that speak as of a specified earlier date, in which case, as of such specified earlier date); and
- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver in writing by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at signing and at and as of the Closing Date (except for those representations and warranties that speak as of a specified earlier date, in which case, as of such specified earlier date);
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing; and
- (iii) the terms of the Transaction Agreement (including the conditions thereto) shall not have been amended or waived in a manner that is materially adverse to the Subscriber (in its capacity as such).

Section 3 Company Representations and Warranties. The Company represents and warrants to Subscriber and the Placement Agents (as defined below) that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of Delaware, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a “Company Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, general affairs, management, financial position, stockholders’ equity, or results of operations of the Company and its subsidiaries taken as a whole, or on the Company’s ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

(b) As of the Closing Date, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and, when issued, will be free and clear of all liens or other restrictions (other than those arising under this Subscription Agreement, the organizational documents of the Company or applicable securities laws) and will not have been issued in violation or subject to of any preemptive or similar rights created under the Company’s organizational documents (as adopted on or prior to the Closing Date), by contract or the laws of its jurisdiction of incorporation.

(c) This Subscription Agreement has been duly authorized, validly executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of Subscriber, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) the organizational documents of the Company or any of its subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(e) Assuming the accuracy of the representations and warranties of Subscriber, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including New York Stock Exchange (the “Stock Exchange”)) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the United States Securities and Exchange Commission (“Commission”) under Regulation D of the Securities Act of 1933, as amended (the “Securities Act”), if applicable, (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, (v) those required to consummate the Transaction as provided under the Transaction Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

(f) As of their respective dates, all reports (the “SEC Reports”) required to be filed by the Company with the Commission complied in all material respects with the applicable requirements of the Securities Act and/or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The Company has taken no action that is designed to terminate the registration of the Shares under the Exchange Act.

(l) There are no securities or instruments issued by or to which the Company is party containing anti-dilution or similar provisions that will be triggered by the issuance of (i) the Subscribed Shares or (ii) the Class A common stock of the Company to be issued pursuant to any Other Subscription Agreement, in each case, that have not been or will not be validly waived on or prior to the Closing Date.

(m) As of the date hereof, the authorized capital stock of the Company consists of (i) 380,000,000 shares of Class A common stock, (ii) 20,000,000 shares of Class B common stock (the "Class B common stock", together with the Class A common stock, the "common stock"), and (iii) 1,000,000 preferred shares, par value \$0.0001 per share (the "Preferred Shares"). (n) Other than the Other Subscription Agreements, the Transaction Agreement and any other agreement contemplated by the Transaction Agreement, the Company has not entered into any side letter or similar agreement with any Other Subscriber or any other investor in connection with such Other Subscriber's or investor's direct or indirect investment in the Company (other than any side letter or similar agreement relating to the transfer to any investor of (i) securities of

Section 4 Subscriber Representations and Warranties. Subscriber represents and warrants to the Company and the Placement Agents that:

(a) Subscriber (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) Assuming the accuracy of the representations and warranties of the Company, the execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which

Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

Subscriber is an “institutional account” as defined by FINRA Rule 4512(c).

(e) Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the applicable states and other jurisdictions of the United States, and that any certificates or book entry records representing the Subscribed Shares shall contain a restrictive legend to such effect. The Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act until at least one year from the filing of “Form 10 information” with the Commission after the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company and the Transaction (including IonQ and its subsidiaries (collectively, the “Acquired Companies”)). Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned’s professional advisor (s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Without limiting the generality of the foregoing, the Subscriber acknowledges that it has had the opportunity to review the Company’s filings with the Commission. Subscriber acknowledges and agrees that none of the Placement Agents, or any affiliate of the Placement Agents, has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the Acquired Companies or the quality or value of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber agrees that none of the Placement Agents shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber’s purchase of the Subscribed Shares.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company and/or IonQ, or their respective representatives or affiliates, or by means of contact from the Placement Agents and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company and/or IonQ, or their respective affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

(j) Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

(k) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

(l) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. Subscriber is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a "Shell Bank") or providing banking services to a Shell Bank. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the "BSA/PATRIOT Act"), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Subscriber against Sanctions-related lists of blocked or restricted persons. Subscriber further represents and warrants that (a) the funds held by Subscriber and used to purchase the Subscribed Shares were not directly or indirectly derived from or related to any activities that may contravene U.S. federal, state or non-U.S. anti-money laundering, anti-corruption or Sanctions laws and regulations or activities that may otherwise be deemed criminal and (b) any returns from the Subscriber's investment will not be used to finance any illegal activities. For purposes of this Agreement, "Sanctioned Person" means at any time any person or entity with whom dealings are restricted, prohibited, or sanctionable under any Sanctions (as defined below), including as a result of being: (a) listed on any Sanctions-related list of designated or blocked or restricted persons; (b) that is a national of, the government of, or any agency or instrumentality of the government of, or resident in, or organized under the laws of, a country or territory that is the target of comprehensive Sanctions from time to time (as of the date of this Agreement, Cuba, Iran, North Korea, Syria, and the Crimea region); or (c) a relationship of ownership, control, or agency with any of the foregoing. "Sanctions" means those trade, economic and financial sanctions laws, regulations, embargoes, and restrictive measures (in each case having the force of law) administered, enacted or enforced from time to time by (a) the United States (including without limitation the U.S. Department of the Treasury, Office of Foreign Assets Control, the U.S. Department of State, and the U.S. Department of Commerce), (b) the European Union and enforced by its member states, (c) the United Nations and (d) the United Kingdom.

(m) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a person or entity resident in, or whose funds used to purchase the Subscribed Shares are transferred from or through, a country, territory or entity that (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a “Non-cooperative Jurisdiction”), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

(n) Subscriber does not have, as of the date hereof any “put equivalent position” as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale (as defined below) positions with respect to the securities of the Company. Notwithstanding the foregoing, (i) in the case of a Subscriber that has other entities under common management with Subscriber that have no knowledge of the Subscription Agreement or of Subscriber’s participation in the Transaction (including Subscriber’s affiliates), the representation set forth above shall not apply to such other entities and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber’s assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

(o) Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) acting for the purpose of acquiring, holding, voting or disposing of equity securities of the Company or IonQ (within the meaning of Rule 13d-5(b)(1) under the Exchange Act); provided, that, this Section 4(o) will not apply to a group consisting only of Subscriber and its affiliates.

(p) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates, including dMY Sponsor III, LLC (the “Transaction Parties”), has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(q) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(r) Subscriber has not entered into any agreements or arrangement entitling any agent, broker, investment banker, financial advisor or other person to any broker's or finder's fee or any other commission or similar fee in connection with the issuance and sale of the Subscribed Shares for which the Company could become liable for.

(s) Subscriber agrees that the Placement Agents may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

Section 5 Registration of Subscribed Shares.

(a) The Company agrees that, prior to or at the Closing Date (the "Filing Date"), the Company will submit to or file with the Commission (at the Company's sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the "Registration Statement") and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (and in any event, no later than thirty (30) calendar days following the Filing Date) (the "Effectiveness Deadline"); provided that the Effectiveness Deadline shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be "reviewed" or subject to further review, the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. Any failure by the Company to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this Section 5. The Company will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment other than with respect to the accuracy of the information concerning the Subscriber included therein) at least two (2) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber's review. In no event shall the undersigned be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the option, in its sole and absolute discretion, to either (i) have the opportunity to withdraw from the Registration Statement upon its prompt written request to the Company, in which case the Company's obligation to register the Subscribed Shares will be deemed satisfied or (ii) be included as such in the Registration Statement. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission.

In such event, the number of Subscribed Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced *pro rata* among all such selling stockholders. The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Company will use commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two (2) years from the issuance of the Subscribed Shares, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which the undersigned can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 of the Securities Act without limitation as to the manner of sale or the amount of such securities that may be sold and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) (or Rule 144(i)(2), if applicable). For purposes of this Section 5, (x) the term “Holder” shall mean Subscriber or any affiliate of Subscriber to which the rights under this Section 5 shall have been assigned; and (y) the term “Subscribed Shares” shall mean the Subscribed Shares and any other equity security of the Company issued or issuable with respect to the Subscribed Shares by way of share split, dividend, distribution, recapitalization, merger, exchange, replacement or similar event or otherwise. For as long as the Registration Statement shall remain effective pursuant to the immediately preceding sentence, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 of the Securities Act (when Rule 144 of the Securities Act becomes available to the Company), as applicable, qualify the Subscribed Shares for listing on the applicable stock exchange on which the Company’s Shares are then listed, and update or amend the Registration Statement as necessary to include the Subscribed Shares. For as long as Subscriber holds the Subscribed Shares, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to Rule 144 of the Securities Act (when Rule 144 of the Securities Act becomes available to the Company). The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934 (as amended, the “Exchange Act”), of Subscribed Shares to the Company (or its successor) upon request to assist the Company in making the determination described above. The Company’s obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder; provided, that, Subscriber shall not in connection with the foregoing be required to execute any lock-up or similar agreement or otherwise be subject to any contractual restriction on the ability to transfer the Subscribed Shares. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. The Company shall, at its expense: (i) advise the undersigned within two business days: (A) when a Registration Statement or any amendment

thereto has been filed with the Commission and when such Registration Statement or any post-effective amendment thereto has become effective; (B) of the issuance by the Commission of any stop order suspending the effectiveness of any Registration Statement or the initiation of any proceedings for such purpose; (C) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Shares included therein for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and (D) subject to the provisions in this Subscription Agreement, of the occurrence of any event that requires the making of any changes in any Registration Statement or prospectus so that, as of such date, the statements therein are not misleading and do not omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of a prospectus, in the light of the circumstances under which they were made) not misleading. Notwithstanding anything to the contrary set forth herein, the Company shall not, when so advising the undersigned of such events, provide the undersigned with any material, nonpublic information regarding the Company other than to the extent that providing notice to the undersigned of the occurrence of the events listed in (A) through (D) above constitutes material, nonpublic information regarding the Company. The Company shall, at its expense, (1) use its commercially reasonable efforts to obtain the withdrawal of any order suspending the effectiveness of any Registration Statement as promptly as reasonably practicable; (2) upon the occurrence of any event contemplated in Section 5(b)(i), except for such times as the Company is permitted hereunder to suspend, and has suspended, the use of a prospectus forming part of a Registration Statement, the Company shall use its commercially reasonable efforts to as promptly as reasonably practicable prepare a post-effective amendment to such Registration Statement or a supplement to the related prospectus, or file any other required document so that, as thereafter delivered to purchasers of the Shares included therein, such prospectus will not include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (3) use its commercially reasonable efforts to take all other steps necessary to effect the registration of the Shares contemplated hereby. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a “Suspension Event”); provided, that, (x) the Company shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions for a period of more than sixty (60) consecutive days each or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360) day period and (y) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case

of the prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the undersigned will deliver to the Company or, in the undersigned's sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in the undersigned's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (w) to the extent the undersigned is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up.

(c)

- (i) The Company agrees to indemnify, to the extent permitted by law, Subscriber (to the extent a seller under the Registration Statement), its directors and officers, employees, advisers and agents, and each person who controls Subscriber (within the meaning of the Securities Act), to the extent permitted by law, against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including reasonable and documented attorneys' fees of one law firm (plus the fees of any local counsel)) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement ("Prospectus") or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by or on behalf of the Subscriber expressly for use therein.
- (ii) In connection with any Registration Statement in which Subscriber is participating, the Subscriber shall furnish (or cause to be furnished) to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers, employees, advisers and agents, and each person or entity who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable and documented outside attorneys' fees) resulting from any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, Prospectus or preliminary Prospectus

or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained (or not contained in, in the case of an omission) in any information or affidavit so furnished in writing by or on behalf of Subscriber expressly for use therein; provided, however, that the liability of the Subscriber shall be several and not joint with any Other Subscribers and shall be limited to the net proceeds received by the Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation.

- (iii) Any person or entity entitled to indemnification herein shall (A) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (B) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties or separate defenses may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, delayed or conditioned). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (plus any local counsel) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.
- (iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of the Subscribed Shares purchased pursuant to this Subscription Agreement.

- (v) If the indemnification provided under this Section 5(c) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of the Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), or on behalf of, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5(c)(i), (ii) and (iii) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5(c)(v) from any person or entity who was not guilty of such fraudulent misrepresentation. Notwithstanding anything to the contrary herein, in no event will any party be liable for consequential, special, exemplary or punitive damages in connection with this Subscription Agreement.

(d) If the Subscribed Shares acquired hereunder are eligible to be sold without restriction under, and without the requirement for the Company to be in compliance with the current public information requirements of, Rule 144 under the Securities Act, then at the Holder' request, the Company will reasonably cooperate with the Company's transfer agent, such that any remaining restrictive legend set forth on such Subscribed Shares will be removed in connection with a sale of such shares. Further, the Company shall cause the removal of any legend from the book entry position evidencing the Subscribed Shares sold pursuant to an effective resale registration statement within three (3) Business Days of request and shall cause its counsel, or counsel acceptable to its transfer agent, to issue to the transfer agent a legal opinion in connection therewith, subject to receipt by the Company and its transfer agent of customary representations and other documentation in connection therewith. The Company shall be responsible for the fees of its transfer agent associated with such issuance.

Section 6 Short Sales. Subscriber hereby agrees that, from the date of this Subscription Agreement until the earlier of the Closing or the termination of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Company prior to the Closing. For purposes of this Section 6, “Short Sales” shall include, without limitation, all “short sales” as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, long puts, short calls, short swaps and similar arrangements (including on a total return basis), including through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing herein shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber’s participation in the Transaction (including Subscriber’s controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber’s assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber’s assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

Section 7 Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the parties hereto to terminate this Subscription Agreement; (c) if, on the Closing Date of the Transaction, any of the conditions to Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated or (d) the Outside Date (as defined in the Transaction Agreement as in effect on the date hereof), if the Closing has not occurred by such date other than as a result of a breach of Subscriber’s obligations hereunder (the termination events described in clauses (a)-(d) above, collectively, the “Termination Events”); *provided*, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 7, this Subscription Agreement shall be void and of no further effect and any portion of the Purchase Price paid by the Subscriber to Company in connection herewith shall promptly (and in any event within one (1) business day) following the Termination Event be returned to the Subscriber.

Section 8 Trust Account Waiver. Subscriber hereby acknowledges that the Company has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company’s public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber

hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Released Claims”), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (c) will not seek recourse against the Trust Account for any reason whatsoever; provided, however, that nothing in this Section 8 shall be deemed to limit any Subscriber’s right to distributions from the Trust Account in accordance with the Company’s amended and restated certificate of incorporation in respect of shares of Class A common stock of the Company acquired by any means other than pursuant to this Subscription Agreement, including, but not limited to, any redemption right with respect to any such Class A common stock of the Company.

Section 9 Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, on the date of transmission to such recipient; provided, that such notice, request, demand, claim or other communication is also sent to the recipient pursuant to clauses (i), (iii) or (iv) of this Section 9(a), (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 9(a). A courtesy electronic copy of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 9(a).

(b) Subscriber acknowledges that the Company will rely on the acknowledgments, understandings, agreements, representations and warranties of Subscriber contained in this Subscription Agreement and that the Placement Agents will rely on the representations and warranties of Subscriber set forth in Section 4 of this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company, and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. Subscriber acknowledges and agrees that each purchase by Subscriber of Subscribed Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by Subscriber as of the time of such purchase. The Company acknowledges that Subscriber will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

(c) Each of the Company, IonQ, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. Subscriber acknowledges and agrees that the Placement Agents are third-party beneficiaries of the representations and warranties of the Subscriber set forth in Section 4 of this Subscription Agreement. The Company acknowledges and agrees that the Placement Agents are third-party beneficiaries of the acknowledgments, representations, warranties and covenants of the Company contained in this Subscription Agreement.

(d) Each party shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates, to other investment funds or accounts managed or advised by the investment manager who acts on behalf of Subscriber or any affiliate), or, with the Company's prior written consent, to another person, provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing. For the avoidance of doubt, if for any reason the Closing does not occur prior to the consummation of the Transaction, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transaction and remain in full force and effect until the termination of this Subscription Agreement in accordance herewith.

(g) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares and to register the Subscribed Shares for resale, and Subscriber shall provide such information as may be reasonably requested. Subscriber acknowledges that, subject to the conditions set forth in Section 9(t), the Company may file a copy of this Subscription Agreement with the Commission as an exhibit to a periodic report of the Company or a registration statement of the Company.

(h) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(i) This Subscription Agreement and any written non-disclosure agreement entered into between the parties hereto constitute the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(j) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 5(c), Section 9(b), Section 9(c) and this Section 9(j) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(k) The parties hereto acknowledge and agree that (i) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Transaction Agreement and (ii) irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto further acknowledge and agree: (x) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 9(k) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any proceeding for which the Company is being granted an award of money damages, the Subscriber agrees that such damages shall include, without limitation, damages related to the consideration that is or was to be paid to IonQ under the Transaction Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Transaction Agreement and this Subscription Agreement.

(l) In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

(m) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(n) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail (including .pdf or any electronic signature complying with the U.S. federal ESIGN Act of 2000, e.g. www.docuSign.com)) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(p) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

(q) EACH PARTY AND ANY PERSON IDENTIFIED AS A THIRD PARTY BENEFICIARY HEREUNDER HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(r) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the United States District Court for the Southern District of New York, the Supreme Court of the State of New York and the federal courts of the United States of America located in the State of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 9(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

(s) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties or third party beneficiaries hereto and then only with respect to the specific obligations set forth herein with respect to such party or third party beneficiary. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(t) Notwithstanding anything in this Subscription Agreement to the contrary, the Company shall not publicly disclose the name of Subscriber, its investment adviser or any of their respective affiliates, Subscriber’s beneficial ownership of the Subscribed Shares or the nature of Subscriber’s commitments, arrangements and understanding under and relating to this Subscription Agreement in any press release issued by the Company, any Form 8-K filed by the Company with the Commission in connection with the execution and delivery of the Transaction Agreement or the transactions contemplated thereby and the Registration Statement (as defined in the Transaction Agreement), except to the extent required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby or with Subscriber’s consent; provided, however, that the Company shall provide Subscriber with prior written notice of any such disclosure required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby and shall reasonably consult with Subscriber regarding such disclosure. Subscriber will promptly provide any information reasonably requested by the Company or IonQ for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission). The Company has disclosed to Subscriber certain non-public information regarding the Transaction, including the material terms of the transactions contemplated hereby (and by the Other Subscription Agreements), and Subscriber acknowledges its agreement to treat such information confidentially until the issuance of the Disclosure

Document. In accordance therewith, the Company shall, by 9:30 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K (the “Disclosure Document”) disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby and by the Other Subscription Agreements, the Transaction and any other material, nonpublic information that the Company has provided to Subscriber at any time prior to the filing of the Disclosure Document. Upon the issuance of the Disclosure Document, to the Company’s knowledge, Subscriber shall not be in possession of any material, non-public information received from the Company or any of its officers, directors, or employees or agents, and Subscriber shall no longer be subject to any confidentiality or similar obligations under any current agreement, whether written or oral with Company or any of its affiliates in connection with the Transaction.

(u) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, IonQ or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and Other Subscribers or other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Subscriber and Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

(v) If any change in the Shares shall occur between the date hereof and immediately prior to the Closing by reason of any reclassification, recapitalization, stock split (including reverse stock split) or combination, exchange or readjustment of shares, or any stock dividend, the number and type of Subscribed Shares issued to the Subscriber and the Purchase Price shall be appropriately adjusted to reflect such change.

SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on March 7, 2021, by and between dMY Technology Group, Inc. III (the “Company”), a Delaware corporation, and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with IonQ, Inc., a Delaware corporation (“IonQ”), and the other parties thereto, in substantially the form previously provided to Subscriber, providing for the combination of the Company and IonQ (as may be amended or supplemented from time to time, the “Transaction Agreement,” and the transactions contemplated by the Transaction Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Shares” or the “Class A common stock”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company at or prior to the Closing Date (as defined herein); and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of up to 35,000,000 Shares, at the Per Share Price (the shares of the Other Subscribers, the “Other Subscribed Shares” and together with the Subscribed Shares, the “Collective Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1 Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2 Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to or substantially concurrently with, but in any event not after, the consummation of the Transaction.

(b) At least seven (7) Business Days before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than one (1) Business Days prior to the Closing Date, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is required in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person in whose name the Subscribed Shares are to be issued and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that (i) the Company does not accept the subscription or (ii) the consummation of the Transaction does not occur within five (5) Business Days after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than six (6) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 7 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in escrow following the Company’s delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or any other day on which the Federal Reserve Bank of New York is closed. Any funds held in escrow by the Company will be uninvested, and the Subscriber shall not be entitled to any interest earned thereon.

(c) The Closing shall be subject to the satisfaction, or valid waiver by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) no suspension of the qualification of the Subscribed Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;
- (ii) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Company’s stockholders, shall have been satisfied (as determined by the parties to the Transaction Agreement) or waived (other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction pursuant to the Transaction Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with or immediately following the Closing; and

- (iii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date; and
- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date;
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing;
- (iii) the terms of the Transaction Agreement (including the conditions thereto) shall not have been amended or waived in a manner that is materially adverse to the Subscriber (in its capacity as such); and
- (iv) no suspension of the qualification of the Class A common stock for offering or sale or trading in any jurisdiction, and the Subscribed Shares shall have been approved for listing on the New York Stock Exchange (“NYSE” or the “Stock Exchange”), subject to official notice of issuance; provided, that the Subscribed Shares will not be eligible for trading on NYSE until such time as the Registration Statement (as defined below) is effective or when Rule 144 (as amended, “Rule 144”) of the Securities Act of 1933 (as amended, the “Securities Act”) becomes available to Subscriber.

Section 3 Company Representations and Warranties. The Company represents and warrants to Subscriber and the Placement Agents that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a “Company Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, general affairs, management, financial position, stockholders’ equity, or results of operations of the Company and its subsidiaries taken as a whole, or on the Company’s ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

(b) As of the Closing Date, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and will not have been issued in violation of any preemptive or similar rights created under the Company’s organizational documents (as adopted on or prior to the Closing Date), by contract or the laws of its jurisdiction of incorporation.

(c) This Subscription Agreement has been duly authorized, validly executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of Subscriber, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) the organizational documents of the Company or any of its subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(e) Assuming the accuracy of the representations and warranties of Subscriber, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including NYSE) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the United States Securities and Exchange Commission ("Commission") under Regulation D of the Securities Act, if applicable, (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, (v) those required to consummate the Transaction as provided under the Transaction Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

(f) As of their respective dates, all reports (the "SEC Reports") required to be filed by the Company with the Commission complied in all material respects with the applicable requirements of the Securities Act and/or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. A copy of each SEC Report is available to the Subscriber via the Commission's EDGAR system. The Company has timely filed each report, statement, schedule, prospectus, and registration statement that the Company was required to file with the Commission since its initial registration of the Shares with the Commission. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect, there is no (i) suit, action, claim or other proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its subsidiaries or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its subsidiaries.

(h) Assuming the accuracy of Subscriber's representations and warranties set forth in Section 4 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Subscribed Shares by the Company to Subscriber.

(i) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares.

(j) Except for Goldman Sachs & Co. LLC and Morgan Stanley & Co. LLC (the "Placement Agents"), no broker or finder is entitled to any brokerage or finder's fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(k) As of the date hereof, the shares of the Company's Class A common stock are registered pursuant to Section 12(b) of the Securities Exchange Act, and are listed for trading on the NYSE under the symbol "DMYL." There is no suit, action, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by NYSE or the Commission with respect to any intention by such entity to deregister the Shares or prohibit or terminate the listing of the Shares on NYSE. The Company has taken no action that is designed to terminate the registration of the Shares under the Exchange Act.

(l) As at the date hereof, and as of immediately prior to the Closing, the authorized capital stock of the Company is and will consist of: (i) 380,000,000 shares of Class A common stock, par value \$0.0001 per share ("Authorized Class A Shares") (ii) 20,000,000 shares of Class B common stock, par value \$0.0001 per share (the "Class B common stock") ("Authorized Class B Shares"); and (iii) 1,000,000 shares of preferred stock, par value \$0.0001 per share (the "Preferred Shares") ("Authorized Preferred Shares"). As of the date hereof, and as of immediately prior to the completion of the Transaction (prior to giving effect to (x) any redemption of any Class A common stock held by the Company's public shareholders in connection with the consummation of the Transaction and (y) the issuance of the Collective Subscribed Shares): (i) no Preferred Shares are and will be issued and outstanding; (ii) 30,000,000 Authorized Class A Shares are and will be issued and outstanding; (iii) 7,500,000 Authorized Class B Shares are and will be issued and outstanding; (iv) 4,000,000 private placement warrants (the "Private Placement Warrants") are and will be outstanding; and (v) 7,500,000 public warrants (the "Public Warrants") are and will be outstanding. All (i) issued and outstanding shares of Class A common stock and Authorized Class B Shares have been duly authorized and validly issued, are fully paid and are non-assessable and are not subject to preemptive rights and (ii) outstanding Private Placement Warrants and Public Warrants have been duly authorized and validly issued, are fully paid and are not subject to preemptive rights. Except as set forth above and pursuant to any Other Subscription Agreements and the Transaction Agreement, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from the Company any shares of Class A common stock or Class B common stock, or any other equity interests in the Company, or securities convertible into or exchangeable or exercisable for such equity interests. Other than the Merger Sub (as defined in the Transaction Agreement), the Company has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated or unincorporated. There are no stockholder agreements, voting trusts or other agreements or understandings to which the Company is a party or by which it is bound relating to the voting of any securities of the Company, other than (A) as set forth in the SEC Reports and (B) as contemplated by the Transaction Agreement and the Ancillary Agreements (as defined in the Transaction Agreement).

Section 4 Subscriber Representations and Warranties. Subscriber represents and warrants to the Company and the Placement Agents that:

(a) Subscriber (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act), in each case, satisfying the applicable requirements set forth on Annex A, (ii) is acquiring the Subscribed Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto). Subscriber is an “institutional account” as defined by FINRA Rule 4512(c).

(e) Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the applicable states and other jurisdictions of the United States, and that any certificates or book entry records representing the Subscribed Shares shall contain a restrictive legend to such effect. The Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 until at least one year from the filing of “Form 10 information” with the Commission after the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company and the Transaction (including IonQ and its subsidiaries (collectively, the “Acquired Companies”). Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned’s professional advisor (s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Without limiting the generality of the foregoing, the Subscriber acknowledges that it has reviewed the Company’s filings with the Commission. Subscriber acknowledges and agrees that none of the Placement Agents, or any affiliate of the Placement Agents, has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the Acquired Companies or the quality or value

of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber agrees that none of the Placement Agents shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber's purchase of the Subscribed Shares.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company and/or IonQ, or their respective representatives or affiliates, or by means of contact from the Placement Agents and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company and/or IonQ, or their respective affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

(j) Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

(k) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

(l) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. Subscriber is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a "Shell Bank") or providing banking services to a Shell Bank. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the "BSA/PATRIOT Act"), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Subscriber against Sanctions-related lists of

blocked or restricted persons. Subscriber further represents and warrants that (a) the funds held by Subscriber and used to purchase the Subscribed Shares were not directly or indirectly derived from or related to any activities that may contravene U.S. federal, state or non-U.S. anti-money laundering, anti-corruption or Sanctions laws and regulations or activities that may otherwise be deemed criminal and (b) any returns from the Subscriber's investment will not be used to finance any illegal activities. For purposes of this Agreement, "Sanctioned Person" means at any time any person or entity with whom dealings are restricted, prohibited, or sanctionable under any Sanctions (as defined below), including as a result of being: (a) listed on any Sanctions-related list of designated or blocked or restricted persons; (b) that is a national of, the government of, or any agency or instrumentality of the government of, or resident in, or organized under the laws of, a country or territory that is the target of comprehensive Sanctions from time to time (as of the date of this Agreement, Cuba, Iran, North Korea, Syria, and the Crimea region); or (c) a relationship of ownership, control, or agency with any of the foregoing. "Sanctions" means those trade, economic and financial sanctions laws, regulations, embargoes, and restrictive measures (in each case having the force of law) administered, enacted or enforced from time to time by (a) the United States (including without limitation the U.S. Department of the Treasury, Office of Foreign Assets Control, the U.S. Department of State, and the U.S. Department of Commerce), (b) the European Union and enforced by its member states, (c) the United Nations and (d) the United Kingdom.

(m) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a person or entity resident in, or whose funds used to purchase the Subscribed Shares are transferred from or through, a country, territory or entity that (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a "Non-cooperative Jurisdiction"), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

(n) Subscriber does not have, as of the date hereof, and during the 30-day period immediately prior to the date hereof such Subscriber has not entered into, any "put equivalent position" as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale positions with respect to the securities of the Company or IonQ. Notwithstanding the foregoing, in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Agreement.

(o) Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) including any group acting for the purpose of acquiring, holding, voting or disposing of equity securities of the Company or IonQ (within the meaning of Rule 13d-5(b)(1) under the Exchange Act), other than a group consisting solely of Subscriber and its affiliates (as defined in Rule 405 of the Securities Act).

(p) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates, including dMY Sponsor III, LLC (the “Transaction Parties”), has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(q) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(r) Except for the Placement Agents, no broker or finder is entitled to any brokerage or finder’s fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(s) Subscriber agrees that the Placement Agents may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

Section 5 Registration of Subscribed Shares.

(a) The Company agrees that, within fifteen (15) Business Days after the Closing Date (the “Filing Date”), the Company will submit to or file with the Commission (at the Company’s sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the “Registration Statement”) and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (and in any event, no later than thirty (30) calendar days following the Filing Date) (the “Effectiveness Deadline”), provided, that the Effectiveness Deadline shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be “reviewed” or subject to further review, the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. Any failure

by the Company to file the Registration Statement by the Closing Date or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this Section 5. The Company will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment) at least 2 (two) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber's review. In no event shall the undersigned be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission. In such event, the number of Subscribed Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced *pro rata* among all such selling stockholders. The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Company will use commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two (2) years from the issuance of the Subscribed Shares, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which the undersigned can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 without limitation as to the manner of sale or the amount of such securities that may be sold. For as long as the Registration Statement shall remain effective pursuant to the immediately preceding sentence, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 (when Rule 144 becomes available to the Company), as applicable, qualify the Subscribed Shares for listing on the applicable stock exchange on which the Company's Shares are then listed, and update or amend the Registration Statement as necessary to include the Subscribed Shares. The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Exchange Act, of Subscribed Shares to the Company (or its successor) upon request to assist the Company in making the determination described above. The Company's obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall

not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a “Suspension Event”); provided, that, (x) the Company shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions for a period of more than sixty (60) consecutive days each or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360) day period and (y) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the undersigned will deliver to the Company or, in the undersigned’s sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in the undersigned’s possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (x) to the extent the undersigned is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (y) to copies stored electronically on archival servers as a result of automatic data back-up.

(c)

- (i) The Company agrees to indemnify, to the extent permitted by law, the Subscriber (to the extent a seller under the Registration Statement), its directors and officers, employees and agents, and each person who controls the Subscriber (within the meaning of the Securities Act), to the extent permitted by law, against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including reasonable and documented attorneys’ fees of one law firm (plus the fees of any local counsel)) caused by

any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement (“Prospectus”) or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by or on behalf of the Subscriber expressly for use therein.

- (ii) In connection with any Registration Statement in which the Subscriber is participating, the Subscriber shall furnish (or cause to be furnished) to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers, employees and agents, and each person or entity who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable and documented outside attorneys’ fees) resulting from any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained (or not contained in, in the case of an omission) in any information or affidavit so furnished in writing by or on behalf of the Subscriber expressly for use therein; provided, however, that the liability of the Subscriber shall be several and not joint with any Other Subscribers and shall be limited to the net proceeds received by the Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation.
- (iii) Any person or entity entitled to indemnification herein shall (A) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person’s or entity’s right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (B) unless in such indemnified party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties or separate defenses may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, delayed or conditioned). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (plus any local counsel) for all parties indemnified by such

indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

- (iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of the Subscribed Shares purchased pursuant to this Subscription Agreement.
- (v) If the indemnification provided under this Section 5(c) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of the Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), or on behalf of, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5(c)(i), (ii) and (iii) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5(c)(v) from any person or entity who was not guilty of such fraudulent misrepresentation. Notwithstanding anything to the contrary herein, in no event will any party be liable for consequential, special, exemplary or punitive damages in connection with this Subscription Agreement.

(d) If the Subscribed Shares acquired hereunder are either eligible to be sold (i) pursuant to an effective Registration Statement or (ii) without restriction under, and without the requirement for the Company to be in compliance with the current public information requirements of, Rule 144 then at the Subscriber's request, the Company will reasonably cooperate with the Company's transfer agent, such that any remaining restrictive legend set forth on such Subscribed Shares will be removed in connection with a sale of such shares.

Section 6 Short Sales. Subscriber hereby agrees that, from the date of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Company prior to the Closing. For purposes of this Section 6, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing herein shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber's participation in the Transaction (including Subscriber's controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

Section 7 Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the parties hereto to terminate this Subscription Agreement or (c) if, on the Closing Date of the Transaction, any of the conditions to Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated (the termination events described in clauses (a)-(c) above, collectively, the "Termination Events"); *provided*, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 7, this Subscription Agreement shall be void and of no further effect and any portion of the Purchase Price paid by the Subscriber to Company in connection herewith shall promptly (and in any event within one (1) business day) following the Termination Event be returned to the Subscriber.

Section 8 Trust Account Waiver. Subscriber hereby acknowledges that the Company has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company’s public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Released Claims”), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (c) will not seek recourse against the Trust Account for any reason whatsoever; provided, however, that nothing in this Section 8 shall be deemed to limit any Subscriber’s right to distributions from the Trust Account in accordance with the Company’s amended and restated certificate of incorporation in respect of shares of Class A common stock of the Company acquired by any means other than pursuant to this Subscription Agreement.

Section 9 Transfer Restrictions. Subscriber agrees that it shall not (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Subscribed Shares, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subscribed Shares (clauses (i) and (ii) collectively, a “Transfer”) or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii), for a period beginning on the date hereof and ending on the date that is six (6) months from the Closing (the “Lock-Up Period”), in each case, without the prior written consent of the Company.

Section 10 Collaboration Framework Agreement.

(a) On or prior to the date hereof, Subscriber has entered into a contractual commitment to implement at least two collaborative projects per year with the Company, IonQ or a successor company resulting from the Transaction, under the terms set forth therein.

(b) The parties to the Collaboration Framework Agreement have agreed that, unless such parties jointly determine that no filing with the Committee on Foreign Investment in the United States (“CFIUS”) regarding the transactions contemplated therein is mandatory and decide not to make a filing with CFIUS, such parties shall promptly following the date hereof submit a CFIUS Declaration or CFIUS Notice.

(c) The Subscriber and the Company hereby agree that, after the submission of a CFIUS Declaration or CFIUS Notice, in the event that CFIUS (i) conditions its conclusion of action under the DPA on mitigation measures that are reasonably expected to impair the purpose of the Collaboration Framework Agreement (“Mitigation Condition”) or (ii) informs the parties to the CFIUS Declaration or CFIUS Notice in writing (including by email) that it intends to send a report to the President of the United States requesting the President’s decision with respect to the transactions contemplated by the Collaboration Framework Agreement (“Presidential Review”), the Lock-Up Period as set forth in Section 9 (to the extent still applicable) shall be reduced from six (6) months to three (3) months.

(d) Within thirty (30) days from the receipt of notice from CFIUS of a Mitigation Condition or a Presidential Review (“Buyback Period”), the Company shall have the option to provide notice (the “Buyback Notice”) to the Subscriber indicating it intends to purchase from the Subscriber all (but not less than all) of the Subscribed Shares at a price of \$12.00 per Subscribed Share (the “Buyback Purchase Price”). Promptly following receipt by the Subscriber of a Buyback Notice within the Buyback Period, but in any case no later than thirty (30) days from such receipt, (i) the Company shall deliver the purchase price for the Subscribed Shares calculated in accordance with the Buyback Purchase Price by wire transfer of United States dollars in immediately available funds to the account specified by the Subscriber and (ii) the Subscriber shall deliver the Subscribed Shares to the Company in book entry form. If the Company fails or declines to provide the Buyback Notice within the Buyback Period in accordance with this Section 10(d), the Company shall have no rights to purchase the Subscribed Shares from the Subscriber.

(e) “DPA” shall mean Section 721 of the Defense Production Act of 1950, as amended, including all implementing regulations thereof. “CFIUS Declaration” shall mean a declaration submitted to CFIUS regarding the transactions contemplated by the Collaboration Framework Agreement pursuant to 31 C.F.R. § 800.403. “CFIUS Notice” shall mean a notice filed with CFIUS regarding the transactions contemplated by the Collaboration Framework Agreement pursuant to 31 C.F.R. § 800.501.

Section 11 Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, on the date of transmission to such recipient; provided, that such notice, request, demand, claim or other communication is also sent to the recipient pursuant to clauses (i), (iii) or (iv) of this Section 11(a), (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 11(a). A courtesy electronic copy of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 11(a).

(b) Subscriber acknowledges that the Company, IonQ, the Placement Agents and others will rely on the acknowledgments, understandings, agreements, representations and warranties of Subscriber contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company, IonQ and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. Subscriber acknowledges and agrees that each purchase by Subscriber of Subscribed Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by Subscriber as of the time of such purchase. The Company acknowledges that Subscriber will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

(c) Each of the Company, IonQ, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. The parties hereto acknowledge and agree that the Placement Agents are third-party beneficiaries of the acknowledgments, representations, warranties and covenants of the parties contained in this Subscription Agreement.

(d) Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of Subscriber) or, with the Company's prior written consent, to another person, provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing. For the avoidance of doubt, if for any reason the Closing does not occur prior to the consummation of the Transaction, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transaction and remain in full force and effect.

(g) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares and to register the Subscribed Shares for resale, and Subscriber shall provide such information as may be reasonably requested. Subscriber acknowledges that, subject to the conditions set forth in Section 11(t), the Company may file a copy of this Subscription Agreement with the Commission as an exhibit to a periodic report of the Company or a registration statement of the Company.

(h) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(i) This Subscription Agreement and any non-disclosure agreement entered into by the parties hereto constitute the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(j) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 11(b), Section 11(c) and this Section 11(i) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(k) The parties hereto acknowledge and agree that (i) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Transaction Agreement and (ii) irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto further acknowledge and agree:

(x) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 11(k) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any proceeding for which the Company is being granted an award of money damages, the Subscriber agrees that such damages shall include, without limitation, damages related to the consideration that is or was to be paid to IonQ under the Transaction Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Transaction Agreement and this Subscription Agreement.

(l) In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

(m) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(n) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(p) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(r) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the United States District Court for the Southern District of New York, the Supreme Court of the State of New York and the federal courts of the United States of America located in the State of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 11(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(t) Solely upon receipt of the prior written consent of Subscriber, which consent shall not be unreasonably withheld, the Company may publish or disclose in any Form 8-K filed by the Company with the Commission and the Company or IonQ may disclose in any press release issued by the Company or IonQ in connection with the execution and delivery of the Transaction Agreement or the transactions contemplated thereby and in the Proxy Statement (as defined in the Transaction Agreement) (and, as and to the extent otherwise required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby, any other documents or communications provided by the

Company or IonQ to any governmental entity or to any securityholders of the Company) Subscriber's identity, beneficial ownership of the Subscribed Shares and the nature of Subscriber's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by the Company or IonQ, a copy of this Subscription Agreement. Other than as set forth in the immediately preceding sentence, without Subscriber's prior written consent, which consent shall not be unreasonably withheld, the Company will not publicly disclose the name of Subscriber, other than to the Company's lawyers, independent accountants and to other advisors and service providers who reasonably require such information in connection with the provision of services to such person, are advised of the confidential nature of such information and are obligated to keep such information confidential. Subscriber will promptly provide any information reasonably requested by the Company or IonQ for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission). For the avoidance of doubt, nothing in this Agreement shall require or be deemed to require the Company or IonQ to make public or disclose any material, non-public information that the Company and/or IonQ have provided to Subscriber other than the material, non-public information that is contained in the Proxy Statement (as defined in the Transaction Agreement) or other filings of the Company with the Commission; provided, that the Company shall, by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby and by any Other Subscription Agreements executed and delivered at such time and the Transaction. Notwithstanding anything to the contrary in this Section 10(t), Subscriber hereby consents to the Company publishing this Subscription Agreement as an exhibit to the Form 8-K referenced in the immediately preceding sentence and disclosing a brief description of the Subscription Agreement and of its terms therein.

(u) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, IonQ or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and Other Subscribers or other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Subscriber and Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will

be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on March 7, 2021, by and between dMY Technology Group, Inc. III (the “Company”), a Delaware corporation, and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with IonQ, Inc., a Delaware corporation (“IonQ”), and the other parties thereto, in substantially the form previously provided to Subscriber, providing for the combination of the Company and IonQ (as may be amended or supplemented from time to time, the “Transaction Agreement,” and the transactions contemplated by the Transaction Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Shares” or the “Class A common stock”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company at or prior to the Closing Date (as defined herein); and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of up to 35,000,000 Shares, at the Per Share Price (the shares of the Other Subscribers, the “Other Subscribed Shares” and together with the Subscribed Shares, the “Collective Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1 Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2 Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to or substantially concurrently with, but in any event not after, the consummation of the Transaction.

(b) At least seven (7) Business Days before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than one (1) Business Days prior to the Closing Date, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is required in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person in whose name the Subscribed Shares are to be issued and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that (i) the Company does not accept the subscription or (ii) the consummation of the Transaction does not occur within five (5) Business Days after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than six (6) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 7 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in escrow following the Company’s delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or any other day on which the Federal Reserve Bank of New York is closed. Any funds held in escrow by the Company will be uninvested, and the Subscriber shall not be entitled to any interest earned thereon.

(c) The Closing shall be subject to the satisfaction, or valid waiver by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) no suspension of the qualification of the Subscribed Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;
- (ii) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Company’s stockholders, shall have been satisfied (as determined by the parties to the Transaction Agreement) or waived (other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction pursuant to the Transaction Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with or immediately following the Closing; and

- (iii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date; and
- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date;
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing;
- (iii) the terms of the Transaction Agreement (including the conditions thereto) shall not have been amended or waived in a manner that is materially adverse to the Subscriber (in its capacity as such); and
- (iv) no suspension of the qualification of the Class A common stock for offering or sale or trading in any jurisdiction, and the Subscribed Shares shall have been approved for listing on the New York Stock Exchange (“NYSE” or the “Stock Exchange”), subject to official notice of issuance; provided, that the Subscribed Shares will not be eligible for trading on NYSE until such time as the Registration Statement (as defined below) is effective or when Rule 144 (as amended, “Rule 144”) of the Securities Act of 1933 (as amended, the “Securities Act”) becomes available to Subscriber.

Section 3 Company Representations and Warranties. The Company represents and warrants to Subscriber and the Placement Agents that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a “Company Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, general affairs, management, financial position, stockholders’ equity, or results of operations of the Company and its subsidiaries taken as a whole, or on the Company’s ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

(b) As of the Closing Date, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and will not have been issued in violation of any preemptive or similar rights created under the Company’s organizational documents (as adopted on or prior to the Closing Date), by contract or the laws of its jurisdiction of incorporation.

(c) This Subscription Agreement has been duly authorized, validly executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of Subscriber, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) the organizational documents of the Company or any of its subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(e) Assuming the accuracy of the representations and warranties of Subscriber, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including NYSE) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the United States Securities and Exchange Commission ("Commission") under Regulation D of the Securities Act, if applicable, (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, (v) those required to consummate the Transaction as provided under the Transaction Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

(f) As of their respective dates, all reports (the "SEC Reports") required to be filed by the Company with the Commission complied in all material respects with the applicable requirements of the Securities Act and/or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. A copy of each SEC Report is available to the Subscriber via the Commission's EDGAR system. The Company has timely filed each report, statement, schedule, prospectus, and registration statement that the Company was required to file with the Commission since its initial registration of the Shares with the Commission. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect, there is no (i) suit, action, claim or other proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its subsidiaries or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its subsidiaries.

(h) Assuming the accuracy of Subscriber's representations and warranties set forth in Section 4 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Subscribed Shares by the Company to Subscriber.

(i) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares.

(j) Except for Goldman Sachs & Co. LLC and Morgan Stanley & Co. LLC (the "Placement Agents"), no broker or finder is entitled to any brokerage or finder's fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(k) As of the date hereof, the shares of the Company's Class A common stock are registered pursuant to Section 12(b) of the Securities Exchange Act, and are listed for trading on the NYSE under the symbol "DMYL." There is no suit, action, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by NYSE or the Commission with respect to any intention by such entity to deregister the Shares or prohibit or terminate the listing of the Shares on NYSE. The Company has taken no action that is designed to terminate the registration of the Shares under the Exchange Act.

(l) As at the date hereof, and as of immediately prior to the Closing, the authorized capital stock of the Company is and will consist of: (i) 380,000,000 shares of Class A common stock, par value \$0.0001 per share ("Authorized Class A Shares") (ii) 20,000,000 shares of Class B common stock, par value \$0.0001 per share (the "Class B common stock") ("Authorized Class B Shares"); and (iii) 1,000,000 shares of preferred stock, par value \$0.0001 per share (the "Preferred Shares") ("Authorized Preferred Shares"). As of the date hereof, and as of immediately prior to the completion of the Transaction (prior to giving effect to (x) any redemption of any Class A common stock held by the Company's public shareholders in connection with the consummation of the Transaction and (y) the issuance of the Collective Subscribed Shares): (i) no Preferred Shares are and will be issued and outstanding; (ii) 30,000,000 Authorized Class A Shares are and will be issued and outstanding; (iii) 7,500,000 Authorized Class B Shares are and will be issued and outstanding; (iv) 4,000,000 private placement warrants (the "Private Placement Warrants") are and will be outstanding; and (v) 7,500,000 public warrants (the "Public Warrants") are and will be outstanding. All (i) issued and outstanding shares of Class A common stock and Authorized Class B Shares have been duly authorized and validly issued, are fully paid and are non-assessable and are not subject to preemptive rights and (ii) outstanding Private Placement Warrants and Public Warrants have been duly authorized and validly issued, are fully paid and are not subject to preemptive rights. Except as set forth above and pursuant to any Other Subscription Agreements and the Transaction Agreement, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from the Company any shares of Class A common stock or Class B common stock, or any other equity interests in the Company, or securities convertible into or exchangeable or exercisable for such equity interests. Other than the Merger Sub (as defined in the Transaction Agreement), the Company has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated or unincorporated. There are no stockholder agreements, voting trusts or other agreements or understandings to which the Company is a party or by which it is bound relating to the voting of any securities of the Company, other than (A) as set forth in the SEC Reports and (B) as contemplated by the Transaction Agreement and the Ancillary Agreements (as defined in the Transaction Agreement).

Section 4 Subscriber Representations and Warranties. Subscriber represents and warrants to the Company and the Placement Agents that:

(a) Subscriber (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act), in each case, satisfying the applicable requirements set forth on Annex A, (ii) is acquiring the Subscribed Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto). Subscriber is an “institutional account” as defined by FINRA Rule 4512(c).

(e) Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the applicable states and other jurisdictions of the United States, and that any certificates or book entry records representing the Subscribed Shares shall contain a restrictive legend to such effect. The Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 until at least one year from the filing of “Form 10 information” with the Commission after the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company and the Transaction (including IonQ and its subsidiaries (collectively, the “Acquired Companies”). Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned’s professional advisor (s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Without limiting the generality of the foregoing, the Subscriber acknowledges that it has reviewed the Company’s filings with the Commission. Subscriber acknowledges and agrees that none of the Placement Agents, or any affiliate of the Placement Agents, has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the Acquired Companies or the quality or value

of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber agrees that none of the Placement Agents shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber's purchase of the Subscribed Shares.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company and/or IonQ, or their respective representatives or affiliates, or by means of contact from the Placement Agents and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company and/or IonQ, or their respective affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

(j) Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

(k) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

(l) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. Subscriber is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a "Shell Bank") or providing banking services to a Shell Bank. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the "BSA/PATRIOT Act"), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Subscriber against Sanctions-related lists of

blocked or restricted persons. Subscriber further represents and warrants that (a) the funds held by Subscriber and used to purchase the Subscribed Shares were not directly or indirectly derived from or related to any activities that may contravene U.S. federal, state or non-U.S. anti-money laundering, anti-corruption or Sanctions laws and regulations or activities that may otherwise be deemed criminal and (b) any returns from the Subscriber's investment will not be used to finance any illegal activities. For purposes of this Agreement, "Sanctioned Person" means at any time any person or entity with whom dealings are restricted, prohibited, or sanctionable under any Sanctions (as defined below), including as a result of being: (a) listed on any Sanctions-related list of designated or blocked or restricted persons; (b) that is a national of, the government of, or any agency or instrumentality of the government of, or resident in, or organized under the laws of, a country or territory that is the target of comprehensive Sanctions from time to time (as of the date of this Agreement, Cuba, Iran, North Korea, Syria, and the Crimea region); or (c) a relationship of ownership, control, or agency with any of the foregoing. "Sanctions" means those trade, economic and financial sanctions laws, regulations, embargoes, and restrictive measures (in each case having the force of law) administered, enacted or enforced from time to time by (a) the United States (including without limitation the U.S. Department of the Treasury, Office of Foreign Assets Control, the U.S. Department of State, and the U.S. Department of Commerce), (b) the European Union and enforced by its member states, (c) the United Nations and (d) the United Kingdom.

(m) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a person or entity resident in, or whose funds used to purchase the Subscribed Shares are transferred from or through, a country, territory or entity that (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a "Non-cooperative Jurisdiction"), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

(n) Subscriber does not have, as of the date hereof, and during the 30-day period immediately prior to the date hereof such Subscriber has not entered into, any "put equivalent position" as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale positions with respect to the securities of the Company or IonQ. Notwithstanding the foregoing, in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Agreement.

(o) Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) including any group acting for the purpose of acquiring, holding, voting or disposing of equity securities of the Company or IonQ (within the meaning of Rule 13d-5(b)(1) under the Exchange Act), other than a group consisting solely of Subscriber and its affiliates (as defined in Rule 405 of the Securities Act).

(p) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates, including dMY Sponsor III, LLC (the “Transaction Parties”), has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(q) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(r) Except for the Placement Agents, no broker or finder is entitled to any brokerage or finder’s fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(s) Subscriber agrees that the Placement Agents may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

Section 5 Registration of Subscribed Shares.

(a) The Company agrees that, within fifteen (15) Business Days after the Closing Date (the “Filing Date”), the Company will submit to or file with the Commission (at the Company’s sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the “Registration Statement”) and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (and in any event, no later than thirty (30) calendar days following the Filing Date) (the “Effectiveness Deadline”), provided, that the Effectiveness Deadline shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be “reviewed” or subject to further review, the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. Any failure

by the Company to file the Registration Statement by the Closing Date or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this Section 5. The Company will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment) at least 2 (two) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber's review. In no event shall the undersigned be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission. In such event, the number of Subscribed Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced *pro rata* among all such selling stockholders. The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Company will use commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two (2) years from the issuance of the Subscribed Shares, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which the undersigned can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 without limitation as to the manner of sale or the amount of such securities that may be sold. For as long as the Registration Statement shall remain effective pursuant to the immediately preceding sentence, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 (when Rule 144 becomes available to the Company), as applicable, qualify the Subscribed Shares for listing on the applicable stock exchange on which the Company's Shares are then listed, and update or amend the Registration Statement as necessary to include the Subscribed Shares. The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Exchange Act, of Subscribed Shares to the Company (or its successor) upon request to assist the Company in making the determination described above. The Company's obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall

not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a “Suspension Event”); provided, that, (x) the Company shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions for a period of more than sixty (60) consecutive days each or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360) day period and (y) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the undersigned will deliver to the Company or, in the undersigned’s sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in the undersigned’s possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (x) to the extent the undersigned is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (y) to copies stored electronically on archival servers as a result of automatic data back-up.

(c)

- (i) The Company agrees to indemnify, to the extent permitted by law, the Subscriber (to the extent a seller under the Registration Statement), its directors and officers, employees and agents, and each person who controls the Subscriber (within the meaning of the Securities Act), to the extent permitted by law, against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including reasonable and documented attorneys’ fees of one law firm (plus the fees of any local counsel)) caused by

any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement (“Prospectus”) or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by or on behalf of the Subscriber expressly for use therein.

- (ii) In connection with any Registration Statement in which the Subscriber is participating, the Subscriber shall furnish (or cause to be furnished) to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers, employees and agents, and each person or entity who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable and documented outside attorneys’ fees) resulting from any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained (or not contained in, in the case of an omission) in any information or affidavit so furnished in writing by or on behalf of the Subscriber expressly for use therein; provided, however, that the liability of the Subscriber shall be several and not joint with any Other Subscribers and shall be limited to the net proceeds received by the Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation.
- (iii) Any person or entity entitled to indemnification herein shall (A) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person’s or entity’s right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (B) unless in such indemnified party’s reasonable judgment a conflict of interest between such indemnified and indemnifying parties or separate defenses may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, delayed or conditioned). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (plus any local counsel) for all parties indemnified by such

indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

- (iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of the Subscribed Shares purchased pursuant to this Subscription Agreement.
- (v) If the indemnification provided under this Section 5(c) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of the Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), or on behalf of, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5(c)(i), (ii) and (iii) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5(c)(v) from any person or entity who was not guilty of such fraudulent misrepresentation. Notwithstanding anything to the contrary herein, in no event will any party be liable for consequential, special, exemplary or punitive damages in connection with this Subscription Agreement.

(d) If the Subscribed Shares acquired hereunder are either eligible to be sold (i) pursuant to an effective Registration Statement or (ii) without restriction under, and without the requirement for the Company to be in compliance with the current public information requirements of, Rule 144 then at the Subscriber's request, the Company will reasonably cooperate with the Company's transfer agent, such that any remaining restrictive legend set forth on such Subscribed Shares will be removed in connection with a sale of such shares.

Section 6 Short Sales. Subscriber hereby agrees that, from the date of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Company prior to the Closing. For purposes of this Section 6, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing herein shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber's participation in the Transaction (including Subscriber's controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

Section 7 Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the parties hereto to terminate this Subscription Agreement or (c) if, on the Closing Date of the Transaction, any of the conditions to Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated (the termination events described in clauses (a)-(c) above, collectively, the "Termination Events"); *provided*, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 7, this Subscription Agreement shall be void and of no further effect and any portion of the Purchase Price paid by the Subscriber to Company in connection herewith shall promptly (and in any event within one (1) business day) following the Termination Event be returned to the Subscriber.

Section 8 Trust Account Waiver. Subscriber hereby acknowledges that the Company has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company’s public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Released Claims”), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (c) will not seek recourse against the Trust Account for any reason whatsoever; provided, however, that nothing in this Section 8 shall be deemed to limit any Subscriber’s right to distributions from the Trust Account in accordance with the Company’s amended and restated certificate of incorporation in respect of shares of Class A common stock of the Company acquired by any means other than pursuant to this Subscription Agreement.

Section 9 Transfer Restrictions. Subscriber agrees that it shall not (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Subscribed Shares, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subscribed Shares (clauses (i) and (ii) collectively, a “Transfer”) or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii), for a period beginning on the date hereof and ending on the date that is six (6) months from the Closing (the “Lock-Up Period”), in each case, without the prior written consent of the Company.

Section 10 Collaboration Framework Agreement.

(a) On or prior to the date hereof, Subscriber has entered into a contractual commitment to implement at least two collaborative projects per year with the Company, IonQ or a successor company resulting from the Transaction, under the terms set forth therein.

(b) The parties to the Collaboration Framework Agreement have agreed that, unless such parties jointly determine that no filing with the Committee on Foreign Investment in the United States (“CFIUS”) regarding the transactions contemplated therein is mandatory and decide not to make a filing with CFIUS, such parties shall promptly following the date hereof submit a CFIUS Declaration or CFIUS Notice.

(c) The Subscriber and the Company hereby agree that, after the submission of a CFIUS Declaration or CFIUS Notice, in the event that CFIUS (i) conditions its conclusion of action under the DPA on mitigation measures that are reasonably expected to impair the purpose of the Collaboration Framework Agreement (“Mitigation Condition”) or (ii) informs the parties to the CFIUS Declaration or CFIUS Notice in writing (including by email) that it intends to send a report to the President of the United States requesting the President’s decision with respect to the transactions contemplated by the Collaboration Framework Agreement (“Presidential Review”), the Lock-Up Period as set forth in Section 9 (to the extent still applicable) shall be reduced from six (6) months to three (3) months.

(d) Within thirty (30) days from the receipt of notice from CFIUS of a Mitigation Condition or a Presidential Review (“Buyback Period”), the Company shall have the option to provide notice (the “Buyback Notice”) to the Subscriber indicating it intends to purchase from the Subscriber all (but not less than all) of the Subscribed Shares at a price of \$12.00 per Subscribed Share (the “Buyback Purchase Price”). Promptly following receipt by the Subscriber of a Buyback Notice within the Buyback Period, but in any case no later than thirty (30) days from such receipt, (i) the Company shall deliver the purchase price for the Subscribed Shares calculated in accordance with the Buyback Purchase Price by wire transfer of United States dollars in immediately available funds to the account specified by the Subscriber and (ii) the Subscriber shall deliver the Subscribed Shares to the Company in book entry form. If the Company fails or declines to provide the Buyback Notice within the Buyback Period in accordance with this Section 10(d), the Company shall have no rights to purchase the Subscribed Shares from the Subscriber.

(e) “DPA” shall mean Section 721 of the Defense Production Act of 1950, as amended, including all implementing regulations thereof. “CFIUS Declaration” shall mean a declaration submitted to CFIUS regarding the transactions contemplated by the Collaboration Framework Agreement pursuant to 31 C.F.R. § 800.403. “CFIUS Notice” shall mean a notice filed with CFIUS regarding the transactions contemplated by the Collaboration Framework Agreement pursuant to 31 C.F.R. § 800.501.

Section 11 Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, on the date of transmission to such recipient; provided, that such notice, request, demand, claim or other communication is also sent to the recipient pursuant to clauses (i), (iii) or (iv) of this Section 11(a), (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 11(a). A courtesy electronic copy of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 11(a).

(b) Subscriber acknowledges that the Company, IonQ, the Placement Agents and others will rely on the acknowledgments, understandings, agreements, representations and warranties of Subscriber contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company, IonQ and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. Subscriber acknowledges and agrees that each purchase by Subscriber of Subscribed Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by Subscriber as of the time of such purchase. The Company acknowledges that Subscriber will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

(c) Each of the Company, IonQ, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. The parties hereto acknowledge and agree that the Placement Agents are third-party beneficiaries of the acknowledgments, representations, warranties and covenants of the parties contained in this Subscription Agreement.

(d) Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of Subscriber) or, with the Company's prior written consent, to another person, provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing. For the avoidance of doubt, if for any reason the Closing does not occur prior to the consummation of the Transaction, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transaction and remain in full force and effect.

(g) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares and to register the Subscribed Shares for resale, and Subscriber shall provide such information as may be reasonably requested. Subscriber acknowledges that, subject to the conditions set forth in Section 11(t), the Company may file a copy of this Subscription Agreement with the Commission as an exhibit to a periodic report of the Company or a registration statement of the Company.

(h) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(i) This Subscription Agreement and any non-disclosure agreement entered into by the parties hereto constitute the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(j) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 11(b), Section 11(c) and this Section 11(i) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(k) The parties hereto acknowledge and agree that (i) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Transaction Agreement and (ii) irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto further acknowledge and agree:

(x) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 11(k) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any proceeding for which the Company is being granted an award of money damages, the Subscriber agrees that such damages shall include, without limitation, damages related to the consideration that is or was to be paid to IonQ under the Transaction Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Transaction Agreement and this Subscription Agreement.

(l) In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

(m) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(n) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(p) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

(q) EACH PARTY AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH

RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(r) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the United States District Court for the Southern District of New York, the Supreme Court of the State of New York and the federal courts of the United States of America located in the State of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 11(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

(s) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties or third party beneficiaries hereto and then only with respect to the specific obligations set forth herein with respect to such party or third party beneficiary. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(t) Solely upon receipt of the prior written consent of Subscriber, which consent shall not be unreasonably withheld, the Company may publish or disclose in any Form 8-K filed by the Company with the Commission and the Company or IonQ may disclose in any press release issued by the Company or IonQ in connection with the execution and delivery of the Transaction Agreement or the transactions contemplated thereby and in the Proxy Statement (as defined in the Transaction Agreement) (and, as and to the extent otherwise required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby, any other documents or communications provided by the

Company or IonQ to any governmental entity or to any securityholders of the Company) Subscriber's identity, beneficial ownership of the Subscribed Shares and the nature of Subscriber's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by the Company or IonQ, a copy of this Subscription Agreement. Other than as set forth in the immediately preceding sentence, without Subscriber's prior written consent, which consent shall not be unreasonably withheld, the Company will not publicly disclose the name of Subscriber, other than to the Company's lawyers, independent accountants and to other advisors and service providers who reasonably require such information in connection with the provision of services to such person, are advised of the confidential nature of such information and are obligated to keep such information confidential. Subscriber will promptly provide any information reasonably requested by the Company or IonQ for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission). For the avoidance of doubt, nothing in this Agreement shall require or be deemed to require the Company or IonQ to make public or disclose any material, non-public information that the Company and/or IonQ have provided to Subscriber other than the material, non-public information that is contained in the Proxy Statement (as defined in the Transaction Agreement) or other filings of the Company with the Commission; provided, that the Company shall, by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby and by any Other Subscription Agreements executed and delivered at such time and the Transaction. Notwithstanding anything to the contrary in this Section 10(t), Subscriber hereby consents to the Company publishing this Subscription Agreement as an exhibit to the Form 8-K referenced in the immediately preceding sentence and disclosing a brief description of the Subscription Agreement and of its terms therein.

(u) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, IonQ or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and Other Subscribers or other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Subscriber and Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will

be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on March 7, 2021, by and between dMY Technology Group, Inc. III (the “Company”), a Delaware corporation, and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with IonQ, Inc., a Delaware corporation (“IonQ”), and the other parties thereto, in substantially the form previously provided to Subscriber, providing for the combination of the Company and IonQ (as may be amended or supplemented from time to time, the “Transaction Agreement,” and the transactions contemplated by the Transaction Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Shares”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company at or prior to the Closing Date (as defined herein); and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of up to 35,000,000 Shares, at the Per Share Price (the shares of the Other Subscribers, the “Other Subscribed Shares” and together with the Subscribed Shares, the “Collective Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1 Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2 Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to or substantially concurrently with, but in any event not after, the consummation of the Transaction.

(b) At least five (5) Business Days before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than two (2) Business Days prior to the Closing Date, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is reasonably required in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person in whose name the Subscribed Shares are to be issued and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that the consummation of the Transaction does not occur within five (5) Business Days after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than seven (7) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 7 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in escrow following the Company’s delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or any other day on which the Federal Reserve Bank of New York is closed. Any funds held in escrow by the Company will be uninvested, and the Subscriber shall not be entitled to any interest earned thereon.

(c) The Closing shall be subject to the satisfaction, or valid waiver by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) no suspension of the qualification of the Subscribed Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;
- (ii) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Company’s stockholders, shall have been satisfied (as determined by the parties to the Transaction Agreement) or waived (other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction pursuant to the Transaction Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with or immediately following the Closing; and

- (iii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date; and
- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date;
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing; and
- (iii) the terms of the Transaction Agreement (including the conditions thereto) shall not have been amended or waived in a manner that is, or would reasonably expected to be, materially adverse to the Subscriber (in its capacity as such);

- (iv) the Company's Class A common stock will have been approved for listing on the New York Stock Exchange (the "NYSE" or the "Stock Exchange"), subject only to the official notice of the issuance thereof; provided, that the Subscribed Shares will not be eligible for trading on NYSE until such time as the Registration Statement (as defined below) is effective or when Rule 144 of the Securities Act of 1933, as amended (the "Securities Act") becomes available to the Company; and
- (v) the Company's Class A common stock (i) shall be designated for quotation, or listed on the NYSE, and (ii) shall not have been suspended, as of the applicable Closing Date, by the United States Securities and Exchange Commission (the "Commission") or the NYSE from trading on the NYSE nor shall a suspension by the Commission or the NYSE have been threatened, as of the Closing Date, either (A) in writing by the Commission or the NYSE or (B) by falling below the minimum listing maintenance requirements of the NYSE.

Section 3 Company Representations and Warranties. The Company represents and warrants to Subscriber and the Placement Agents, as of the date hereof and as of the Closing, that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a "Company Material Adverse Effect" means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, general affairs, management, financial position, stockholders' equity, or results of operations of the Company and its subsidiaries taken as a whole, or on the Company's ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

(b) As of the Closing Date, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and will not have been issued in violation of any preemptive or similar rights created under the Company's organizational documents (as adopted on or prior to the Closing Date), by contract or the laws of its jurisdiction of incorporation.

(c) This Subscription Agreement has been duly authorized, executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of Subscriber, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) the organizational documents of the Company or any of its subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(e) Assuming the accuracy of the representations and warranties of Subscriber, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including the Stock Exchange) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the Commission under Regulation D of the Securities Act, if applicable, (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, (v) those required to consummate the Transaction as provided under the Transaction Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

(f) As of their respective dates, all reports (the “SEC Reports”) required to be filed by the Company with the Commission complied in all material respects with the applicable requirements of the Securities Act and/or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. A copy of each SEC Report is available to the Subscriber via the Commission’s EDGAR system. The Company has timely filed each report, statement, schedule, prospectus, and registration statement that the Company was required to file with the Commission since its initial registration of the Common Stock with the Commission. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect, there is no (i) suit, action, claim or other proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its subsidiaries or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its subsidiaries.

(h) Assuming the accuracy of Subscriber's representations and warranties set forth in Section 4 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Subscribed Shares by the Company to Subscriber.

(i) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares.

(j) Except for Goldman Sachs & Co. LLC and Morgan Stanley & Co. LLC (the "Placement Agents"), no broker or finder is entitled to any brokerage or finder's fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber. For the avoidance of doubt, the Company and not the Subscriber is liable for any and all amounts in connection with and due to the Placement Agents.

(k) As of the date hereof, the shares of the Company's Class A common stock are registered pursuant to Section 12(b) of the Securities Exchange Act, and are listed for trading on the NYSE under the symbol "DMYL." There is no suit, action, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by NYSE or the Commission with respect to any intention by such entity to deregister the Shares or prohibit or terminate the listing of the Shares on NYSE. The Company has taken no action that is designed to terminate the registration of the Shares under the Exchange Act.

(l) Concurrently with the execution and delivery of this Subscription Agreement, the Company is entering into the Other Subscription Agreements providing for the sale of 31,000,000 Other Subscribed Shares for an aggregate purchase price of \$310,000,000. Neither the Company nor any of its affiliates has entered into any side letter agreements or other agreements or understandings (including written summaries of any oral understandings) with any Other Subscriber in connection with the transactions contemplated by the Other Subscription Agreements, other than (i) the Other Subscription Agreements (which agreements shall have been made available to the Subscriber prior to the date hereof) and (ii) as disclosed to Subscriber by the Company prior to the date hereof. The Other Subscription Agreements state the same purchase price per share as stated in this Subscription Agreement.

(m) As at the date hereof, and as of immediately prior to the Closing, the authorized capital stock of the Company is and will consist of: (i) 380,000,000 shares of Class A common stock, par value \$0.0001 per share ("Authorized Class A Shares") (ii) 20,000,000 shares of Class B common stock, par value \$0.0001 per share (the "Class B common stock") ("Authorized Class B Shares"); and (iii) 1,000,000 shares of preferred stock, par value \$0.0001 per share (the

“Preferred Shares”) (“Authorized Preferred Shares”). As of the date hereof, and as of immediately prior to the completion of the Transaction (prior to giving effect to (x) any redemption of any Class A common stock held by the Company’s public shareholders in connection with the consummation of the Transaction and (y) the issuance of the Collective Subscribed Shares): (i) no Preferred Shares are and will be issued and outstanding; (ii) 30,000,000 Authorized Class A Shares are and will be issued and outstanding; (iii) 7,500,000 Authorized Class B Shares are and will be issued and outstanding; (iv) 4,000,000 private placement warrants (the “Private Placement Warrants”) are and will be outstanding; and (v) 7,500,000 public warrants (the “Public Warrants”) are and will be outstanding. All (i) issued and outstanding shares of Class A common stock and Authorized Class B Shares have been duly authorized and validly issued, are fully paid and are non-assessable and are not subject to preemptive rights and (ii) outstanding Private Placement Warrants and Public Warrants have been duly authorized and validly issued, are fully paid and are not subject to preemptive rights. Except as set forth above and pursuant to any Other Subscription Agreements and the Transaction Agreement, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from the Company any shares of Class A common stock or Class B common stock, or any other equity interests in the Company, or securities convertible into or exchangeable or exercisable for such equity interests. Other than the Merger Sub (as defined in the Transaction Agreement), the Company has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated or unincorporated. There are no stockholder agreements, voting trusts or other agreements or understandings to which the Company is a party or by which it is bound relating to the voting of any securities of the Company, other than (A) as set forth in the SEC Reports and (B) as contemplated by the Transaction Agreement and the Ancillary Agreements (as defined in the Transaction Agreement).

(n) The Company is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. The Company is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a “Shell Bank”) or providing banking services to a Shell Bank. The Company represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the “BSA/PATRIOT Act”), that the Company maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. The Company also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Company against Sanctions-related lists of blocked or restricted persons. For purposes of this Agreement, “Sanctioned Person” means at any time any person or entity with whom dealings are restricted, prohibited, or sanctionable under any Sanctions (as defined below), including as a result of being: (a) listed on any Sanctions-related list of designated or blocked or restricted persons; (b) that is a national of, the government of, or any agency or instrumentality of the government of, or resident in, or organized under the laws of, a country or territory that is the target of comprehensive Sanctions from time to time (as of the date of this Agreement, Cuba, Iran, North Korea, Syria, and the Crimea region); or (c) a relationship of ownership, control, or agency with any of the foregoing. “Sanctions” means those trade, economic and financial sanctions laws,

regulations, embargoes, and restrictive measures (in each case having the force of law) administered, enacted or enforced from time to time by (a) the United States (including without limitation the U.S. Department of the Treasury, Office of Foreign Assets Control, the U.S. Department of State, and the U.S. Department of Commerce), (b) the European Union and enforced by its member states, (c) the United Nations and (d) the United Kingdom.

(o) The Company is not owned or controlled by or acting on behalf of (in connection with this Transaction) a person or entity resident that: (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a “Non-cooperative Jurisdiction”), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

Section 4 Subscriber Representations and Warranties. Subscriber represents and warrants to the Company and the Placement Agents, as of the date hereof and as of the Closing, that:

(a) Subscriber (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act), in each case, satisfying the applicable requirements set forth on Annex A, (ii) is acquiring the Subscribed Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto). Subscriber is an “institutional account” as defined by FINRA Rule 4512(c).

(e) Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the applicable states and other jurisdictions of the United States, and that any certificates or book entry records representing the Subscribed Shares shall contain a restrictive legend to such effect. The Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act until at least one year from the filing of “Form 10 information” with the Commission after the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company and the Transaction (including IonQ and its subsidiaries (collectively, the “Acquired Companies”). Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned’s professional advisor (s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Without limiting the generality of the foregoing, the Subscriber acknowledges that it has reviewed the Company’s filings with the Commission. Subscriber acknowledges and agrees that none of the Placement Agents, or any affiliate of the Placement Agents, has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the Acquired Companies or the quality or value of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber agrees that none of the Placement Agents shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber’s purchase of the Subscribed Shares.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company and/or IonQ, or their respective representatives or affiliates, or by means of contact from the Placement Agents and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company and/or IonQ, or their respective affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

(j) Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber’s investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

(k) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

(l) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. Subscriber is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a Shell Bank or providing banking services to a Shell Bank. Subscriber represents that if it is a financial institution subject to the BSA/PATRIOT Act, that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Subscriber against Sanctions-related lists of blocked or restricted persons. Subscriber further represents and warrants that (a) the funds held by Subscriber and used to purchase the Subscribed Shares were not directly or indirectly derived from or related to any activities that may contravene U.S. federal, state or non-U.S. anti-money laundering, anti-corruption or Sanctions laws and regulations or activities that may otherwise be deemed criminal and (b) any returns from the Subscriber's investment will not be used to finance any illegal activities.

(m) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a person or entity resident in, or whose funds used to purchase the Subscribed Shares are transferred from or through, a country, territory or entity that (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as a Non-cooperative Jurisdiction, or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

(n) Subscriber does not have, as of the date hereof, and during the 30-day period immediately prior to the date hereof such Subscriber has not entered into, any "put equivalent position" as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale positions with respect to the securities of the Company or IonQ. Notwithstanding the foregoing, in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Agreement.

(o) Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a "group" (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) including any group acting for the purpose of acquiring, holding, voting or disposing of equity securities of the Company or IonQ (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

(p) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates, including dMY Sponsor III, LLC (the “Transaction Parties”), has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(q) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(r) Except for the Placement Agents, no broker or finder is entitled to any brokerage or finder’s fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(s) Subscriber agrees that the Placement Agents may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

Section 5 Registration of Subscribed Shares.

(a) The Company agrees that, within fifteen (15) Business Days after the Closing Date (the “Filing Date”), the Company will submit to or file with the Commission (at the Company’s sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the “Registration Statement”) and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (and in any event, no later than thirty (30) calendar days following the Filing Date) (the “Effectiveness Deadline”), provided, that the Effectiveness Deadline shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be “reviewed” or subject to further review, the Company shall use its commercially reasonable

efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. Any failure by the Company to file the Registration Statement by the Closing Date or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this Section 5. The Company will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment) at least two (2) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber's review. In no event shall the undersigned be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission. In such event, the number of Subscribed Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced *pro rata* among all such selling stockholders. The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Company will use commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two (2) years from the issuance of the Subscribed Shares, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which the undersigned can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 of the Securities Act without limitation as to the manner of sale or the amount of such securities that may be sold. For as long as the Registration Statement shall remain effective pursuant to the immediately preceding sentence, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 of the Securities Act (when Rule 144 of the Securities Act becomes available to the Company), as applicable, qualify the Subscribed Shares for listing on the applicable stock exchange on which the Company's Shares are then listed, and update or amend the Registration Statement as necessary to include the Subscribed Shares. The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934 (as amended, the "Exchange Act"), of Subscribed Shares to the Company (or its successor) upon request to assist the Company in making the determination described above. The Company's obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company

shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a “Suspension Event”); provided, that, (w) the Company shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions for a period of more than sixty (60) consecutive days each or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360) day period and (x) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the undersigned will deliver to the Company or, in the undersigned’s sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in the undersigned’s possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (w) to the extent the undersigned is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up. If the Subscribed Shares acquired hereunder are either eligible to be sold (i) pursuant to an effective Registration Statement or (ii) without restriction under, and without the requirement for the Company to be in compliance with the current public information requirements of, Rule 144 under the Securities Act, then at the Subscriber’s request, the Company will reasonably cooperate with the Company’s transfer agent, such that any remaining restrictive legend set forth on such Subscribed Shares will be removed in connection with a sale of such shares.

(c)

- (i) The Company agrees to indemnify, to the extent permitted by law, Subscriber (to the extent a seller under the Registration Statement), its directors and officers, employees and agents, and each person who controls Subscriber (within the meaning of the Securities Act), to the extent permitted by law, against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including, without limitation, reasonable and documented attorneys' fees of one law firm (plus the fees of any local counsel)) caused by any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, prospectus included in any Registration Statement or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by or on behalf of Subscriber expressly for use therein.
- (ii) In connection with any Registration Statement in which Subscriber is participating, Subscriber shall furnish (or cause to be furnished) to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers, employees and agents, and each person or entity who controls the Company (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including, without limitation, reasonable and documented outside attorneys' fees (plus the fees of any local counsel)) caused by any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained (or not contained in, in the case of an omission) in any information or affidavit so furnished in writing by or on behalf of Subscriber expressly for use therein; provided, however, that the liability of Subscriber shall be several and not joint with any Other Subscribers and shall be limited to the net proceeds received by Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation.

- (iii) Any person or entity entitled to indemnification herein shall (A) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent, and only to the extent, such failure has not prejudiced the indemnifying party) and (B) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties or separate defenses may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without the indemnifying party's consent (but such consent shall not be unreasonably withheld, delayed or conditioned). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one law firm (plus any local counsel) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.
- (iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of the Subscribed Shares purchased pursuant to this Subscription Agreement.
- (v) If the indemnification provided under this Section 5(c) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the

case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), or on behalf of, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5(c)(i), (ii) and (iii) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5(c)(v) from any person or entity who was not guilty of such fraudulent misrepresentation. Notwithstanding anything to the contrary herein, in no event will any party be liable for consequential, special, exemplary or punitive damages in connection with this Subscription Agreement.

Section 6 Short Sales. Subscriber hereby agrees that, from the date of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Company prior to the Closing. For purposes of this Section 6, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing herein shall prohibit other entities under common management or ownership with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber's participation in the Transaction (including Subscriber's controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement; provided, that, for purposes of this Section 6, following the issuance of the press release and filing of the Form 8-K referred to in Section 10(t) hereof, all such entities referenced in clause (i) above will be deemed to have knowledge of this Subscription Agreement and of Subscriber's participation in the Transaction.

Section 7 Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the parties hereto to terminate this Subscription Agreement, (c) if, on the Closing Date of the Transaction, any of the conditions to

Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated or (d) January 20, 2022 (the termination events described in clauses (a)-(d) above, collectively, the “Termination Events”); *provided*, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 7, this Subscription Agreement shall be void and of no further effect and any portion of the Purchase Price paid by the Subscriber to Company in connection herewith shall promptly (and in any event within one (1) business day) following the Termination Event be returned to the Subscriber.

Section 8 Trust Account Waiver. Subscriber hereby acknowledges that the Company has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company’s public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Released Claims”), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (c) will not seek recourse against the Trust Account for any reason whatsoever; *provided, however*, that nothing in this Section 8 shall be deemed to limit any Subscriber’s right to distributions from the Trust Account in accordance with the Company’s amended and restated certificate of incorporation in respect of shares of Class A Common Stock of the Company acquired by any means other than pursuant to this Subscription Agreement.

Section 9 Transfer Restrictions. Subscriber agrees that it shall not (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Subscribed Shares, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subscribed Shares (clauses (i) and (ii) collectively, a “Transfer”) or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii), for a period beginning on the date hereof and ending on the date that is six (6) months from the Closing (the “Lock-Up Period”), in each case, without the prior written consent of the Company. Notwithstanding the foregoing provisions of this Section 9, Subscriber may Transfer any Subscribed Shares to (A) any affiliate of Subscriber or to any investment fund or other entity

controlled or managed by, or under common control or management with, Subscriber, (B) Subscriber's stockholders, partners, members or other equity holders or (C) the Company in connection with the repurchase of the Company's Class A common stock; provided, however, in the case of clauses (A) and (B), that the transferee must enter into a written agreement agreeing to be bound to the terms of this Subscription Agreement, including the transfer restrictions in this Section 9. The transfer restrictions set forth in this Section 9 shall (i) be of no further force or effect automatically on the date that is three (3) months after the Closing if the last reported sale price of Class A common stock equals or exceeds \$40.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any twenty (20) trading days within any thirty (30) trading day period during the period commencing on the Closing Date and ending on the date that is three (3) months after the Closing, (ii) immediately and automatically be of no further force or effect if the last reported sale price of Class A common stock equals or exceeds \$65.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any twenty (20) trading days within any thirty (30) trading day period during the period commencing on the Closing Date and ending on the date that is three (3) months after the Closing and (iii) immediately and automatically be of no further force or effect if the last reported sale price of Class A common stock equals or exceeds \$40.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any twenty (20) trading days within any thirty (30) trading day period during the period commencing on the date that is three (3) months after the Closing and ending on the date that is six (6) months after the Closing.

Section 10 Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, on the date of transmission to such recipient; provided, that such notice, request, demand, claim or other communication is also sent to the recipient pursuant to clauses (i), (iii) or (iv) of this Section 10(a), (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 10(a). A courtesy electronic copy of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 10(a).

(b) Subscriber acknowledges that the Company, IonQ, the Placement Agents and others will rely on the acknowledgments, understandings, agreements, representations and warranties of Subscriber contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company, IonQ and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. Subscriber acknowledges and agrees that each purchase by Subscriber of Subscribed Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings,

agreements, representations and warranties herein (as modified by any such notice) by Subscriber as of the time of such purchase. The Company acknowledges that Subscriber will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

(c) Each of the Company, IonQ, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. The parties hereto acknowledge and agree that the Placement Agents are third-party beneficiaries of the acknowledgments, representations, warranties and covenants of the parties contained in this Subscription Agreement.

(d) Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding anything to the contrary in this Section 10(e) or elsewhere in this Subscription Agreement, it is understood that Subscriber is still in the process of determining which investment vehicles would be the most appropriate parties to hold this commitment as of Closing and therefore Subscriber is signing this Subscription Agreement in anticipation of assigning the commitment to one or more affiliates of Subscriber or affiliates of MSD Capital, L.P. Such assignment, which shall occur prior to Closing, once made shall thereafter relieve Subscriber of its duties and obligations pursuant to this Agreement and the assignee shall assume all such duties and obligations as if it had originally signed this Subscription Agreement from the start.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing.

(g) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares under applicable law and to register the Subscribed Shares for resale under applicable law, and Subscriber shall provide such information as may be reasonably requested. Subscriber acknowledges that, subject to the conditions set forth in Section 9 (t), the Company may file a copy of this Subscription Agreement with the Commission as an exhibit to a periodic report of the Company or a registration statement of the Company.

(h) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(i) This Subscription Agreement and any non-disclosure agreement entered into by the parties hereto constitute the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(j) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 10(b), Section 10(c) and this Section 10(i) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(k) The parties hereto acknowledge and agree that (i) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Transaction Agreement and (ii) irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto further acknowledge and agree: (x) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 10(k) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any proceeding for which the Company is being granted an award of money damages, the Subscriber agrees that such damages shall include, without limitation, damages related to the consideration that is or was to be paid to IonQ under the Transaction Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Transaction Agreement and this Subscription Agreement.

(l) In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

(m) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(n) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(p) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

(q) EACH PARTY AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(r) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the United States District Court for the Southern District of New York, the Supreme Court of the State of New York and the federal courts of the United States of America located in the State of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 10(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

(s) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties or third party beneficiaries hereto and then only with respect to the specific obligations set forth herein with respect to such party or third party beneficiary. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(t) Subscriber hereby consents to the publication and disclosure in any press release issued by the Company or IonQ, any Form 8-K filed by the Company with the Commission in connection with the execution and delivery of the Transaction Agreement or the transactions contemplated thereby and the Proxy Statement (as defined in the Transaction Agreement) (and, as and to the extent otherwise required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby, any other documents or communications provided by the Company or IonQ to any governmental entity or to any securityholders of the Company) of Subscriber’s identity and beneficial ownership of the Subscribed Shares and the nature of Subscriber’s commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by the Company or IonQ, a copy of this Agreement, all solely to the extent required by applicable law or any regulation or stock exchange listing requirement. Subscriber will promptly provide any information related to Subscriber reasonably requested by the Company or IonQ for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission). For the avoidance of doubt, nothing in this Agreement shall require or be deemed to require the Company or IonQ to make public or disclose any

material, non-public information that the Company and/or IonQ have provided to Subscriber other than the material, non-public information that is contained in the Proxy Statement (as defined in the Transaction Agreement) or other filings of the Company with the Commission; provided, that the Company shall, by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby and by any Other Subscription Agreements executed and delivered at such time and the Transaction and any other material, nonpublic information that the Company has provided to Subscriber. Notwithstanding the foregoing, the Company shall provide to Subscriber a copy of any proposed disclosure relating to the Subscriber in accordance with the provisions of this Section 10(t) in advance of any publication thereof and shall include such revisions to such proposed disclosure as Subscriber shall reasonably request.

(u) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, IonQ or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and Other Subscribers or other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Subscriber and Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on March 7, 2021, by and between dMY Technology Group, Inc. III and any successor thereto (the “Company”), a Delaware corporation, and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with IonQ, Inc., a Delaware corporation (“IonQ”), and the other parties thereto, in substantially the form previously provided to Subscriber, providing for the combination of the Company and IonQ (as may be amended or supplemented from time to time, the “Transaction Agreement,” and the transactions contemplated by the Transaction Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Shares” or “Class A common stock”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company at or prior to the Closing Date (as defined herein); and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of up to 35,000,000 Shares, at the Per Share Price (the shares of the Other Subscribers, the “Other Subscribed Shares” and together with the Subscribed Shares, the “Collective Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1 Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2 Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to or substantially concurrently with, but in any event not after, the consummation of the Transaction.

(b) At least five (5) Business Days prior to the date the Company reasonably expects all conditions to the closing of the Transaction to be satisfied and the closing of the Transaction to actually occur (the “Anticipated Closing Date”), the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the Anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than one (1) Business Day prior to the Anticipated Closing Date, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is reasonably requested in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person in whose name the Subscribed Shares are to be issued and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that the consummation of the Transaction does not occur within five (5) Business Days after the Anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than six (6) Business Days after the Anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the Anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 7 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in escrow following the Company’s delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or any other day on which the Federal Reserve Bank of New York is closed. Any funds held in escrow by the Company will be uninvested, and the Subscriber shall not be entitled to any interest earned thereon.

(c) The Closing shall be subject to the satisfaction, or valid waiver by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) no suspension of the qualification of the Subscribed Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;
- (ii) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Company’s stockholders, shall have been satisfied (as determined by the parties to the Transaction Agreement) or waived (other than those conditions which, by their nature, are to be and are reasonably expected to be satisfied at the closing of the Transaction pursuant to the Transaction Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with or immediately following the Closing; and

- (iii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date (unless they specifically speak as of another date in which case they shall be true and correct in all material respects as of such date) (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect, which representations and warranties shall be true and correct in all respects); and
- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date (unless they specifically speak as of another date in which case they shall be true and correct in all material respects as of such date) (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect, which representations and warranties shall be true and correct in all respects);
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing;

- (iii) the terms of the Transaction Agreement (as the same exists on the date hereof as provided to the Subscriber) (including the conditions thereto) shall not have been amended or waived in a manner that would reasonably be expected to materially and adversely affect the economic benefits that the Subscriber (in its capacity as such) would expect to receive under this Agreement;
- (iv) there shall have been no amendment, waiver or modification to the Other Subscription Agreements that economically benefits the Other Subscribers unless the Subscriber has been offered substantially the same benefits;
- (v) the Company's Class A common stock will have been approved for listing on the New York Stock Exchange (the "NYSE" or the "Stock Exchange"), subject only to the official notice of the issuance thereof; provided, that the Subscribed Shares will not be eligible for trading on NYSE until such time as the Registration Statement (as defined below) is effective or when Rule 144 of the Securities Act of 1933, as amended (the "Securities Act") becomes available to the Company; and
- (vi) the Company's Class A common stock (i) shall be designated for quotation, or listed on the NYSE, and (ii) shall not have been suspended, as of the applicable Closing Date, by the United States Securities and Exchange Commission (the "Commission") or the NYSE from trading on the NYSE nor shall a suspension by the Commission or the NYSE have been threatened, as of the Closing Date, either (A) in writing by the Commission or the NYSE or (B) by falling below the minimum listing maintenance requirements of the NYSE.

Section 3 Company Representations and Warranties. The Company represents and warrants to Subscriber and the Placement Agents that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a "Company Material Adverse Effect" means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, general affairs, management, financial position, stockholders' equity, or results of operations of the Company and its subsidiaries taken as a whole, or on the Company's ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

(b) As of the Closing Date, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and will not have been issued in violation of or subject to any preemptive or similar rights created under the Company's organizational documents (as adopted on or prior to the Closing Date), by contract or the laws of its jurisdiction of incorporation.

(c) This Subscription Agreement has been duly authorized, validly executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of the Subscriber, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) the organizational documents of the Company or any of its subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(e) Assuming the accuracy of the representations and warranties of Subscriber, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including New York Stock Exchange (the "Stock Exchange")) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the United States Securities and Exchange Commission ("Commission") under Regulation D of the Securities Act of 1933, as amended (the "Securities Act"), if applicable, (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, (v) those required to consummate the Transaction as provided under the Transaction Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

(f) As of their respective dates, all forms, reports, statements, schedules, prospectuses, proxies, registration statements and other documents filed by Company with the Commission prior to the date of this Subscription Agreement (the “SEC Documents”) required to be filed by the Company with the Commission complied in all material respects with the applicable requirements of the Securities Act and/or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Documents, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Documents comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. A copy of each SEC Document is available to the Subscriber via the Commission’s EDGAR system. The Company has timely filed each SEC Document that the Company was required to file with the Commission since its initial registration of the Common Stock with the Commission. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Documents.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect, there is no (i) suit, action, claim or other proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened against the Company or any of its subsidiaries or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its subsidiaries.

(h) Assuming the accuracy of Subscriber’s representations and warranties set forth in Section 4 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Subscribed Shares by the Company to Subscriber.

(i) Neither the Company, nor any person acting on its behalf has, directly or indirectly, made any offers or sales of any Company security or solicited any offers to buy any security under circumstances that would adversely affect reliance by the Company on Section 4(a)(2) of the Securities Act for the exemption from registration for the transactions contemplated hereby or would require registration of the issuance of the Subscribed Shares pursuant to this Subscription Agreement under the Securities Act.

(j) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares and neither the Company nor any person acting on its behalf has offered any of the Subscribed Shares in a manner involving a public offering under, or in a distribution in violation of, the Securities Act or any state securities laws.

(k) Except for Goldman Sachs & Co. LLC and Morgan Stanley & Co. LLC (the “Placement Agents”), no broker, investment banker, finder or other person is entitled to any brokerage or finder’s fee or commission in connection with the sale of the Subscribed Shares to Subscriber. No broker, finder or other financial consultant has acted on behalf of the Company in connection with this Subscription Agreement or the transactions contemplated hereby in such a way as to create any liability on the Subscriber. For the avoidance of doubt, the Company and not the Subscriber is liable for any and all amounts in connection with and due to the Placement Agents.

(l) As of the date hereof, the shares of the Company's Class A common stock are registered pursuant to Section 12(b) of the Securities Exchange Act, and are listed for trading on the Stock Exchange under the symbol "DMYI." There is no suit, action, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by the Stock Exchange or the Commission with respect to any intention by such entity to deregister the Shares or prohibit or terminate the listing of the Shares on the Stock Exchange. The Company has taken no action that is designed to terminate the registration of the Shares under the Exchange Act.

(m) Concurrently with the execution and delivery of this Subscription Agreement, the Company is entering into the Other Subscription Agreements providing for the sale of 29,000,000 Other Subscribed Shares for an aggregate purchase price of \$290,000,000. Neither the Company nor any of its affiliates has entered into any side letter agreements or other agreements or understandings (including written summaries of any oral understandings) with any Other Subscriber in connection with the transactions contemplated by the Other Subscription Agreements, other than (i) Other Subscription Agreements (which agreements shall have been made available to the Subscriber prior to the date hereof) and (ii) as disclosed to Subscriber by the Company prior to the date hereof. The Other Subscription Agreements state the same purchase price per share as stated in this Subscription Agreement.

(n) As at the date hereof, and as of immediately prior to the Closing, the authorized capital stock of the Company is and will consist of: (i) 380,000,000 shares of Class A common stock, par value \$0.0001 per share ("Authorized Class A Shares") (ii) 20,000,000 shares of Class B common stock, par value \$0.0001 per share (the "Class B common stock") ("Authorized Class B Shares"); and (iii) 1,000,000 shares of preferred stock, par value \$0.0001 per share (the "Preferred Shares") ("Authorized Preferred Shares"). As of the date hereof, and as of immediately prior to the completion of the Transaction (prior to giving effect to (x) any redemption of any Class A common stock held by the Company's public shareholders in connection with the consummation of the Transaction and (y) the issuance of the Collective Subscribed Shares): (i) no Preferred Shares are and will be issued and outstanding; (ii) 30,000,000 Authorized Class A Shares are and will be issued and outstanding; (iii) 7,500,000 Authorized Class B Shares are and will be issued and outstanding; (iv) 4,000,000 private placement warrants (the "Private Placement Warrants") are and will be outstanding; and (v) 7,500,000 public warrants (the "Public Warrants") are and will be outstanding. All (i) issued and outstanding shares of Class A common stock and Authorized Class B Shares have been duly authorized and validly issued, are fully paid and are non-assessable and are not subject to preemptive rights and (ii) outstanding Private Placement Warrants and Public Warrants have been duly authorized and validly issued, are fully paid and are not subject to preemptive rights. Except as set forth above and pursuant to any Other Subscription Agreements and the Transaction Agreement, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from the Company any shares of Class A common stock or Class B common stock, or any other equity interests in the Company, or securities convertible into or exchangeable or exercisable for such equity interests. Other than the Merger Sub (as defined in the Transaction Agreement), the Company has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated

or unincorporated. There are no stockholder agreements, voting trusts or other agreements or understandings to which the Company is a party or by which it is bound relating to the voting of any securities of the Company, other than (A) as set forth in the SEC Reports and (B) as contemplated by the Transaction Agreement and the Ancillary Agreements (as defined in the Transaction Agreement).

(o) The Company is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. The Company is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a “Shell Bank”) or providing banking services to a Shell Bank. The Company represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the “BSA/PATRIOT Act”), that the Company maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. The Company also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Company against Sanctions-related lists of blocked or restricted persons. For purposes of this Agreement, “Sanctioned Person” means at any time any person or entity with whom dealings are restricted, prohibited, or sanctionable under any Sanctions (as defined below), including as a result of being: (a) listed on any Sanctions-related list of designated or blocked or restricted persons; (b) that is a national of, the government of, or any agency or instrumentality of the government of, or resident in, or organized under the laws of, a country or territory that is the target of comprehensive Sanctions from time to time (as of the date of this Agreement, Cuba, Iran, North Korea, Syria, and the Crimea region); or (c) a relationship of ownership, control, or agency with any of the foregoing. “Sanctions” means those trade, economic and financial sanctions laws, regulations, embargoes, and restrictive measures (in each case having the force of law) administered, enacted or enforced from time to time by (a) the United States (including without limitation the U.S. Department of the Treasury, Office of Foreign Assets Control, the U.S. Department of State, and the U.S. Department of Commerce), (b) the European Union and enforced by its member states, (c) the United Nations and (d) the United Kingdom.

(p) The Company is not owned or controlled by or acting on behalf of (in connection with this Transaction) a person or entity resident that: (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a “Non-cooperative Jurisdiction”), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

Section 4 Subscriber Representations and Warranties. Subscriber represents and warrants to the Company and the Placement Agents that:

(a) Subscriber (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act), in each case, satisfying the applicable requirements set forth on Annex A, (ii) is acquiring the Subscribed Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto). Subscriber is an “institutional account” as defined by FINRA Rule 4512(c).

(e) Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the applicable states and other jurisdictions of the United States, and

that any certificates or book entry records representing the Subscribed Shares shall contain a restrictive legend to such effect. The Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act until at least one year from the filing of "Form 10 information" with the Commission after the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company and the Transaction (including IonQ and its subsidiaries (collectively, the "Acquired Companies")). Subscriber represents and agrees that Subscriber and Subscriber's professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned's professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Without limiting the generality of the foregoing, the Subscriber acknowledges that it has reviewed the Company's filings with the Commission. Subscriber acknowledges and agrees that none of the Placement Agents, or any affiliate of the Placement Agents, has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the Acquired Companies or the quality or value of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber agrees that none of the Placement Agents shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber's purchase of the Subscribed Shares.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company and/or IonQ, or their respective representatives or affiliates, or by means of contact from the Placement Agents and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company and/or IonQ, or their respective affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

(j) Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

(k) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

(l) Subscriber is not owned or controlled by or acting on behalf of (i) a person or entity named on the List of Specially Designated Nationals and Blocked Persons administered by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC") or in any Executive Order issued by the President of the United States and administered by OFAC ("OFAC List"), or a person or entity with whom dealings are prohibited by any U.S. sanctions program. Subscriber is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a "Shell Bank") or providing banking services to a Shell Bank. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the "BSA/PATRIOT Act"), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. To the extent required by applicable law, Subscriber maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Subscriber against the OFAC sanctions programs, including the OFAC List. Subscriber further represents and warrants (a) that to the extent required, it maintains policies and procedures reasonably designed to ensure that the funds held by Subscriber and used to purchase the Subscribed Shares were not directly or indirectly derived from or related to any activities that may contravene US. federal, state or non-U.S. anti-money laundering, anti-corruption or U.S. sanctions laws and regulations or activities that may otherwise be deemed criminal and (b) any returns from the Subscriber's investments will not be used to finance any illegal activities.

(m) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a person or entity resident in, or whose funds used to purchase the Subscribed Shares are transferred from or through, a country, territory or entity that (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a “Non-cooperative Jurisdiction”), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

(n) Subscriber does not have, as of the date hereof, and during the 30-day period immediately prior to the date hereof such Subscriber has not entered into, any “put equivalent position” as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale positions with respect to the securities of the Company or IonQ. Notwithstanding the foregoing, in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber’s assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Agreement.

(o) Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) including any group acting for the purpose of acquiring, holding, voting or disposing of equity securities of the Company or IonQ (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

(p) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates, including dMY Sponsor III, LLC (the “Transaction Parties”), has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(q) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(r) No broker, investment banker, finder or other person has acted on behalf of Subscriber and is entitled to any brokerage or finder's fee or commission in connection with the sale of the Subscribed Shares to Subscriber.

(s) Subscriber agrees that the Placement Agents may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

Section 5 Registration of Subscribed Shares.

(a) The Company agrees that, within fifteen (15) Business Days after the Closing Date (the "Filing Date"), the Company will submit to or file with the Commission (at the Company's sole cost and expense) a registration statement on Form S-1 registering the resale of the Subscribed Shares (the "Registration Statement") and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (and in any event, no later than thirty (30) calendar days following the Filing Date) (the "Effectiveness Deadline"), provided, that the Effectiveness Deadline shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business.

Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be "reviewed" or subject to further review, the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. Any failure by the Company to file the Registration Statement by the Closing Date or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this Section 5. The Company will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment) at least two (2) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber's review. In no event shall the undersigned be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement. The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Company will use commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two (2) years from the issuance of the Subscribed Shares, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which the undersigned can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 of the Securities Act without limitation as to the manner of sale or the amount of such securities that may be sold. For

as long as the Registration Statement shall remain effective pursuant to the immediately preceding sentence, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 of the Securities Act (when Rule 144 of the Securities Act becomes available to the Company), as applicable, qualify the Subscribed Shares for listing on the applicable stock exchange on which the Company's Shares are then listed, and update or amend the Registration Statement as necessary to include the Subscribed Shares. The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934 (as amended, the "Exchange Act"), of Subscribed Shares to the Company (or its successor) upon request solely to assist the Company in making the determination described above. The Company's obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder; provided Subscriber shall not be required to execute any lock-up or similar agreement or otherwise be subject to any contractual restriction on the ability to transfer Subscribed Shares except as provided in Section 9 of this Subscription Agreement. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a "Suspension Event"); provided, that, (w) the Company shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions for a period of more than sixty (60) consecutive days each or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360) day period and (x) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the

avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the undersigned will deliver to the Company or, in the undersigned's sole discretion destroy, all copies of the prospectus covering the Subscribed Shares in the undersigned's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (w) to the extent the undersigned is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up.

(c)

- (i) The Company agrees to indemnify, to the extent permitted by law, the Subscriber (to the extent a seller under the Registration Statement), its directors and officers, employees and agents, and each person who controls the Subscriber (within the meaning of the Securities Act), to the extent permitted by law, against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including reasonable and documented attorneys' fees of one law firm (plus the fees of any local counsel)) caused by any untrue or alleged untrue statement of material fact contained in any Registration Statement, prospectus included in any Registration Statement ("Prospectus") or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by or on behalf of the Subscriber expressly for use therein.
- (ii) In connection with any Registration Statement in which the Subscriber is participating, the Subscriber shall furnish (or cause to be furnished) to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers, employees and agents, and each person or entity who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including, without limitation, reasonable and documented outside attorneys' fees) resulting from any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the

statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained (or not contained in, in the case of an omission) in any information or affidavit so furnished in writing by or on behalf of the Subscriber expressly for use therein; provided, however, that the liability of the Subscriber shall be several and not joint with any Other Subscribers and shall be limited to the net proceeds received by the Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation.

- (iii) Any person or entity entitled to indemnification herein shall (A) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (B) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties or separate defenses may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld, delayed or conditioned). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel (plus any local counsel) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.
- (iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of the Subscribed Shares purchased pursuant to this Subscription Agreement.
- (v) If the indemnification provided under this Section 5(c) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified

party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of the Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), or on behalf of, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5(c)(i), (ii) and (iii) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5(c)(v) from any person or entity who was not guilty of such fraudulent misrepresentation.

(d) If the Subscribed Shares acquired hereunder are either eligible to be sold (i) pursuant to an effective Registration Statement or (ii) without restriction under, and without the Company being in compliance with the current public information requirements of, Rule 144 under the Securities Act, then at the Subscriber's request, the Company will reasonably cooperate with the Company's transfer agent, such that any remaining restrictive legend set forth on such Subscribed Shares will be removed in connection with a sale of such shares.

Section 6 Short Sales. Subscriber hereby agrees that, from the date of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Company prior to the Closing. For purposes of this Section 6, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing herein shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber's participation in the Transaction (including Subscriber's controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no knowledge of the investment

decisions made by the portfolio managers managing other portions of such Subscriber's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement. For the purposes of this Subscription Agreement, (i) the Company and the Company's subsidiaries shall not be considered affiliates or controlled affiliates of the Subscriber or any of the Subscriber's affiliates, (ii) no portfolio company of any affiliate of Silver Lake Group, L.L.C. that serves as general partner of, or manages or advises, any investment fund or other investment entity affiliated with Silver Lake Group, L.L.C., the Subscriber or their respective affiliates shall be deemed an affiliate or controlled affiliate of the Subscriber and its other affiliates (and vice versa) and (iii) the Subscriber and the Other Subscribers shall not be considered affiliates of each other.

Section 7 Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the parties hereto to terminate this Subscription Agreement, (c) if, on the Closing Date of the Transaction, any of the conditions to Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated or (d) January 6, 2022, if the Closing shall not have occurred on or before such date (the termination events described in clauses (a)-(d) above, collectively, the "Termination Events"); *provided*, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 7, this Subscription Agreement shall be void and of no further effect and any portion of the Purchase Price paid by the Subscriber to Company in connection herewith shall promptly (and in any event within one (1) Business Day) following the Termination Event be returned to the Subscriber.

Section 8 Trust Account Waiver. Subscriber hereby acknowledges that the Company has established a trust account (the "Trust Account") containing the proceeds of its initial public offering (the "IPO") and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company's public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the "Released Claims"), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in

the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (c) will not seek recourse against the Trust Account for any reason whatsoever; provided, however, that nothing in this Section 8 shall be deemed to limit any Subscriber's right, title, interest or claim to the Trust Account by virtue of such Subscriber's record or beneficial ownership of securities acquired by any means other than pursuant to this Subscription Agreement, including but not limited to redemptions or distributions from the Trust Account in accordance with the Company's amended and restated certificate of incorporation in respect of shares of Class A Common Stock of the Company acquired by any means other than pursuant to this Subscription Agreement.

Section 9 Transfer Restrictions. Subscriber agrees that it shall not, without the prior written consent of the Company, (a) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to the Subscribed Shares specified in the subsequent clauses (i) and (ii), (b) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subscribed Shares (clauses (a) and (b) collectively, a "Transfer") or (c) publicly announce any intention to effect any transaction specified in clause (a) or (b), in each case, as follows: (i) for one-third of the Subscribed Shares to be held by the Subscriber and its permitted assigns (as defined below) at the Closing Date, for a period beginning on the date hereof and ending on the date that is eighteen (18) months hereafter and (ii) for one-third of the Subscribed Shares to be held by the Subscriber and its permitted assigns (as defined below) at the Closing Date, for a period beginning on the date hereof and ending on the earlier of (1) the date that is twelve (12) months hereafter and (2) the date on which the last reported sale price of Class A common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any twenty (20) trading days within any thirty (30) trading day period commencing at least one hundred fifty (150) days after the Closing Date (each such period in clauses (i) and (ii), a "Lock-Up Period"). For the avoidance of doubt, the remaining one-third of the Subscribed Shares held by the Subscriber and its permitted assigns (as defined below) at the Closing Date shall not be subject to any Lock-Up Period. Notwithstanding the foregoing provisions of this Section 9, (x) each Lock-Up Period shall end on the date of consummation of a liquidation, merger, stock exchange, reorganization, tender offer, in each case, approved by the Board of Directors of the Company (or any successor thereto) or a duly authorized committee thereof or other similar transaction which results in all of stockholders of the Company (or any successor thereto) having the right to exchange their shares of common stock for cash, securities or other property subsequent to the Closing Date. and (y) the Subscriber may Transfer any Subscriber Shares (A) to its permitted assigns, irrespective of whether any rights and obligations under this Subscription Agreement have been assigned to such person or (B) in connection with any legal, regulatory or other order. For the avoidance of doubt, the Subscriber and its permitted assigns shall retain all of their respective rights as stockholders of the Company with respect to the applicable Subscribed Shares during the applicable Lock-Up Period, including the right to vote any Subscribed Shares that such person is entitled to vote.

Section 10 Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, with no mail undeliverable or other rejection notice, on the date of transmission to such recipient, (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 10(a). A courtesy electronic copy (which copy shall not constitute notice) of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 10(a).

(b) Subscriber acknowledges that the Company, IonQ, the Placement Agents and others will rely on the acknowledgments, understandings, agreements, representations and warranties of Subscriber contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company, IonQ and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. Each of Subscriber and the Company acknowledges and agrees that each purchase by Subscriber of Subscribed Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by each of Subscriber and the Company as of the time of such purchase. The Company acknowledges that Subscriber will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

(c) The Company hereby agrees and acknowledges that Subscriber (together with its affiliates) invests in numerous companies, some of which may be deemed competitive with the Company's business. The Company hereby agrees that, to the extent permitted under applicable law, Subscriber shall not be liable to the Company for any claim arising out of, or based upon, the investment by Investor in any entity competitive with the Company; provided, that nothing in this Section 10(c) shall limit Subscriber's liability resulting from a breach of the Subscription Agreement.

(d) Each of the Company, IonQ, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. The parties hereto acknowledge and agree that the Placement Agents are third-party beneficiaries of the acknowledgments, representations, warranties and covenants of the parties contained in this Subscription Agreement.

(e) Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(f) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds, vehicles or accounts controlled, managed or advised by the investment manager who acts on behalf of Subscriber or any of its affiliates) or, with the Company's prior written consent, to another person (each of the foregoing, a "permitted assign"), provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations.

(g) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing. For the avoidance of doubt, if for any reason the Closing does not occur prior to the consummation of the Transaction, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transaction and remain in full force and effect.

(h) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares and to register the Subscribed Shares for resale, and Subscriber shall provide such information as may be reasonably requested. Subscriber acknowledges that, subject to the conditions set forth in Section 10(u), the Company may file a copy of this Subscription Agreement with the Commission as an exhibit to a periodic report of the Company or a registration statement of the Company.

(i) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(j) This Subscription Agreement and any non-disclosure agreement entered into by the parties hereto constitute the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(k) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 10(b), Section 10(c), this Section 10(k), and Section 10(t) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(l) The parties hereto acknowledge and agree that (i) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Transaction Agreement and (ii) irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that (i) the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement and (ii) the Subscriber shall be entitled to specifically enforce the Company's obligations to issue the Subscribed Shares and the provisions of the Subscription Agreement, in each case of prong (i) and (ii), on the terms and subject to the conditions set forth herein. The parties hereto further acknowledge and agree: (x) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 10(l) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate.

(m) In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

(n) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(o) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(p) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(q) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

(r) EACH PARTY AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(s) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the United States District Court for the Southern District of New York, the Supreme Court of the State of New York and the federal courts of the United States of America located in the State of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 10(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

(t) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties or third party beneficiaries hereto and then only with respect to the specific obligations set forth herein with respect to such party or third party beneficiary. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(u) Subscriber hereby consents to the publication and disclosure in any Form 8-K filed by the Company with the Commission and, with the prior written consent of Subscriber, which consent shall not be unreasonably withheld, in any press release issued by the Company or IonQ, in connection with the execution and delivery of the Transaction Agreement or the transactions contemplated thereby and the Proxy Statement (as defined in the Transaction Agreement) (and, as and to the extent otherwise required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby, any other documents or communications provided by the Company or IonQ to any governmental entity or to any securityholders of the Company) of Subscriber's identity and beneficial ownership of the Subscribed Shares and the nature of Subscriber's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by the Company or IonQ, a copy of this Agreement, all solely to the extent required by applicable law or any regulation or stock exchange listing requirement. Other than as set forth in the immediately preceding sentence, without Subscriber's prior written consent, which consent shall not be unreasonably withheld, the Company will not publicly disclose the name of Subscriber, other than to the Company's lawyers, independent accountants and to other advisors and service providers who reasonably require such information in connection with the provision of services to such person, are advised of the confidential nature of such information and are obligated to keep such information confidential. Notwithstanding anything herein to the contrary, without Subscriber's prior written consent, which consent shall not be unreasonably withheld, the Company shall not use Subscriber's name in connection with the Transaction, except to the extent such disclosure is required by law, at the request of the Staff of the SEC or regulatory agency or under the regulations of the Stock Exchange, in which case the Company shall provide Subscriber with prior written notice of such disclosure. Subscriber will promptly provide any information reasonably requested by the Company or IonQ for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission). For the avoidance of doubt, nothing in this Agreement shall require or be deemed to require the Company or IonQ to make public or disclose any material, non-public information that the Company and/or IonQ have provided to Subscriber other than the material, non-public information that is contained in the Proxy Statement (as defined in the Transaction Agreement) or other filings of the Company with the Commission; provided, that the Company shall, by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby and by any Other Subscription Agreements executed and delivered at such time and the Transaction.

Notwithstanding the foregoing, the Company shall provide to Subscriber a copy of any proposed disclosure relating to the Subscriber in accordance with the provisions of this Section 10(u) in advance of any publication thereof and shall include such revisions to such proposed disclosure as Subscriber shall reasonably request.

(v) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, IonQ or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and Other Subscribers or other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Subscriber and Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

(w) Promptly after the date hereof, Subscriber and IonQ or a successor company resulting from the Transaction shall use reasonable best efforts to negotiate in good faith and enter into, as of the Closing, a contractual commitment (the “Collaboration Framework Agreement”) on terms consistent with the terms set forth on Exhibit A (the “Collaboration Framework Term Sheet”) of this Subscription Agreement (and any other terms as may be mutually agreed between such persons); provided, that, notwithstanding the foregoing, in the event that the parties are not able to finalize the Collaboration Framework Agreement prior to the Closing, (i) the parties shall continue to negotiate in good faith and shall enter into, execute and deliver such agreement as soon as reasonably practicable thereafter and (ii) the terms and conditions set forth on the Collaboration Framework Term Sheet shall be binding on the parties until the time the Collaboration Framework Agreement is executed and delivered

IN WITNESS WHEREOF, each of the Company and Subscriber has executed or caused this Subscription Agreement to be executed by its duly authorized representative as of the date first set forth above.

SUBSCRIPTION AGREEMENT

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on March 7, 2021, by and between dMY Technology Group, Inc. III (the “Company”), a Delaware corporation, and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with IonQ, Inc., a Delaware corporation (“IonQ”), and the other parties thereto, in substantially the form previously provided to Subscriber, providing for the combination of the Company and IonQ (as may be amended or supplemented from time to time, the “Transaction Agreement,” and the transactions contemplated by the Transaction Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Shares”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company at or prior to the Closing Date (as defined herein); and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements”) and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of up to 35,000,000 Shares, at the Per Share Price (the shares of the Other Subscribers, the “Other Subscribed Shares” and together with the Subscribed Shares, the “Collective Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1 Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2 Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to or substantially concurrently with, but in any event not after, the consummation of the Transaction.

(b) At least five (5) Business Days before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than two (2) Business Days prior to the Closing Date, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is reasonably required in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person or entity in whose name the Subscribed Shares are to be issued and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that the consummation of the Transaction does not occur within five (5) Business Days after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than seven (7) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 7 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in escrow following the Company’s delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or any other day on which the Federal Reserve Bank of New York is closed. Any funds held in escrow by the Company will be uninvested, and the Subscriber shall not be entitled to any interest earned thereon.

(c) The Closing shall be subject to the satisfaction, or valid waiver by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) no suspension of the qualification of the Subscribed Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;

- (ii) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Company's stockholders, shall have been satisfied (as determined by the parties to the Transaction Agreement) or waived (other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction pursuant to the Transaction Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with or immediately following the Closing; and
- (iii) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date; and
- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date;
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing; and
- (iii) the terms of the Transaction Agreement (including the conditions thereto) shall not have been amended or waived in a manner that is, or would reasonably be expected to be, materially adverse to the Subscriber (in its capacity as such).

Section 3 Company Representations and Warranties. The Company represents and warrants to Subscriber and the Placement Agents that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a “Company Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, general affairs, management, financial position, stockholders’ equity, or results of operations of the Company and its subsidiaries taken as a whole, or on the Company’s ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

(b) As of the Closing, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and will not have been issued in violation of any preemptive or similar rights created under the Company’s organizational documents (as adopted on or prior to the Closing Date), by contract or the laws of its jurisdiction of incorporation.

(c) This Subscription Agreement has been duly authorized, executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of Subscriber, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) the

organizational documents of the Company or any of its subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(e) Assuming the accuracy of the representations and warranties of Subscriber, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including New York Stock Exchange (the “Stock Exchange” or the “NYSE”)) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the United States Securities and Exchange Commission (“Commission”) under Regulation D of the Securities Act of 1933, as amended (the “Securities Act”), if applicable, (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, (v) those required to consummate the Transaction as provided under the Transaction Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

(f) As of their respective dates, all reports (the “SEC Reports”) required to be filed by the Company with the Commission complied in all material respects with the applicable requirements of the Securities Act and/or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. A copy of each SEC Report is available to the Subscriber via the Commission’s EDGAR system. The Company has timely filed each report, statement, schedule, prospectus included in any Registration Statement (“Prospectus”), and registration statement that the Company was required to file with the Commission since its initial registration of the Common Stock with the Commission. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect, there is no (i) suit, action, claim or other proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its subsidiaries or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its subsidiaries.

(h) Assuming the accuracy of Subscriber's representations and warranties set forth in Section 4 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Subscribed Shares by the Company to Subscriber.

(i) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares.

(j) Except for Goldman Sachs & Co. LLC and Morgan Stanley & Co. LLC (the "Placement Agents"), no broker or finder is entitled to any brokerage or finder's fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(k) As of the date hereof, the shares of the Company's Class A common stock are registered pursuant to Section 12(b) of the Securities Exchange Act, and are listed for trading on the NYSE under the symbol "DMYL." There is no suit, action, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by NYSE or the Commission with respect to any intention by such entity to deregister the Shares or prohibit or terminate the listing of the Shares on NYSE. The Company has taken no action that is designed to terminate the registration of the Shares under the Exchange Act.

(l) Concurrently with the execution and delivery of this Subscription Agreement, the Company is entering into the Other Subscription Agreements providing for the sale of 32,500,000 Other Subscribed Shares for an aggregate purchase price of \$325,000,000. Neither the Company nor any of its affiliates has entered into any side letter agreements or other agreements or understandings (including written summaries of any oral understandings) with any Other Subscriber in connection with the transactions contemplated by the Other Subscription Agreements, other than (i) the Other Subscription Agreements (which agreements shall have been made available to the Subscriber prior to the date hereof) and (ii) as disclosed to Subscriber by the Company prior to the date hereof. The Other Subscription Agreements state the same purchase price per share as stated in this Subscription Agreement.

(m) As at the date hereof, and as of immediately prior to the Closing, the authorized capital stock of the Company is and will consist of: (i) 380,000,000 shares of Class A common stock, par value \$0.0001 per share ("Authorized Class A Shares") (ii) 20,000,000 shares of Class B common stock, par value \$0.0001 per share (the "Class B common stock") ("Authorized Class B Shares"); and (iii) 1,000,000 shares of preferred stock, par value \$0.0001 per share (the "Preferred Shares") ("Authorized Preferred Shares"). As of the date hereof, and as of immediately prior to the completion of the Transaction (prior to giving effect to (x) any redemption of any Class A common stock held by the Company's public shareholders in connection with the consummation of the Transaction and (y) the issuance of the Collective Subscribed Shares): (i) no Preferred

Shares are and will be issued and outstanding; (ii) 30,000,000 Authorized Class A Shares are and will be issued and outstanding; (iii) 7,500,000 Authorized Class B Shares are and will be issued and outstanding; (iv) 4,000,000 private placement warrants (the “Private Placement Warrants”) are and will be outstanding; and (v) 7,500,000 public warrants (the “Public Warrants”) are and will be outstanding. All (i) issued and outstanding shares of Class A common stock and Authorized Class B Shares have been duly authorized and validly issued, are fully paid and are non-assessable and are not subject to preemptive rights and (ii) outstanding Private Placement Warrants and Public Warrants have been duly authorized and validly issued, are fully paid and are not subject to preemptive rights. Except as set forth above and pursuant to any Other Subscription Agreements and the Transaction Agreement, there are no outstanding options, warrants or other rights to subscribe for, purchase or acquire from the Company any shares of Class A common stock or Class B common stock, or any other equity interests in the Company, or securities convertible into or exchangeable or exercisable for such equity interests. Other than the Merger Sub (as defined in the Transaction Agreement), the Company has no subsidiaries and does not own, directly or indirectly, interests or investments (whether equity or debt) in any person, whether incorporated or unincorporated. There are no stockholder agreements, voting trusts or other agreements or understandings to which the Company is a party or by which it is bound relating to the voting of any securities of the Company, other than (A) as set forth in the SEC Reports and (B) as contemplated by the Transaction Agreement and the Ancillary Agreements (as defined in the Transaction Agreement).

Section 4 Subscriber Representations and Warranties. Subscriber represents and warrants to the Company and the Placement Agents that:

(a) Subscriber (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is

bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3) or (7) under the Securities Act), in each case, satisfying the applicable requirements set forth on Annex A, (ii) is acquiring the Subscribed Shares only for its own account and not for the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto). Subscriber is an “institutional account” as defined by FINRA Rule 4512(c).

(e) Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the applicable states and other jurisdictions of the United States, and that any certificates or book entry records representing the Subscribed Shares shall contain a restrictive legend to such effect. The Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act (“Rule 144”) until at least one year from the filing of “Form 10 information” with the Commission after the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company and the Transaction (including IonQ and its subsidiaries (collectively, the “Acquired Companies”)). Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned’s professional advisor (s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Without limiting the generality of the foregoing, the Subscriber acknowledges that it has reviewed the Company’s filings with the Commission. Subscriber acknowledges and agrees that none of the Placement Agents, or any affiliate of the Placement Agents, has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the Acquired Companies or the quality or value of the Subscribed Shares and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, none of the Placement Agents or any of their respective affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber agrees that none of the Placement Agents shall be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber’s purchase of the Subscribed Shares.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company and/or IonQ, or their respective representatives or affiliates, or by means of contact from the Placement Agents and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company and/or IonQ, or their respective affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

(j) Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber's investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

(k) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

(l) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. Subscriber is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a "Shell Bank") or providing banking services to a Shell Bank. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the "BSA/PATRIOT Act"), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Subscriber against Sanctions-related lists of blocked or restricted persons. Subscriber further represents and warrants that (a) the funds held by Subscriber and used to purchase the Subscribed Shares were not directly or indirectly derived from or related to any activities that may contravene U.S. federal, state or non-U.S. anti-money laundering, anti-corruption or Sanctions laws and regulations or activities that may otherwise be deemed criminal and (b) any returns from the Subscriber's investment will not be used to finance any illegal activities. For purposes of this Agreement, "Sanctioned Person" means at any time any person or entity with whom dealings are restricted, prohibited, or sanctionable under any Sanctions (as defined below), including as a result of being: (a) listed on any Sanctions-related list of designated or blocked or restricted persons; (b) that is a national of, the government of, or any agency or instrumentality of the government of, or resident in, or organized under the laws of, a country or territory that is the target of comprehensive Sanctions from time to time (as of the date of this Agreement, Cuba, Iran, North Korea,

Syria, and the Crimea region); or (c) a relationship of ownership, control, or agency with any of the foregoing. “Sanctions” means those trade, economic and financial sanctions laws, regulations, embargoes, and restrictive measures (in each case having the force of law) administered, enacted or enforced from time to time by (a) the United States (including without limitation the U.S. Department of the Treasury, Office of Foreign Assets Control, the U.S. Department of State, and the U.S. Department of Commerce), (b) the European Union and enforced by its member states, (c) the United Nations and (d) the United Kingdom.

(m) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a person or entity resident in, or whose funds used to purchase the Subscribed Shares are transferred from or through, a country, territory or entity that (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a “Non-cooperative Jurisdiction”), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

(n) Subscriber does not have, as of the date hereof, and during the 30-day period immediately prior to the date hereof such Subscriber has not entered into, any “put equivalent position” as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale positions with respect to the securities of the Company or IonQ. Notwithstanding the foregoing, in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber’s assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Agreement.

(o) Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) including any group acting for the purpose of acquiring, holding, voting or disposing of equity securities of the Company or IonQ (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

(p) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions

under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates, including dMY Sponsor III, LLC (the “Transaction Parties”), has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(q) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(r) Except for the Placement Agents, no broker or finder is entitled to any brokerage or finder’s fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(s) Subscriber agrees that the Placement Agents may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

Section 5 Registration of Subscribed Shares.

(a) The Company agrees that, within fifteen (15) Business Days after the Closing Date (the “Filing Date”), the Company will submit to or file with the Commission (at the Company’s sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the “Registration Statement”) and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (and in any event, no later than thirty (30) calendar days following the Filing Date) (the “Effectiveness Deadline”), provided, that the Effectiveness Deadline shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the SEC that the Registration Statement will not be “reviewed” or subject to further review, the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. Any failure by the Company to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this Section 5. The Company will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment) at

least two (2) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber's review. In no event shall the undersigned be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission. In such event, the number of Subscribed Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced *pro rata* among all such selling stockholders. The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the Prospectus, the Company will use commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two (2) years from the issuance of the Subscribed Shares, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which the undersigned can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 without limitation or restriction, including, without limitation, as to the manner of sale or the amount of such securities that may be sold and without the requirement for the Company to be in compliance with the current public information required under Rule 144(c)(1) of the Securities Act. For as long as the Registration Statement shall remain effective pursuant to the immediately preceding sentence, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 (when Rule 144 becomes available to the Company), as applicable, qualify the Subscribed Shares for listing on the applicable stock exchange on which the Company's Shares are then listed, and update or amend the Registration Statement as necessary to include the Subscribed Shares. The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934 (as amended, the "Exchange Act"), of Subscribed Shares to the Company (or its successor) upon request to assist the Company in making the determination described above. The Company's obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. In the case of the registration

effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a "Suspension Event"); provided, that, (w) the Company shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions for a period of more than sixty (60) consecutive days each or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360) day period and (x) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related Prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the Prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended Prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the undersigned will deliver to the Company or, in the undersigned's sole discretion destroy, all copies of the Prospectus covering the Subscribed Shares in the undersigned's possession; provided, however, that this obligation to deliver or destroy all copies of the Prospectus covering the Subscribed Shares shall not apply (w) to the extent the undersigned is required to retain a copy of such Prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up. If the Subscribed Shares acquired hereunder are either eligible to be sold (i) pursuant to an effective Registration Statement or (ii) without restriction under, and without the requirement for the Company to be in compliance with the current public information requirements of, Rule 144 under the Securities Act, then at the Subscriber's request, the Company will reasonably cooperate with the Company's transfer agent, such that any remaining restrictive legend set forth on such Subscribed Shares will be removed in connection with a sale of such shares.

(c)

- (i) The Company agrees to indemnify, to the extent permitted by law, Subscriber (to the extent a seller under the Registration Statement), its directors and officers, employees and agents, and each person who controls Subscriber (within the meaning of the Securities Act), to the extent permitted by law, against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including, without limitation, reasonable and documented attorneys' fees of one law firm (plus the fees of any local counsel)) caused by any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, prospectus included in any Registration Statement or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, except insofar as the same are caused by or contained in any information furnished in writing to the Company by or on behalf of Subscriber expressly for use therein.
- (ii) In connection with any Registration Statement in which Subscriber is participating, Subscriber shall furnish (or cause to be furnished) to the Company in writing such information as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus and, to the extent permitted by law, shall indemnify the Company, its directors and officers, employees and agents, and each person or entity who controls the Company (within the meaning of the Securities Act) against all losses, claims, damages, liabilities and reasonable and documented out of pocket expenses (including, without limitation, reasonable and documented outside attorneys' fees (plus the fees of any local counsel)) caused by any untrue or alleged untrue statement of material fact contained in, or incorporated by reference in, any Registration Statement, Prospectus or preliminary Prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, in the light of the circumstances under which they were made) not misleading, but only to the extent that such untrue statement or omission is contained (or not contained in, in the case of an omission) in any information or affidavit so furnished in writing by or on behalf of Subscriber expressly for use therein; provided, however, that the liability of Subscriber shall be several and not joint with any Other Subscribers and shall be limited to the net proceeds received by Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation.

- (iii) Any person or entity entitled to indemnification herein shall (A) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any person's or entity's right to indemnification hereunder to the extent, and only to the extent, such failure has not prejudiced the indemnifying party) and (B) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties or separate defenses may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without the indemnifying party's consent (but such consent shall not be unreasonably withheld, delayed or conditioned). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one law firm (plus any local counsel) for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of legal counsel to any indemnified party a conflict of interest exists between such indemnified party and any other of such indemnified parties with respect to such claim. No indemnifying party shall, without the consent of the indemnified party, consent to the entry of any judgment or enter into any settlement which cannot be settled in all respects by the payment of money (and such money is so paid by the indemnifying party pursuant to the terms of such settlement) or which settlement includes a statement or admission of fault and culpability on the part of such indemnified party or which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.
- (iv) The indemnification provided for under this Subscription Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, director or controlling person or entity of such indemnified party and shall survive the transfer of the Subscribed Shares purchased pursuant to this Subscription Agreement.
- (v) If the indemnification provided under this Section 5(c) from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations; provided, however, that the liability of Subscriber shall be limited to the net proceeds received by such Subscriber from the sale of Subscribed Shares giving rise to such indemnification obligation. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including

any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by (or not made by, in the case of an omission), or relates to information supplied by (or not supplied by, in the case of an omission), or on behalf of, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action. The amount paid or payable by a party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Sections 5(c)(i), (ii) and (iii) above, any legal or other fees, charges or expenses reasonably incurred by such party in connection with any investigation or proceeding. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 5(c)(v) from any person or entity who was not guilty of such fraudulent misrepresentation. Notwithstanding anything to the contrary herein, in no event will any party be liable for consequential, special, exemplary or punitive damages in connection with this Subscription Agreement.

Section 6 Short Sales. Subscriber hereby agrees that, from the date of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Company prior to the Closing. For purposes of this Section 6, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing herein shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber's participation in the Transaction (including Subscriber's controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

Section 7 Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the

parties hereto to terminate this Subscription Agreement, (c) if, on the Closing Date of the Transaction, any of the conditions to Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated or (d) the date that is 30 Business Days after the Outside Date (as defined in the Transaction Agreement), if the Closing shall not have occurred on or before such date (the termination events described in clauses (a)-(d) above, collectively, the “Termination Events”); provided, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 7, this Subscription Agreement shall be void and of no further effect and any portion of the Purchase Price paid by the Subscriber to Company in connection herewith shall promptly (and in any event within one (1) business day) following the Termination Event be returned to the Subscriber.

Section 8 Trust Account Waiver. Subscriber hereby acknowledges that the Company has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company’s public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Released Claims”), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (c) will not seek recourse against the Trust Account for any reason whatsoever; provided, however, that nothing in this Section 8 shall be deemed to limit any Subscriber’s right to distributions from the Trust Account in accordance with the Company’s amended and restated certificate of incorporation in respect of shares of Class A Common Stock of the Company acquired by any means other than pursuant to this Subscription Agreement.

Section 9 Transfer Restrictions. Subscriber agrees that it shall not, without the prior written consent of the Company, (a) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Subscribed Shares, (b) enter into any swap or other

arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subscribed Shares or (c) publicly announce any intention to effect any transaction specified in clause (a) or (b), for a period beginning on the date hereof and ending on the date that is six (6) months after the Closing (the “Lock-Up Period”); provided; however, that the transfer restrictions set forth in this Section 9 shall (i) be of no further force or effect automatically on the date that is three (3) months after the Closing if the last reported sale price of Class A common stock equals or exceeds \$40.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any twenty (20) trading days within any thirty (30) trading day period during the period commencing on the Closing Date and ending on the date that is three (3) months after the Closing, (ii) immediately and automatically be of no further force or effect if the last reported sale price of Class A common stock equals or exceeds \$65.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any twenty (20) trading days within any thirty (30) trading day period during the period commencing on the Closing Date and ending on the date that is three (3) months after the Closing and (iii) immediately and automatically be of no further force or effect if the last reported sale price of Class A common stock equals or exceeds \$40.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any twenty (20) trading days within any thirty (30) trading day period during the period commencing on the date that is three (3) months after the Closing and ending on the date that is six (6) months after the Closing.

Section 10 Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, on the date of transmission to such recipient; provided, that such notice, request, demand, claim or other communication is also sent to the recipient pursuant to clauses (i), (iii) or (iv) of this Section 10(a), (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 10(a). A courtesy electronic copy of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 10(a).

(b) Subscriber acknowledges that the Company, IonQ and the Placement Agents will rely on the acknowledgments, understandings, agreements, representations and warranties of Subscriber contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company, IonQ and the Placement Agents if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer

accurate in all material respects. Subscriber acknowledges and agrees that each purchase by Subscriber of Subscribed Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by Subscriber as of the time of such purchase. The Company acknowledges that Subscriber will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

(c) Each of the Company, IonQ, the Placement Agents and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. The parties hereto acknowledge and agree that the Placement Agents are third-party beneficiaries of the acknowledgments, representations, warranties and covenants of the parties contained in this Subscription Agreement.

(d) Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of Subscriber) or, with the Company's prior written consent, to another person, provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing.

(g) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares under applicable law and to register the Subscribed Shares for resale under applicable law, and Subscriber shall provide such information as may be reasonably requested. Subscriber acknowledges that, subject to the conditions set forth in Section 10(t), the Company may file a copy of this Subscription Agreement with the Commission as an exhibit to a periodic report of the Company or a registration statement of the Company.

(h) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(i) This Subscription Agreement and any non-disclosure agreement entered into by the parties hereto constitute the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(j) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 10(b), Section 10(c) and this Section 10(i) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(k) The parties hereto acknowledge and agree that (i) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Transaction Agreement and (ii) irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto further acknowledge and agree: (x) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 10(k) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any proceeding for which the Company is being granted an award of money damages, the Subscriber agrees that such damages shall include, without limitation, damages related to the consideration that is or was to be paid to IonQ under the Transaction Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Transaction Agreement and this Subscription Agreement.

(l) In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

(m) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(n) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(p) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

(q) EACH PARTY AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF

ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(r) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the United States District Court for the Southern District of New York, the Supreme Court of the State of New York and the federal courts of the United States of America located in the State of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 10(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

(s) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties or third party beneficiaries hereto and then only with respect to the specific obligations set forth herein with respect to such party or third party beneficiary. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(t) Subscriber hereby consents to the publication and disclosure in any press release issued by the Company or IonQ, any Form 8-K filed by the Company with the Commission in connection with the execution and delivery of the Transaction Agreement or the transactions contemplated thereby and the Proxy Statement (as defined in the Transaction Agreement) (and, as and to the extent otherwise required by the federal securities laws, exchange rules, the Commission or any other securities authorities or any rules and regulations promulgated thereby, any other documents or communications provided by the Company or IonQ to any governmental entity or to any securityholders of the Company) of Subscriber's identity and beneficial ownership of the Subscribed Shares and the nature of Subscriber's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by the Company or IonQ, a copy of this Agreement, all solely to the extent required by applicable law or any regulation or stock exchange listing requirement. Subscriber will promptly provide any information related to Subscriber reasonably requested by the Company or IonQ for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission). For the avoidance of doubt, nothing in this Agreement shall require or be deemed to require the Company or IonQ to make public or disclose any material, non-public information that the Company and/or IonQ have provided to Subscriber other than the material, non-public information that is contained in the Proxy Statement (as defined in the Transaction Agreement) or other filings of the Company with the Commission; provided, that the Company shall, by 9:00 a.m., New York City time, on the first (1st) Business Day immediately following the date of this Subscription Agreement, issue one or more press releases or file with the Commission a Current Report on Form 8-K disclosing, to the extent not previously publicly disclosed, all material terms of the transactions contemplated hereby and by any Other Subscription Agreements executed and delivered at such time and the Transaction and any other material, nonpublic information that the Company has provided to Subscriber. Notwithstanding the foregoing, the Company shall provide to Subscriber a copy of any proposed disclosure relating to the Subscriber in accordance with the provisions of this Section 10(t) in advance of any publication thereof and shall include such revisions to such proposed disclosure as Subscriber shall reasonably request.

(u) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, IonQ or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and Other Subscribers or other investors as a partnership, an association, a joint venture or any other

kind of entity, or create a presumption that Subscriber and Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

(v) Subscriber and the Company agree that for a period of twelve (12) months following the Closing Date, (i) Subscriber and IonQ will discuss and explore potential opportunities to collaborate on strategic initiatives that may be mutually beneficial to the parties, and (ii) if requested by IonQ, Subscriber will use commercially reasonable efforts to seek to facilitate the introduction of IonQ to certain of the portfolio companies invested by Subscriber or its affiliates to the extent reasonably practicable in order to determine whether there may be opportunities for such portfolio companies and IonQ to work together in the future on potential strategic collaborations; provided, however, that in no event shall Subscriber or any of its affiliates (including any of such portfolio companies) have any obligation hereunder to enter into any negotiation, discussion, evaluation, consideration, agreement, contract, letter of intent or any other transaction with the Company or IonQ relating thereto.

(w) Concurrent with the execution of this Subscription Agreement, the Company shall enter into the Subscriber's side letter in the form attached hereto as Exhibit A.

SUBSCRIPTION AGREEMENT**[Other Investors / VC Investors]**

This SUBSCRIPTION AGREEMENT (this “Subscription Agreement”) is entered into on March 7, 2021, by and between dMY Technology Group, Inc. III (the “Company”), a Delaware corporation, and the undersigned subscriber (“Subscriber”).

WHEREAS, concurrently with the execution of this Subscription Agreement, the Company is entering into a definitive agreement with IonQ, Inc., a Delaware corporation (“IonQ”), and the other parties thereto, in substantially the form previously provided to Subscriber, providing for the combination of the Company and IonQ (as may be amended or supplemented from time to time, the “Transaction Agreement,” and the transactions contemplated by the Transaction Agreement, the “Transaction”);

WHEREAS, in connection with the Transaction, Subscriber desires to subscribe for and purchase from the Company, immediately prior to the consummation of the Transaction, that number of shares of the Company’s Class A common stock, par value \$0.0001 per share (the “Shares” or “Class A common stock”), set forth on the signature page hereto (the “Subscribed Shares”) for a purchase price of \$10.00 per share (the “Per Share Price” and the aggregate of such Per Share Price for all Subscribed Shares being referred to herein as the “Purchase Price”), and the Company desires to issue and sell to Subscriber the Subscribed Shares in consideration of the payment of the Purchase Price by or on behalf of Subscriber to the Company at or prior to the Closing Date (as defined herein); and

WHEREAS, on or about the date of this Subscription Agreement, the Company is entering into subscription agreements (the “Other Subscription Agreements” and together with the Subscription Agreement, the “Subscription Agreements”) with certain other investors (the “Other Subscribers” and together with Subscriber, the “Subscribers”), pursuant to which such Subscribers have agreed to purchase on the closing date of the Transaction, inclusive of the Subscribed Shares, an aggregate amount of up to 35,000,000 Shares, at the Per Share Price (the shares of the Other Subscribers, the “Other Subscribed Shares” and together with the Subscribed Shares, the “Collective Subscribed Shares”).

NOW, THEREFORE, in consideration of the foregoing and the mutual representations, warranties and covenants, and subject to the conditions, herein contained, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

Section 1 Subscription. Subject to the terms and conditions hereof, at the Closing (as defined below), Subscriber hereby agrees to subscribe for and purchase, and the Company hereby agrees to issue and sell to Subscriber, upon the payment of the Purchase Price, the Subscribed Shares (such subscription and issuance, the “Subscription”).

Section 2 Closing.

(a) The consummation of the Subscription contemplated hereby (the “Closing”) shall occur on the closing date of the Transaction (the “Closing Date”), immediately prior to or substantially concurrently with, but in any event not after, the consummation of the Transaction.

(b) At least five (5) Business Days before the anticipated Closing Date, the Company shall deliver written notice to Subscriber (the “Closing Notice”) specifying (i) the anticipated Closing Date and (ii) the wire instructions for delivery of the Purchase Price to the Company. No later than two (2) Business Days prior to the Closing Date, Subscriber shall deliver the Purchase Price for the Subscribed Shares by wire transfer of United States dollars in immediately available funds to the account specified by the Company in the Closing Notice, such funds to be held by the Company in escrow until the Closing, and deliver to the Company such information as is required in the Closing Notice in order for the Company to issue the Subscribed Shares to Subscriber, including, without limitation, the legal name of the person in whose name the Subscribed Shares are to be issued and a duly completed and executed Internal Revenue Service Form W-9 or appropriate Form W-8. Upon satisfaction (or, if applicable, waiver) of the conditions set forth in this Section 2, the Company shall deliver to Subscriber (i) at the Closing, the Subscribed Shares in book entry form, free and clear of any liens or other restrictions (other than those arising under this Subscription Agreement or applicable securities laws), in the name of Subscriber (or its nominee in accordance with its delivery instructions), and (ii) as promptly as practicable after the Closing, evidence from the Company’s transfer agent of the issuance to Subscriber of the Subscribed Shares on and as of the Closing Date. In the event that (i) the Company does not accept the subscription or (ii) the consummation of the Transaction does not occur within ten (10) Business Days after the anticipated Closing Date specified in the Closing Notice, unless otherwise agreed to in writing by the Company and the Subscriber, the Company shall promptly (but in no event later than twelve (12) Business Days after the anticipated Closing Date specified in the Closing Notice) return the funds so delivered by Subscriber to the Company by wire transfer in immediately available funds to the account specified by Subscriber, and any book entries shall be deemed cancelled. Notwithstanding such return or cancellation (x) a failure to close on the anticipated Closing Date shall not, by itself, be deemed to be a failure of any of the conditions to Closing set forth in this Section 2 to be satisfied or waived on or prior to the Closing Date, and (y) unless and until this Subscription Agreement is terminated in accordance with Section 7 herein, Subscriber shall remain obligated (A) to redeliver funds to the Company in escrow following the Company’s delivery to Subscriber of a new Closing Notice and (B) to consummate the Closing upon satisfaction of the conditions set forth in this Section 2. For the purposes of this Subscription Agreement, “Business Day” means any day other than a Saturday, Sunday or any other day on which the Federal Reserve Bank of New York is closed. Any funds held in escrow by the Company will be uninvested, and the Subscriber shall not be entitled to any interest earned thereon.

(c) The Closing shall be subject to the satisfaction, or valid waiver by each of the parties hereto, of the conditions that, on the Closing Date:

- (i) no suspension of the qualification of the Subscribed Shares for offering or sale or trading in any jurisdiction, or initiation or threatening of any proceedings for any of such purposes, shall have occurred;
- (ii) the terms of the Transaction Agreement (including the conditions thereto) shall not have been amended or waived in a manner that is materially adverse to the Subscriber (in its capacity as such);

- (iii) all conditions precedent to the closing of the Transaction set forth in the Transaction Agreement, including the approval of the Company's stockholders, shall have been satisfied (as determined by the parties to the Transaction Agreement) or waived (other than those conditions which, by their nature, are to be satisfied at the closing of the Transaction pursuant to the Transaction Agreement), and the closing of the Transaction shall be scheduled to occur substantially concurrently with or immediately following the Closing; and
- (iv) no governmental authority shall have enacted, issued, promulgated, enforced or entered any judgment, order, law, rule or regulation which is then in effect and has the effect of making the consummation of the transactions contemplated hereby illegal or otherwise restraining or prohibiting consummation of the transactions contemplated hereby.

(d) The obligation of the Company to consummate the Closing shall be subject to the satisfaction or valid waiver by the Company of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of Subscriber contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Subscriber Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date; and
- (ii) Subscriber shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

(e) The obligation of Subscriber to consummate the Closing shall be subject to the satisfaction or valid waiver by Subscriber of the additional conditions that, on the Closing Date:

- (i) all representations and warranties of the Company contained in this Subscription Agreement shall be true and correct in all material respects (other than representations and warranties that are qualified as to materiality or Company Material Adverse Effect (as defined below), which representations and warranties shall be true and correct in all respects) at and as of the Closing Date; and
- (ii) the Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Subscription Agreement to be performed, satisfied or complied with by it at or prior to the Closing.

Section 3 Company Representations and Warranties. The Company represents and warrants to Subscriber and the Placement Agent that:

(a) The Company (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation, (ii) has the requisite power and authority to own, lease and operate its properties, to carry on its business as it is now being conducted and to enter into, deliver and perform its obligations under this Subscription Agreement, and (iii) is duly licensed or qualified to conduct its business and, if applicable, is in good standing under the laws of each jurisdiction (other than its jurisdiction of incorporation) in which the conduct of its business or the ownership of its properties or assets requires such license or qualification, except, with respect to the foregoing clause (iii), where the failure to be in good standing would not reasonably be expected to have a Company Material Adverse Effect. For purposes of this Subscription Agreement, a “Company Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to the Company and its subsidiaries, taken together as a whole (on a consolidated basis), that, individually or in the aggregate, would reasonably be expected to have a material adverse effect on the business, properties, general affairs, management, financial position, stockholders’ equity, or results of operations of the Company and its subsidiaries taken as a whole, or on the Company’s ability to consummate the transactions contemplated hereby, including the issuance and sale of the Subscribed Shares.

(b) As of the Closing Date, the Subscribed Shares will be duly authorized and, when issued and delivered to Subscriber against full payment therefor in accordance with the terms of this Subscription Agreement, will be validly issued, fully paid and non-assessable and will not have been issued in violation of any preemptive or similar rights created under the Company’s organizational documents (as adopted on or prior to the Closing Date), by contract or the laws of its jurisdiction of incorporation.

(c) This Subscription Agreement has been duly authorized, executed and delivered by the Company, and assuming the due authorization, execution and delivery of the same by Subscriber, this Subscription Agreement shall constitute the valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(d) Assuming the accuracy of the representations and warranties of Subscriber, the execution and delivery of this Subscription Agreement, the issuance and sale of the Subscribed Shares and the compliance by the Company with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of the Company or any of its subsidiaries pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which the Company is a party or by which the Company or any of its subsidiaries is bound or to which any of the property or assets of the Company or any of its subsidiaries is subject; (ii) the organizational documents of the Company or any of its subsidiaries; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over the Company or any of its subsidiaries or any of their properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Company Material Adverse Effect.

(e) Assuming the accuracy of the representations and warranties of Subscriber, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority, self-regulatory organization (including New York Stock Exchange (the “Stock Exchange”)) or other person in connection with the execution, delivery and performance of this Subscription Agreement (including, without limitation, the issuance of the Subscribed Shares), other than (i) filings required by applicable state securities laws, (ii) the filing of the Registration Statement pursuant to Section 5 below, (iii) the filing of a Notice of Exempt Offering of Securities on Form D with the United States Securities and Exchange Commission (“Commission”) under Regulation D of the Securities Act of 1933, as amended (the “Securities Act”), if applicable, (iv) those required by the Stock Exchange, including with respect to obtaining stockholder approval, (v) those required to consummate the Transaction as provided under the Transaction Agreement, (vi) the filing of notification under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, if applicable, and (vii) the failure of which to obtain would not be reasonably likely to have a Company Material Adverse Effect.

(f) As of their respective dates, all reports (the “SEC Reports”) required to be filed by the Company with the Commission complied in all material respects with the applicable requirements of the Securities Act and/or the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and the rules and regulations of the Commission promulgated thereunder, and none of the SEC Reports, when filed, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The financial statements of the Company included in the SEC Reports comply in all material respects with applicable accounting requirements and the rules and regulations of the Commission with respect thereto as in effect at the time of filing and fairly present in all material respects the financial position of the Company as of and for the dates thereof and the results of operations and cash flows for the periods then ended, subject, in the case of unaudited statements, to normal, year-end audit adjustments. A copy of each SEC Report is available to the Subscriber via the Commission’s EDGAR system. The Company has timely filed each report, statement, schedule, prospectus, and registration statement that the Company was required to file with the Commission since its initial registration of the Class A common stock with the Commission. There are no material outstanding or unresolved comments in comment letters from the staff of the Division of Corporation Finance of the Commission with respect to any of the SEC Reports.

(g) Except for such matters as have not had and would not be reasonably likely to have a Company Material Adverse Effect, there is no (i) suit, action, claim or other proceeding or arbitration before a governmental authority or arbitrator pending, or, to the knowledge of the Company, threatened in writing against the Company or any of its subsidiaries or (ii) judgment, decree, injunction, ruling or order of any governmental authority or arbitrator outstanding against the Company or any of its subsidiaries.

(h) Assuming the accuracy of Subscriber’s representations and warranties set forth in Section 4 of this Subscription Agreement, no registration under the Securities Act is required for the offer and sale of the Subscribed Shares by the Company to Subscriber.

(i) Neither the Company nor any person acting on its behalf has engaged or will engage in any form of general solicitation or general advertising (within the meaning of Regulation D) in connection with any offer or sale of the Subscribed Shares.

(j) Except for Needham & Company, LLC (the “Placement Agent”), no broker or finder is entitled to any brokerage or finder’s fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(k) As of the date hereof, the shares of the Company’s Class A common stock are registered pursuant to Section 12(b) of the Securities Exchange Act, and are listed for trading on the Stock Exchange under the symbol “DMYI.” There is no suit, action, proceeding or investigation pending or, to the knowledge of the Company, threatened against the Company by NYSE or the Commission with respect to any intention by such entity to deregister the Shares or prohibit or terminate the listing of the Shares on NYSE. The Company has taken no action that is designed to terminate the registration of the Shares under the Exchange Act.

Section 4 Subscriber Representations and Warranties. Subscriber represents and warrants to the Company and the Placement Agent that:

(a) Subscriber (i) is either (x) a corporate entity duly organized, validly existing and in good standing under the laws of its jurisdiction of incorporation or (y) a natural person, and (ii) has the requisite power and authority to enter into and perform its obligations under this Subscription Agreement.

(b) This Subscription Agreement has been duly executed and delivered by Subscriber, and assuming the due authorization, execution and delivery of the same by the Company, this Subscription Agreement shall constitute the valid and legally binding obligation of Subscriber, enforceable against Subscriber in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors generally and by the availability of equitable remedies.

(c) The execution and delivery of this Subscription Agreement, the purchase of the Subscribed Shares and the compliance by Subscriber with all of the provisions of this Subscription Agreement and the consummation of the transactions contemplated herein will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, or result in the creation or imposition of any lien, charge or encumbrance upon any of the property or assets of Subscriber pursuant to the terms of (i) any indenture, mortgage, deed of trust, loan agreement, lease, license or other agreement or instrument to which Subscriber is a party or by which Subscriber is bound or to which any of the property or assets of Subscriber is subject; (ii) the organizational documents of Subscriber; or (iii) any statute or any judgment, order, rule or regulation of any court or governmental agency or body, domestic or foreign, having jurisdiction over Subscriber or any of its properties that, in the case of clauses (i) and (iii), would reasonably be expected to have a Subscriber Material Adverse Effect. For purposes of this Subscription Agreement, a “Subscriber Material Adverse Effect” means an event, change, development, occurrence, condition or effect with respect to Subscriber that would reasonably be expected to have a material adverse effect on Subscriber’s ability to consummate the transactions contemplated hereby, including the purchase of the Subscribed Shares.

(d) Subscriber (i) is a “qualified institutional buyer” (as defined in Rule 144A under the Securities Act) or an “accredited investor” (within the meaning of Rule 501(a)(1), (2), (3), (5), (6), (7) or (8) under the Securities Act), in each case, satisfying the applicable requirements set forth on Annex A, (ii) is acquiring the Subscribed Shares only for its own account and not for

the account of others, or if Subscriber is subscribing for the Subscribed Shares as a fiduciary or agent for one or more investor accounts, each owner of such account is a qualified institutional buyer and Subscriber has full investment discretion with respect to each such account, and the full power and authority to make the acknowledgements, representations and agreements herein on behalf of each owner of each such account, and (iii) is not acquiring the Subscribed Shares with a view to, or for offer or sale in connection with, any distribution thereof in violation of the Securities Act (and has provided the Company with the requested information on Annex A following the signature page hereto). Subscriber is not an “institutional account” as defined by FINRA Rule 4512(c).

(e) Subscriber understands that the Subscribed Shares are being offered in a transaction not involving any public offering within the meaning of the Securities Act and that the Subscribed Shares have not been registered under the Securities Act. Subscriber understands that the Subscribed Shares may not be offered, resold, transferred, pledged or otherwise disposed of by Subscriber absent an effective registration statement under the Securities Act, except (i) to the Company or a subsidiary thereof, or (ii) pursuant to an applicable exemption from the registration requirements of the Securities Act, and, in each of cases (i) and (ii), in accordance with any applicable securities laws of the applicable states and other jurisdictions of the United States, and that any certificates or book entry records representing the Subscribed Shares shall contain a restrictive legend to such effect. The Subscriber acknowledges and agrees that the Subscribed Shares will be subject to these securities law transfer restrictions and, as a result of these transfer restrictions, Subscriber may not be able to readily resell the Subscribed Shares and may be required to bear the financial risk of an investment in the Subscribed Shares for an indefinite period of time. Subscriber acknowledges and agrees that the Subscribed Shares will not be eligible for offer, resale, transfer, pledge or disposition pursuant to Rule 144 promulgated under the Securities Act until at least one year from the filing of “Form 10 information” with the Commission after the Closing Date. Subscriber understands that it has been advised to consult legal counsel prior to making any offer, resale, pledge or transfer of any of the Subscribed Shares.

(f) Subscriber understands and agrees that Subscriber is purchasing the Subscribed Shares directly from the Company. Subscriber further acknowledges that there have not been, and Subscriber hereby agrees that it is not relying on, any representations, warranties, covenants or agreements made to Subscriber by the Company, the Placement Agent, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives, any other party to the Transaction or any other person or entity, expressly or by implication, other than those representations, warranties, covenants and agreements of the Company set forth in this Subscription Agreement. Subscriber acknowledges that certain information provided by the Company was based on projections, and such projections were prepared based on assumptions and estimates that are inherently uncertain and are subject to a wide variety of significant business, economic and competitive risks and uncertainties that could cause actual results to differ materially from those contained in the projections.

(g) In making its decision to purchase the Subscribed Shares, Subscriber has relied solely upon independent investigation made by Subscriber. Subscriber acknowledges and agrees that Subscriber has received such information as Subscriber deems necessary in order to make an investment decision with respect to the Subscribed Shares, including with respect to the Company and the Transaction (including IonQ and its subsidiaries (collectively, the “Acquired Companies”)). Subscriber represents and agrees that Subscriber and Subscriber’s professional advisor(s), if any, have had the full opportunity to ask such questions, receive such answers and obtain such information as Subscriber and such undersigned’s professional advisor(s), if any, have deemed necessary to make an investment decision with respect to the Subscribed Shares. Without limiting the generality of the foregoing, the Subscriber acknowledges that it has reviewed the Company’s filings with the Commission. Subscriber acknowledges and agrees that neither the Placement Agent, nor any affiliate of the Placement Agent, has provided Subscriber with any information or advice with respect to the Subscribed Shares nor is such information or advice necessary or desired. Neither the Placement Agent nor any of its affiliates has made or makes any representation as to the Company or the Acquired Companies or the quality or value of the Subscribed Shares. The Placement Agent and its affiliates may have acquired non-public information with respect to the Company or the Acquired Companies which Subscriber agrees need not be provided to it. In connection with the issuance of the Subscribed Shares to Subscriber, neither the Placement Agent nor any of its affiliates has acted as a financial advisor or fiduciary to Subscriber. The Subscriber agrees the Placement Agent shall not be liable to any Subscriber for any action heretofore or hereafter taken or omitted to be taken by any of them in connection with the Subscriber’s purchase of the Subscribed Shares.

(h) Subscriber became aware of this offering of the Subscribed Shares solely by means of direct contact between Subscriber and the Company and/or IonQ, or their respective representatives or affiliates, or by means of contact from the Placement Agent and the Subscribed Shares were offered to Subscriber solely by direct contact between Subscriber and the Company and/or IonQ, or their respective affiliates. Subscriber did not become aware of this offering of the Subscribed Shares, nor were the Subscribed Shares offered to Subscriber, by any other means. Subscriber acknowledges that the Company represents and warrants that the Subscribed Shares (i) were not offered by any form of general solicitation or general advertising and (ii) are not being offered in a manner involving a public offering under, or in a distribution in violation of, the Securities Act, or any state securities laws.

(i) Subscriber acknowledges that it is aware that there are substantial risks incident to the purchase and ownership of the Subscribed Shares. Subscriber has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Subscribed Shares, and Subscriber has had an opportunity to seek, and has sought, such accounting, legal, business and tax advice as Subscriber has considered necessary to make an informed investment decision.

(j) Subscriber has adequately analyzed and fully considered the risks of an investment in the Subscribed Shares and determined that the Subscribed Shares are a suitable investment for Subscriber and that Subscriber is able at this time and in the foreseeable future to bear the economic risk of a total loss of Subscriber’s investment in the Company. Subscriber acknowledges specifically that a possibility of total loss exists.

(k) Subscriber understands and agrees that no federal or state agency has passed upon or endorsed the merits of the offering of the Subscribed Shares or made any findings or determination as to the fairness of this investment.

(l) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a Sanctioned Person. Subscriber is not an institution that accepts currency for deposit and that (a) has no physical presence in the jurisdiction in which it is incorporated or in which it is operating and (b) is unaffiliated with a regulated financial group that is subject to consolidated supervision (a “Shell Bank”) or providing banking services to a Shell Bank. Subscriber represents that if it is a financial institution subject to the Bank Secrecy Act (31 U.S.C. Section 5311 et seq.), as amended by the USA PATRIOT Act of 2001 and its implementing regulations (collectively, the “BSA/PATRIOT Act”), that Subscriber maintains policies and procedures reasonably designed to comply with applicable obligations under the BSA/PATRIOT Act. Subscriber also represents that, to the extent required by applicable law, it maintains, either directly or through the use of a third-party administrator, policies and procedures reasonably designed for the screening of any investors in the Subscriber against Sanctions-related lists of blocked or restricted persons. Subscriber further represents and warrants that (a) the funds held by Subscriber and used to purchase the Subscribed Shares were not directly or indirectly derived from or related to any activities that may contravene U.S. federal, state or non-U.S. anti-money laundering, anti-corruption or Sanctions laws and regulations or activities that may otherwise be deemed criminal and (b) any returns from the Subscriber’s investment will not be used to finance any illegal activities. For purposes of this Agreement, “Sanctioned Person” means at any time any person or entity with whom dealings are restricted, prohibited, or sanctionable under any Sanctions (as defined below), including as a result of being: (a) listed on any Sanctions-related list of designated or blocked or restricted persons; (b) that is a national of, the government of, or any agency or instrumentality of the government of, or resident in, or organized under the laws of, a country or territory that is the target of comprehensive Sanctions from time to time (as of the date of this Agreement, Cuba, Iran, North Korea, Syria, and the Crimea region); or (c) a relationship of ownership, control, or agency with any of the foregoing. “Sanctions” means those trade, economic and financial sanctions laws, regulations, embargoes, and restrictive measures (in each case having the force of law) administered, enacted or enforced from time to time by (a) the United States (including without limitation the U.S. Department of the Treasury, Office of Foreign Assets Control, the U.S. Department of State, and the U.S. Department of Commerce), (b) the European Union and enforced by its member states, (c) the United Nations and (d) the United Kingdom.

(m) Subscriber is not owned or controlled by or acting on behalf of (in connection with this Transaction), a person or entity resident in, or whose funds used to purchase the Subscribed Shares are transferred from or through, a country, territory or entity that (i) has been designated as non-cooperative with international anti-money laundering or counter terrorist financing principles or procedures by the United States or by an intergovernmental group or organization, such as the Financial Action Task Force, of which the United States is a member; (ii) is the subject of an advisory issued by the Financial Crimes Enforcement Network of the U.S. Department of the Treasury; or (iii) has been designated by the Secretary of the Treasury under Section 311 of the USA PATRIOT Act as warranting special measures due to money laundering concerns (any such country or territory, a “Non-cooperative Jurisdiction”), or an entity or individual that resides or has a place of business in, or is organized under the laws of, a Non-cooperative Jurisdiction.

(n) Subscriber does not have, as of the date hereof, and during the 30-day period immediately prior to the date hereof such Subscriber has not entered into, any “put equivalent position” as such term is defined in Rule 16a-1 under the Exchange Act or Short Sale positions with respect to the securities of the Company or IonQ. Notwithstanding the foregoing, in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber’s assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber’s assets, the representation set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Agreement.

(o) Subscriber is not currently (and at all times through Closing will refrain from being or becoming) a member of a “group” (within the meaning of Section 13(d)(3) or Section 14(d)(2) of the Exchange Act or any successor provision) including any group acting for the purpose of acquiring, holding, voting or disposing of equity securities of the Company or IonQ (within the meaning of Rule 13d-5(b)(1) under the Exchange Act).

(p) If Subscriber is an employee benefit plan that is subject to Title I of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), a plan, an individual retirement account or other arrangement that is subject to section 4975 of the Internal Revenue Code of 1986, as amended (the “Code”) or an employee benefit plan that is a governmental plan (as defined in section 3(32) of ERISA), a church plan (as defined in section 3(33) of ERISA), a non-U.S. plan (as described in section 4(b)(4) of ERISA) or other plan that is not subject to the foregoing but may be subject to provisions under any other federal, state, local, non-U.S. or other laws or regulations that are similar to such provisions of ERISA or the Code, or an entity whose underlying assets are considered to include “plan assets” of any such plan, account or arrangement (each, a “Plan”) subject to the fiduciary or prohibited transaction provisions of ERISA or section 4975 of the Code, Subscriber represents and warrants that (i) neither the Company, nor any of its respective affiliates, including dMY Sponsor III, LLC (the “Transaction Parties”), has acted as the Plan’s fiduciary, or has been relied on for advice, with respect to its decision to acquire and hold the Subscribed Shares, and none of the Transaction Parties shall at any time be relied upon as the Plan’s fiduciary with respect to any decision to acquire, continue to hold or transfer the Subscribed Shares and (ii) the acquisition and holding of the Subscribed Shares will not result in a non-exempt prohibited transaction under ERISA or Section 4975 of the Code.

(q) Subscriber at the Closing will have sufficient funds to pay the Purchase Price pursuant to Section 2.

(r) Except for the Placement Agent, no broker or finder is entitled to any brokerage or finder’s fee or commission solely in connection with the sale of the Subscribed Shares to Subscriber.

(s) Subscriber agrees that the Placement Agent may rely upon the representations and warranties made by Subscriber to the Company in this Subscription Agreement.

Section 5 Registration of Subscribed Shares.

(a) The Company agrees that, within fifteen (15) Business Days after the Closing Date (the “Filing Date”), the Company will submit to or file with the Commission (at the Company’s sole cost and expense) a registration statement registering the resale of the Subscribed Shares (the “Registration Statement”) and the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective as soon as practicable after the filing thereof (and in any event, no later than thirty (30) calendar days following the Filing Date) (the “Effectiveness Deadline”), provided, that the Effectiveness Deadline shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the Commission; provided, that if such day falls on a Saturday, Sunday or other day that the Commission is closed for business, the Effectiveness Deadline shall be extended to the next Business Day on which the Commission is open for business. Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be “reviewed” or subject to further review, the Company shall use its commercially reasonable efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. Any failure by the Company to file the Registration Statement by the Filing Date or to effect such Registration Statement by the Effectiveness Deadline shall not otherwise relieve the Company of its obligations to file or effect the Registration Statement as set forth above in this Section 5. The Company will use its commercially reasonable efforts to provide a draft of the Registration Statement to the undersigned for review (but not comment) at least two (2) Business Days in advance of filing the Registration Statement; provided that, for the avoidance of doubt, in no event shall the Company be required to delay or postpone the filing of such Registration Statement as a result of or in connection with Subscriber’s review. In no event shall the undersigned be identified as a statutory underwriter in the Registration Statement unless requested by the Commission; provided, that if the Commission requests that a Subscriber be identified as a statutory underwriter in the Registration Statement, Subscriber will have the opportunity to withdraw from the Registration Statement. Notwithstanding the foregoing, if the Commission prevents the Company from including any or all of the shares proposed to be registered under the Registration Statement due to limitations on the use of Rule 415 of the Securities Act for the resale of the Subscribed Shares by the applicable stockholders or otherwise, such Registration Statement shall register for resale such number of Subscribed Shares which is equal to the maximum number of Subscribed Shares as is permitted by the Commission. In such event, the number of Subscribed Shares to be registered for each selling stockholder named in the Registration Statement shall be reduced *pro rata* among all such selling stockholders. The Company agrees that, except for such times as the Company is permitted hereunder to suspend the use of the prospectus forming part of a Registration Statement, the Company will use commercially reasonable efforts to cause such Registration Statement to remain effective with respect to Subscriber until the earlier of (i) two (2) years from the issuance of the Subscribed Shares, (ii) the date on which all of the Subscribed Shares shall have been sold, or (iii) on the first date on which the undersigned can sell all of its Subscribed Shares (or shares received in exchange therefor) under Rule 144 of the Securities Act without limitation as to the manner of sale or the amount of such securities that may be sold. For as long as the Registration Statement shall remain effective pursuant to the immediately preceding sentence, the Company will use commercially reasonable efforts to file all reports, and provide all customary and reasonable cooperation, necessary to enable the undersigned to resell the Subscribed Shares pursuant to the Registration Statement or Rule 144 of the Securities Act (when Rule 144 of the Securities Act becomes available to the Company), as applicable, qualify the Subscribed Shares for listing on

the applicable stock exchange on which the Company's Shares are then listed, and update or amend the Registration Statement as necessary to include the Subscribed Shares. The undersigned agrees to disclose its beneficial ownership, as determined in accordance with Rule 13d-3 of the Securities Exchange Act of 1934 (as amended, the "Exchange Act"), of Subscribed Shares to the Company (or its successor) upon request to assist the Company in making the determination described above. The Company's obligations to include the Subscribed Shares in the Registration Statement are contingent upon Subscriber furnishing in writing to the Company such information regarding Subscriber, the securities of the Company held by Subscriber and the intended method of disposition of the Subscribed Shares as shall be reasonably requested by the Company to effect the registration of the Subscribed Shares, and Subscriber shall execute such documents in connection with such registration as the Company may reasonably request that are customary of a selling stockholder in similar situations, including providing that the Company shall be entitled to postpone and suspend the effectiveness or use of the Registration Statement during any customary blackout or similar period or as permitted hereunder. In the case of the registration effected by the Company pursuant to this Subscription Agreement, the Company shall, upon reasonable request, inform Subscriber as to the status of such registration. Subscriber shall not be entitled to use the Registration Statement for an underwritten offering of Subscribed Shares. Notwithstanding anything to the contrary contained herein, the Company may delay or postpone filing of such Registration Statement, and from time to time require Subscriber not to sell under the Registration Statement or suspend the use or effectiveness of any such Registration Statement if it determines that in order for the registration statement to not contain a material misstatement or omission, an amendment thereto would be needed, or if such filing or use could materially affect a bona fide business or financing transaction of the Company or would require premature disclosure of information that could materially adversely affect the Company (each such circumstance, a "Suspension Event"); provided, that, (x) the Company shall not so delay filing or so suspend the use of the Registration Statement on more than two (2) occasions for a period of more than sixty (60) consecutive days each or more than a total of one hundred-twenty (120) calendar days, in each case in any three hundred sixty (360) day period and (y) the Company shall use commercially reasonable efforts to make such registration statement available for the sale by the undersigned of such securities as soon as practicable thereafter.

(b) Upon receipt of any written notice from the Company (which notice shall not contain any material non-public information regarding the Company) of the happening of any Suspension Event during the period that the Registration Statement is effective or if as a result of a Suspension Event the Registration Statement or related prospectus contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made (in the case of the prospectus) not misleading, the undersigned agrees that (i) it will immediately discontinue offers and sales of the Subscribed Shares under the Registration Statement (excluding, for the avoidance of doubt, sales conducted pursuant to Rule 144) until the undersigned receives copies of a supplemental or amended prospectus (which the Company agrees to promptly prepare) that corrects the misstatement(s) or omission(s) referred to above and receives notice that any post-effective amendment has become effective or unless otherwise notified by the Company that it may resume such offers and sales, and (ii) it will maintain the confidentiality of any information included in such written notice delivered by the Company unless otherwise required by law, subpoena or regulatory request or requirement. If so directed by the Company, the undersigned will deliver to the Company or, in the undersigned's sole

discretion destroy, all copies of the prospectus covering the Subscribed Shares in the undersigned's possession; provided, however, that this obligation to deliver or destroy all copies of the prospectus covering the Subscribed Shares shall not apply (w) to the extent the undersigned is required to retain a copy of such prospectus (A) in order to comply with applicable legal, regulatory, self-regulatory or professional requirements or (B) in accordance with a bona fide pre-existing document retention policy or (x) to copies stored electronically on archival servers as a result of automatic data back-up.

Section 6 Short Sales. Subscriber hereby agrees that, from the date of this Subscription Agreement, none of Subscriber, its controlled affiliates, or any person or entity acting on behalf of Subscriber or any of its controlled affiliates or pursuant to any understanding with Subscriber or any of its controlled affiliates will engage in any Short Sales with respect to securities of the Company prior to the Closing. For purposes of this Section 6, "Short Sales" shall include, without limitation, all "short sales" as defined in Rule 200 promulgated under Regulation SHO under the Exchange Act, and all types of direct and indirect stock pledges (other than pledges in the ordinary course of business as part of prime brokerage arrangements), forward sale contracts, options, puts, calls, swaps and similar arrangements (including on a total return basis), and sales and other transactions through non-U.S. broker dealers or foreign regulated brokers. Notwithstanding the foregoing, (i) nothing herein shall prohibit other entities under common management with Subscriber that have no knowledge of this Subscription Agreement or of Subscriber's participation in the Transaction (including Subscriber's controlled affiliates and/or affiliates) from entering into any Short Sales and (ii) in the case of a Subscriber that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Subscriber's assets and the portfolio managers have no knowledge of the investment decisions made by the portfolio managers managing other portions of such Subscriber's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Subscribed Shares covered by this Subscription Agreement.

Section 7 Termination. This Subscription Agreement shall terminate and be void and of no further force and effect, and all rights and obligations of the parties hereunder shall terminate without any further liability on the part of any party in respect thereof, upon the earlier to occur of (a) such date and time as the Transaction Agreement is terminated in accordance with its terms, (b) upon the mutual written agreement of the parties hereto to terminate this Subscription Agreement or (c) if, on the Closing Date of the Transaction, any of the conditions to Closing set forth in Section 2 of this Subscription Agreement have not been satisfied as of the time required hereunder to be so satisfied or waived by the party entitled to grant such waiver and, as a result thereof, the transactions contemplated by this Subscription Agreement are not consummated (the termination events described in clauses (a)-(c) above, collectively, the "Termination Events"); *provided*, that nothing herein will relieve any party from liability for any willful breach hereof prior to the time of termination, and each party will be entitled to any remedies at law or in equity to recover losses, liabilities or damages arising from such breach. The Company shall notify Subscriber of the termination of the Transaction Agreement promptly after the termination thereof. Upon the occurrence of any Termination Event, except as set forth in the proviso to the first sentence of this Section 7, this Subscription Agreement shall be void and of no further effect and any portion of the Purchase Price paid by the Subscriber to Company in connection herewith shall promptly (and in any event within one (1) business day) following the Termination Event be returned to the Subscriber.

Section 8 Trust Account Waiver. Subscriber hereby acknowledges that the Company has established a trust account (the “Trust Account”) containing the proceeds of its initial public offering (the “IPO”) and from certain private placements occurring simultaneously with the IPO (including interest accrued from time to time thereon) for the benefit of the Company’s public stockholders and certain other parties (including the underwriters of the IPO). For and in consideration of the Company entering into this Subscription Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Subscriber hereby (a) agrees that it does not now and shall not at any time hereafter have any right, title, interest or claim of any kind in or to any assets held in the Trust Account, and shall not make any claim against the Trust Account, regardless of whether such claim arises as a result of, in connection with or relating in any way to this Subscription Agreement or any other matter, and regardless of whether such claim arises based on contract, tort, equity or any other theory of legal liability (any and all such claims are collectively referred to hereafter as the “Released Claims”), (b) irrevocably waives any Released Claims that it may have against the Trust Account now or in the future as a result of, or arising out of, any negotiations, contracts or agreements with the Company, and (c) will not seek recourse against the Trust Account for any reason whatsoever; provided, however, that nothing in this Section 8 shall be deemed to limit any Subscriber’s right to distributions from the Trust Account in accordance with the Company’s amended and restated certificate of incorporation in respect of shares of Class A common stock of the Company acquired by any means other than pursuant to this Subscription Agreement.

Section 9 Transfer Restrictions. Subscriber agrees that it shall not (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Subscribed Shares, (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subscribed Shares (clauses (i) and (ii) collectively, a “Transfer”) or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii), for a period beginning on the date hereof and ending on the date that is six (6) months after the Closing (the “Lock-Up Period”), in each case, without the prior written consent of the Company.

Section 10 Miscellaneous.

(a) All notices, requests, demands, claims, and other communications hereunder shall be in writing. Any notice, request, demand, claim, or other communication hereunder shall be deemed duly given (i) when delivered personally to the recipient, (ii) when sent by electronic mail, on the date of transmission to such recipient; provided, that such notice, request, demand, claim or other communication is also sent to the recipient pursuant to clauses (i), (iii) or (iv) of this Section 10(a), (iii) one (1) Business Day after being sent to the recipient by reputable overnight courier service (charges prepaid), or (iv) four (4) Business Days after being mailed to the recipient by certified or registered mail, return receipt requested and postage prepaid, and, in each case, addressed to the intended recipient at its address specified on the signature page hereof or to such electronic mail address or address as subsequently modified by written notice given in accordance with this Section 10(a). A courtesy electronic copy of any notice sent by methods (i), (iii), or (iv) above shall also be sent to the recipient via electronic mail if provided in the applicable signature page hereof or to an electronic mail address as subsequently modified by written notice given in accordance with this Section 10(a).

(b) Subscriber acknowledges that the Company, IonQ, the Placement Agent and others will rely on the acknowledgments, understandings, agreements, representations and warranties of Subscriber contained in this Subscription Agreement. Prior to the Closing, Subscriber agrees to promptly notify the Company, IonQ and the Placement Agent if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of Subscriber set forth herein are no longer accurate in all material respects. Subscriber acknowledges and agrees that each purchase by Subscriber of Subscribed Shares from the Company will constitute a reaffirmation of the acknowledgments, understandings, agreements, representations and warranties herein (as modified by any such notice) by Subscriber as of the time of such purchase. The Company acknowledges that Subscriber will rely on the acknowledgments, understandings, agreements, representations and warranties contained in this Subscription Agreement. Prior to the Closing, the Company agrees to promptly notify Subscriber if it becomes aware that any of the acknowledgments, understandings, agreements, representations and warranties of the Company set forth herein are no longer accurate in all material respects.

(c) Each of the Company, IonQ, the Placement Agent and Subscriber is irrevocably authorized to produce this Subscription Agreement or a copy hereof to any interested party in any administrative or legal proceeding or official inquiry with respect to the matters covered hereby. The parties hereto acknowledge and agree that the Placement Agent is a third-party beneficiary of the acknowledgments, representations, warranties and covenants of the parties contained in this Subscription Agreement.

(d) Subscriber shall pay all of its own expenses in connection with this Subscription Agreement and the transactions contemplated herein.

(e) Neither this Subscription Agreement nor any rights that may accrue to Subscriber hereunder (other than the Subscribed Shares acquired hereunder, if any) may be transferred or assigned. Neither this Subscription Agreement nor any rights that may accrue to the Company hereunder may be transferred or assigned (provided, that, for the avoidance of doubt, the Company may transfer the Subscription Agreement and its rights hereunder solely in connection with the consummation of the Transaction and exclusively to another entity under the control of, or under common control with, the Company). Notwithstanding the foregoing, Subscriber may assign its rights and obligations under this Subscription Agreement to one or more of its affiliates (including other investment funds or accounts managed or advised by the investment manager who acts on behalf of Subscriber) or, with the Company's prior written consent, to another person, provided that no such assignment shall relieve Subscriber of its obligations hereunder if any such assignee fails to perform such obligations.

(f) All the agreements, representations and warranties made by each party hereto in this Subscription Agreement shall survive the Closing. For the avoidance of doubt, if for any reason the Closing does not occur prior to the consummation of the Transaction, all representations, warranties, covenants and agreements of the parties hereunder shall survive the consummation of the Transaction and remain in full force and effect.

(g) The Company may request from Subscriber such additional information as the Company may reasonably deem necessary to evaluate the eligibility of Subscriber to acquire the Subscribed Shares and to register the Subscribed Shares for resale, and Subscriber shall provide such information as may be requested. Subscriber acknowledges that, subject to the conditions set forth in Section 10(t), the Company may file a copy of this Subscription Agreement with the Commission as an exhibit to a periodic report of the Company or a registration statement of the Company.

(h) This Subscription Agreement may not be amended, modified or waived except by an instrument in writing, signed by each of the parties hereto.

(i) This Subscription Agreement and any non-disclosure agreement entered into by the parties hereto constitute the entire agreement, and supersedes all other prior agreements, understandings, representations and warranties, both written and oral, among the parties, with respect to the subject matter hereof.

(j) Except as otherwise provided herein, this Subscription Agreement is intended for the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives, and permitted assigns and is not for the benefit of, nor may any provision hereof be enforced by, any other person. Except as set forth in Section 10(b), Section 10(c) and this Section 10(i) with respect to the persons specifically referenced therein, this Subscription Agreement shall not confer any rights or remedies upon any person other than the parties hereto, and their respective successor and assigns, and the parties hereto acknowledge that such persons so referenced are third party beneficiaries of this Subscription Agreement for the purposes of, and to the extent of, the rights granted to them, if any, pursuant to the applicable provisions.

(k) The parties hereto acknowledge and agree that (i) this Subscription Agreement is being entered into in order to induce the Company to execute and deliver the Transaction Agreement and (ii) irreparable damage would occur in the event that any of the provisions of this Subscription Agreement were not performed in accordance with their specific terms or were otherwise breached and that money or other legal remedies would not be an adequate remedy for such damage. It is accordingly agreed that the parties shall be entitled to equitable relief, including in the form of an injunction or injunctions to prevent breaches or threatened breaches of this Subscription Agreement and to enforce specifically the terms and provisions of this Subscription Agreement, this being in addition to any other remedy to which such party is entitled at law, in equity, in contract, in tort or otherwise. The parties hereto acknowledge and agree that the Company shall be entitled to specifically enforce Subscriber's obligations to fund the Subscription Amount and the provisions of the Subscription Agreement, in each case, on the terms and subject to the conditions set forth herein. The parties hereto further acknowledge and agree: (x) to waive any requirement for the security or posting of any bond in connection with any such equitable remedy; (y) not to assert that a remedy of specific enforcement pursuant to this Section 10(k) is unenforceable, invalid, contrary to applicable law or inequitable for any reason; and (z) to waive any defenses in any action for specific performance, including the defense that a remedy at law would be adequate. In connection with any proceeding for which the Company is being granted an award of money damages, the Subscriber agrees that such damages shall include, without limitation, damages related to the consideration that is or was to be paid to IonQ under the Transaction Agreement and such damages are not limited to an award of out-of-pocket fees and expenses related to the Transaction Agreement and this Subscription Agreement.

(l) In any dispute arising out of or related to this Subscription Agreement, or any other agreement, document, instrument or certificate contemplated hereby, or any transactions contemplated hereby or thereby, the applicable adjudicating body shall award to the prevailing party, if any, the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the dispute and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby and, if the adjudicating body determines a party to be the prevailing party under circumstances where the prevailing party won on some but not all of the claims and counterclaims, the adjudicating body may award the prevailing party an appropriate percentage of the costs and attorneys' fees reasonably incurred by the prevailing party in connection with the adjudication and the enforcement of its rights under this Subscription Agreement or any other agreement, document, instrument or certificate contemplated hereby or thereby.

(m) If any provision of this Subscription Agreement shall be invalid, illegal or unenforceable, the validity, legality or enforceability of the remaining provisions of this Subscription Agreement shall not in any way be affected or impaired thereby and shall continue in full force and effect.

(n) No failure or delay by a party hereto in exercising any right, power or remedy under this Subscription Agreement, and no course of dealing between the parties hereto, shall operate as a waiver of any such right, power or remedy of such party. No single or partial exercise of any right, power or remedy under this Subscription Agreement by a party hereto, nor any abandonment or discontinuance of steps to enforce any such right, power or remedy, shall preclude such party from any other or further exercise thereof or the exercise of any other right, power or remedy hereunder. The election of any remedy by a party hereto shall not constitute a waiver of the right of such party to pursue other available remedies. No notice to or demand on a party not expressly required under this Subscription Agreement shall entitle the party receiving such notice or demand to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of the party giving such notice or demand to any other or further action in any circumstances without such notice or demand.

(o) This Subscription Agreement may be executed and delivered in one or more counterparts (including by facsimile or electronic mail or in .pdf) and by different parties in separate counterparts, with the same effect as if all parties hereto had signed the same document. All counterparts so executed and delivered shall be construed together and shall constitute one and the same agreement.

(p) This Subscription Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to the principles of conflicts of laws that would otherwise require the application of the law of any other state.

(q) EACH PARTY AND ANY PERSON ASSERTING RIGHTS AS A THIRD PARTY BENEFICIARY HEREBY WAIVES ITS RESPECTIVE RIGHTS TO A TRIAL BY JURY OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OR RELATED TO THIS SUBSCRIPTION AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY IN ANY ACTION, PROCEEDING OR OTHER LITIGATION OF ANY TYPE BROUGHT BY ANY PARTY AGAINST ANY OTHER PARTY OR ANY AFFILIATE OF ANY OTHER SUCH PARTY, WHETHER WITH RESPECT TO CONTRACT CLAIMS, TORT CLAIMS OR OTHERWISE. THE PARTIES AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS SUBSCRIPTION AGREEMENT OR ANY PROVISION HEREOF. THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS SUBSCRIPTION AGREEMENT.

(r) The parties agree that all disputes, legal actions, suits and proceedings arising out of or relating to this Subscription Agreement must be brought exclusively in the United States District Court for the Southern District of New York, the Supreme Court of the State of New York and the federal courts of the United States of America located in the State of New York (collectively the “Designated Courts”). Each party hereby consents and submits to the exclusive jurisdiction of the Designated Courts. No legal action, suit or proceeding with respect to this Subscription Agreement may be brought in any other forum. Each party hereby irrevocably waives all claims of immunity from jurisdiction, and any objection which such party may now or hereafter have to the laying of venue of any suit, action or proceeding in any Designated Court, including any right to object on the basis that any dispute, action, suit or proceeding brought in the Designated Courts has been brought in an improper or inconvenient forum or venue. Each of the parties also agrees that delivery of any process, summons, notice or document to a party hereof in compliance with Section 10(a) of this Subscription Agreement shall be effective service of process for any action, suit or proceeding in a Designated Court with respect to any matters to which the parties have submitted to jurisdiction as set forth above.

(s) This Subscription Agreement may only be enforced against, and any claim, action, suit or other legal proceeding based upon, arising out of, or related to this Subscription Agreement, or the negotiation, execution or performance of this Subscription Agreement, may only be brought against the entities that are expressly named as parties or third party beneficiaries hereto and then only with respect to the specific obligations set forth herein with respect to such party or third party beneficiary. No past, present or future director, officer, employee, incorporator, manager, member, partner, stockholder, affiliate, agent, attorney or other representative of any party hereto or of any affiliate of any party hereto, or any of their successors or permitted assigns, shall have any liability for any obligations or liabilities of any party hereto under this Subscription Agreement or for any claim, action, suit or other legal proceeding based on, in respect of or by reason of the transactions contemplated hereby.

(t) Subscriber hereby consents to the publication and disclosure in any press release issued by the Company or IonQ, any Form 8-K filed by the Company with the Commission in connection with the execution and delivery of the Transaction Agreement or the transactions contemplated thereby and the Proxy Statement (as defined in the Transaction Agreement) (and, as and to the extent otherwise required by the federal securities laws, exchange rules, the

Commission or any other securities authorities or any rules and regulations promulgated thereby, any other documents or communications provided by the Company or IonQ to any governmental entity or to any securityholders of the Company) of Subscriber's identity and beneficial ownership of the Subscribed Shares and the nature of Subscriber's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by the Company or IonQ, a copy of this Agreement, all solely to the extent required by applicable law or any regulation or stock exchange listing requirement. Subscriber will promptly provide any information reasonably requested by the Company or IonQ for any regulatory application or filing made or approval sought in connection with the Transaction (including filings with the Commission). For the avoidance of doubt, nothing in this Agreement shall require or be deemed to require the Company or IonQ to make public or disclose any material, non-public information that the Company and/or IonQ have provided to Subscriber other than the material, non-public information that is contained in the Proxy Statement (as defined in the Transaction Agreement) or other filings of the Company with the Commission. Notwithstanding the foregoing, the Company shall provide to Subscriber a copy of any proposed disclosure relating to the Subscriber in accordance with the provisions of this Section 10(t) in advance of any publication thereof and shall include such revisions to such proposed disclosure as Subscriber shall reasonably request.

(u) The obligations of Subscriber under this Subscription Agreement are several and not joint with the obligations of any Other Subscriber or any other investor under the Other Subscription Agreements, and Subscriber shall not be responsible in any way for the performance of the obligations of any Other Subscriber under this Subscription Agreement or any Other Subscriber or other investor under the Other Subscription Agreements. The decision of Subscriber to purchase Subscribed Shares pursuant to this Subscription Agreement has been made by Subscriber independently of any Other Subscriber or any other investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company, IonQ or any of their respective subsidiaries which may have been made or given by any Other Subscriber or investor or by any agent or employee of any Other Subscriber or investor, and neither Subscriber nor any of its agents or employees shall have any liability to any Other Subscriber or investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any Other Subscription Agreement, and no action taken by Subscriber or investor pursuant hereto or thereto, shall be deemed to constitute Subscriber and Other Subscribers or other investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that Subscriber and Other Subscribers or other investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Subscription Agreement and the Other Subscription Agreements. Subscriber acknowledges that no Other Subscriber has acted as agent for Subscriber in connection with making its investment hereunder and no Other Subscriber will be acting as agent of Subscriber in connection with monitoring its investment in the Subscribed Shares or enforcing its rights under this Subscription Agreement. Subscriber shall be entitled to independently protect and enforce its rights, including without limitation the rights arising out of this Subscription Agreement, and it shall not be necessary for any Other Subscriber or investor to be joined as an additional party in any proceeding for such purpose.

IN WITNESS WHEREOF, each of the Company and Subscriber has executed or caused this Subscription Agreement to be executed by its duly authorized representative as of the date first set forth above.

Each dMY Holder shall, and shall instruct its Related Parties to, immediately cease any and all existing discussions or negotiations with any Person conducted prior to the date hereof with respect to, or which is reasonably likely to give rise to or result in, a dMY Competing Transaction.

Section 1.3 No Transfer. REPRESENTATIONS AND WARRANTIES

Each dMY Holder represents and warrants as of the date hereof (or the date such dMY Holder becomes a party hereto) to dMY and the Company (solely with respect to such dMY Holder and not with respect to any other dMY Holder) as follows:

Section 3.1 Organization; Due Authorization. If such dMY Holder is not a natural person, such dMY Holder is duly organized, validly existing and in good standing under the Laws of the jurisdiction in which it is incorporated, formed, organized or constituted, and the execution, delivery and performance of this Agreement and the consummation of the transactions

contemplated hereby are within such dMY Holder's corporate, limited liability company or organizational powers and have been duly authorized by all necessary corporate, limited liability company or organizational actions on the part of such dMY Holder. If such dMY Holder is an individual, such dMY Holder has full legal capacity, right and authority to execute and deliver this Agreement and to perform his or her obligations hereunder. This Agreement has been duly executed and delivered by such dMY Holder and, assuming due authorization, execution and delivery by the other parties to this Agreement, this Agreement constitutes a legally valid and binding obligation of such dMY Holder, enforceable against such dMY Holder in accordance with the terms hereof (subject to the Remedies Exception). If this Agreement is being executed in a representative or fiduciary capacity, the Person signing this Agreement has full power and authority to enter into this Agreement on behalf of such dMY Holder.

Section 3.2 Ownership. Such dMY Holder is the record and beneficial owner (as defined in the Securities Act) of, and has good title to, all of the Subject Securities listed across from such dMY Holder's name on Schedule 1 hereto, and there exist no Liens or any other limitation or restriction (including any restriction on the right to vote, sell or otherwise dispose of such Subject Securities (other than transfer restrictions under the Securities Act)) affecting any such Subject Securities, other than Liens pursuant to (i) this Agreement, (ii) the dMY Governing Documents, (iii) the Merger Agreement, (iv) the IPO Letter Agreement or (v) any applicable securities Laws. The Subject Securities are the only equity securities in dMY owned of record or beneficially by such dMY Holder on the date of this Agreement, and none of the Subject Securities held by such dMY Holder are subject to any proxy, voting trust or other agreement or arrangement with respect to the voting of such Subject Securities, except as provided hereunder and under the IPO Letter Agreement. Such dMY Holder has full voting power with respect to the Subject Securities held by such dMY Holder. Other than the Subject Securities held by such dMY Holder, such dMY Holder does not hold or own any rights to acquire (directly or indirectly) any equity securities of dMY or any equity securities convertible into, or which can be exchanged for equity securities of dMY.

Section 3.3 No Conflicts. The execution and delivery of this Agreement by such dMY Holder does not, and the performance by such dMY Holder of its obligations hereunder will not, (i) conflict with or result in a violation of the organizational documents of such dMY Holder, (ii) require any consent or approval that has not been given or other action that has not been taken by any Person (including under any contract binding upon such dMY Holder or such dMY Holder's Subject Securities), in each case, to the extent such consent, approval or other action would prevent, enjoin or materially delay the performance by such dMY Holder of its obligations under this Agreement or (iii) conflict with or violate any Law.

Section 3.4 Litigation. Except as set forth on Section 4.7 of the dMY Disclosure Letter to the Merger Agreement, there are no Proceedings pending against such dMY Holder, or to the knowledge of such dMY Holder threatened against such dMY Holder, before (or, in the case of threatened Proceedings, that would be before) any arbitrator or any Governmental Entity, which in any manner challenges or seeks to prevent, enjoin or materially delay the performance by such dMY Holder of its obligations under this Agreement.

Section 3.5 Brokerage Fees. Except as described on Section 4.3 of dMY's Disclosure Letter to the Merger Agreement, no broker, finder, investment banker or other Person is entitled to any brokerage fee, finders' fee or other commission in connection with the Transactions or the dMY IPO based upon arrangements made by such dMY Holder, for which dMY or any of its Affiliates (including, from and after the Closing, the Company) may become liable.

Section 3.6 Acknowledgment. Such dMY Holder understands and acknowledges that each of dMY and the Company is entering into the Merger Agreement in reliance upon such dMY Holder's execution and delivery of this Agreement.

ARTICLE IV **MISCELLANEOUS**

Section 4.1 Termination.

(a) This Agreement and all of its provisions (other than those provisions which expressly survive the Closing, as set forth in Article II and this Article IV, collectively, the "***Surviving Provisions***") shall terminate and be of no further force or effect upon the earliest of (i) the Expiration Time, and (ii) the written agreement of the Sponsor, dMY, and the Company.

(b) If the Closing occurs, then the Surviving Provisions shall continue in force until the first to occur of (i) the vesting of all of the Vesting Shares in accordance with this Agreement, (ii) the termination of the Sponsor Vesting Period and (iii) the written agreement of the Sponsor, dMY, and the Company; provided, that the provisions set forth in this Article IV shall survive any such termination.

(c) Upon any termination of this Agreement in the entirety, all obligations of the parties under this Agreement will terminate, without any liability or other obligation on the part of any party hereto to any Person in respect hereof or the transactions contemplated hereby, and no party hereto shall have any claim against another (and no person shall have any rights against such party), whether under contract, tort or otherwise, with respect to the subject matter hereof; provided, however, that the termination of this Agreement shall not relieve any party hereto from liability arising in respect of any breach of this Agreement prior to such termination.

(d) Notwithstanding anything to the foregoing, this Article IV shall survive the termination of this Agreement.

Section 4.2 Governing Law. The Law of the State of Delaware shall govern (a) all claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Law of any jurisdiction other than the State of Delaware.

Section 4.3 CONSENT TO JURISDICTION AND SERVICE OF PROCESS; WAIVER OF JURY TRIAL.

(a) Each party hereto submits to the exclusive jurisdiction of first, the Court of Chancery of the State of Delaware or if such court declines jurisdiction, then to any court of the State of Delaware or the Federal District Court for the District of Delaware, in any Proceeding arising out of or relating to this Agreement, agrees that all claims in respect of the Proceeding shall be heard and determined in any such court and agrees not to bring any Proceeding arising out of or relating to this Agreement in any other courts. Nothing in this Section 4.3, however, shall affect the right of any party to serve legal process in any other manner permitted by Law or at equity. Each party hereto agrees that a final judgment in any Proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law or at equity.

(b) WAIVER OF TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTIONS OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES UNDER THIS AGREEMENT. EACH PARTY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

Section 4.4 Assignment. This Agreement and all of the provisions hereof will be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder will be assigned (including by operation of law) without the prior written consent of the parties hereto. Any purported assignment or delegation not permitted under this Section 4.4 shall be null and void.

Section 4.5 Specific Performance. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity without the necessity of proving the inadequacy of money damages as a remedy and without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties hereto hereby further acknowledges that the existence of any other remedy contemplated by this Agreement does not diminish the availability of specific performance of the obligations hereunder or any other injunctive relief. It is accordingly agreed that the parties hereto shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the chancery court or any other state or federal court within the State of Delaware, this being in addition to any other remedy to

which such party is entitled at law or in equity. Each party hereto hereby further agrees that in the event of any action by any other party for specific performance or injunctive relief, it will not assert that a remedy at law or other remedy would be adequate or that specific performance or injunctive relief in respect of such breach or violation should not be available on the grounds that money damages are adequate or any other grounds.

Section 4.6 Amendment, Waiver. This Agreement may not be amended, changed, supplemented, waived or otherwise modified or terminated (other than to correct a typographical error) as to any particular provision, except by a written instrument executed by all parties hereto.

Section 4.7 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held to be prohibited by or invalid, illegal or unenforceable under applicable Law in any respect by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, illegality or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible.

Section 4.8 Notices. All notices, demands and other communications to be given or delivered under this Agreement shall be in writing and shall be deemed to have been given (a) when personally delivered (or, if delivery is refused, upon presentment) or received by email prior to 6:00 p.m. eastern time on a Business Day and, if otherwise, on the next Business Day, (b) one (1) Business Day following sending by reputable overnight express courier (charges prepaid) or (c) three (3) days following mailing by certified or registered mail, postage prepaid and return receipt requested. Each Company Stockholder shall, and shall instruct its Related Parties to, immediately cease any and all existing discussions or negotiations with any Person conducted prior to the date hereof with respect to, or which is reasonably likely to give rise to or result in, a Competing Transaction.

Section 1.3 No Transfer. From the date hereof until the Expiration Time, notwithstanding anything to the contrary in any Investment Agreement, each Company Stockholder shall not (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option to purchase or otherwise dispose of or agree to dispose of, directly or indirectly, file (or participate in the filing of) a registration statement with the SEC (other than the Registration Statement) or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, with respect to any Subject Shares, (ii) deposit any Subject Shares into a voting trust or enter into a voting agreement or arrangement or grant any proxy or power of attorney with respect thereto that is inconsistent with this Agreement, or (iii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Subject Shares, (clauses (i), (ii) and (iii), collectively, a “**Transfer**”), except, in each case, for any Transfers of Subject Shares from a Company Stockholder (x) who is an entity, to any partner, member or Affiliate thereof and (y) who is an individual, (A) to any member of such Company Stockholder’s immediate family, or to a trust for the benefit of the Company Stockholder or any member of such Company Stockholder’s immediate family, the sole trustees of which are the Company Stockholder any member of its immediate family or (B) by will, other testamentary document or under the Laws of intestacy upon the death of such Company Stockholder (a “**Permitted Transfer**”); provided, however, that any Permitted Transfer shall be permitted only if, as a precondition to such Transfer, the transferee also agrees in a writing, reasonably satisfactory in form and substance to dMY, to assume all of the obligations of such Company Stockholder under, and be bound by all of the terms of, this Agreement; provided, further, that any Transfer permitted under this Section 1.3 shall not relieve a Company Stockholder of its obligations under this Agreement. Any Transfer in violation of this Section 1.3 with respect to a Company Stockholder’s Subject Shares shall be void ab initio and of no force or effect.

Section 1.4 New Shares. In the event that, during the period commencing on the date hereof and ending at the Expiration Time, (a) any Subject Shares are issued to a Company Stockholder after the date of this Agreement pursuant to any stock dividend, stock split, recapitalization, reclassification, combination or exchange of Subject Shares or otherwise, (b) a Company Stockholder purchases or otherwise acquires beneficial ownership of any Subject Shares or (c) a Company Stockholder acquires the right to vote or share in the voting of any Subject Shares (collectively the “**New Securities**”), then such New Securities acquired or purchased by such Company Stockholder shall be subject to the terms of this Agreement to the same extent as if they constituted the Subject Shares owned by such Company Stockholder as of the date hereof.

Section 1.5 Stockholder Agreements. Hereafter until the Expiration Time, each Company Stockholder hereby unconditionally and irrevocably agrees that, at any meeting of the stockholders of the Company (or any adjournment or postponement thereof), and in any action by written consent of the Stockholders of the Company requested by the Board of Directors of the Company at which or in which the Merger Agreement and other related agreements (or any amended versions thereof) are submitted for the consideration or vote of the Company Stockholders or otherwise undertaken as contemplated by the Transactions, including in the form attached as Exhibit A (which written consent shall be delivered promptly, and in any event within three (3) Business Days, after the Registration Statement (as contemplated by the Merger Agreement) has been declared effective by the SEC), such Company Stockholder shall, if a meeting is held, appear at the meeting, in person or by proxy, or otherwise cause its Subject Shares to be counted as present thereat for purposes of establishing a quorum, and such Company Stockholder shall vote or provide consent (or cause to be voted or consented), in person or by proxy, all of its Subject Shares:

- (a) to approve and adopt the Merger Agreement and the Transactions;
- (b) to vote, consent or approve (or cause to be voted, consented or approved) all of such Company Stockholder's Subject Shares held at such time in favor of the approval and adoption of the Merger Agreement and the Transactions;
- (c) to exercise the drag-along rights set forth in Section 3.2 of the Voting Agreement, if applicable;
- (d) in any other circumstances upon which a consent or other approval is required under the Company's Governing Documents or otherwise sought with respect to the Merger Agreement or the Transactions, to vote, consent or approve (or cause to be voted, consented or approved) all of such Company Stockholder's Subject Shares held at such time in favor thereof;
- (e) to vote, consent or approve (or cause to be voted, consented or approved) the Pre-Closing Conversion to be effective immediately prior to the Effective Time, subject to and contingent upon the consummation of the Merger;
- (f) against and withhold consent with respect to any Competing Transaction (as defined in the Merger Agreement);
- (g) against any proposal, action or agreement that would (i) impede, frustrate, prevent or nullify any provision of this Agreement, the Merger Agreement or the Merger; (ii) result in a breach in any respect of any covenant, representation, warranty or another other obligation or agreement of the Company under the Merger Agreement or (iii) be reasonably expected to result in any of the conditions set forth in Sections 2.4 or 2.5 of the Merger Agreement not being fulfilled; and
- (h) to refrain from exercising any dissenters' rights or rights of appraisal under applicable Law at any time with respect to the Merger, the Merger Agreement and any of the Transactions.

Each Company Stockholder hereby agrees that it shall not commit or agree to take any action inconsistent with the foregoing.

Section 1.6 No Challenges. Each Company Stockholder agrees not to commence, join in, facilitate, assist or encourage, and agrees to take all actions necessary to opt out of any class in any class action with respect to, any claim, derivative or otherwise, against dMY, Merger Sub, the Company or any of their respective successors or directors (a) challenging the validity of, or seeking to enjoin the operation of, any provision of this Agreement or (b) alleging a breach of any fiduciary duty of any person in connection with the evaluation, negotiation or entry into the Merger Agreement.

Section 1.7 Terminated Agreements. Each of the Company and the Company Stockholders, by execution of this Agreement, hereby agrees and consents to the termination of the Investment Agreements, effective as of the Effective Time, without any further liability or obligation to the Company, the Company Stockholders or dMY. The termination of such Investment Agreements shall terminate the rights of the parties thereto to enforce any provisions of such agreements that expressly survive the termination of such Investment Agreements. Each Company Stockholder hereby waives any right to notice, right of first offer, right of first refusal or similar rights with respect to the Transaction, in each case that such Company Stockholder may have under any Investment Agreement.

Section 1.8 Closing Date Deliverables. Each of the Persons set forth on Schedule I will deliver, substantially simultaneously with the Effective Time, a duly-executed copy of the A&R Registration Rights Agreement substantially in the form attached as Exhibit C to the Merger Agreement.

Section 1.9 Further Assurances. Each Company Stockholder shall execute and deliver, or cause to be delivered, such additional documents, and take, or cause to be taken, all such further actions and do, or cause to be done, all things reasonably necessary (including under applicable Laws), or reasonably requested by dMY or the Company, to effect the actions and consummate the Merger and the other transactions contemplated by this Agreement and the Merger Agreement (including the Transactions), in each case, on the terms and subject to the conditions set forth therein and herein, as applicable.

Section 1.10 No Inconsistent Agreement. Each Company Stockholder hereby represents and covenants that such Company Stockholder has not entered into, and shall not enter into, any agreement that would restrict, limit or interfere with the performance of such Company Stockholder's obligations hereunder.

Section 1.11 Consent to Disclosure. Each Company Stockholder hereby consents to the publication and disclosure in the Registration Statement (and, as and to the extent otherwise required by applicable securities Laws or the SEC or any other securities authorities, any other documents or communications provided by the Company or dMY to any Governmental Entity or to securityholders of dMY) of such Company Stockholder's identity and beneficial ownership of Subject Shares and the nature of such Company Stockholder's commitments, arrangements and understandings under and relating to this Agreement and, if deemed appropriate by the Company or dMY, a copy of this Agreement. Each Company Stockholder will promptly provide any information reasonably requested by the Company or dMY for any regulatory application or filing made or approval sought in connection with the Transactions (including filings with the SEC).

ARTICLE II **REPRESENTATIONS AND WARRANTIES**

Each Company Stockholder represents and warrants as of the date hereof to dMY and the Company (solely with respect to itself, himself or herself and not with respect to any other Company Stockholder) as follows:

Section 2.1 Organization; Due Authorization. If such Company Stockholder is not an individual, it is duly organized, validly existing and in good standing under the Laws of the jurisdiction in which it is incorporated, formed, organized or constituted, and the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby are within such Company Stockholder's corporate, limited liability company or organizational powers and have been duly authorized by all necessary corporate, limited liability company or organizational actions on the part of such Company Stockholder. If such Company Stockholder is an individual, such Company Stockholder has full legal capacity, right and authority to execute and deliver this Agreement and to perform his or her obligations hereunder. This Agreement has been duly executed and delivered by such Company Stockholder and, assuming due authorization, execution and delivery by the other parties to this Agreement, this Agreement constitutes a legally valid and binding obligation of such Company Stockholder, enforceable against such Company Stockholder in accordance with the terms hereof (subject to the Remedies Exceptions). If this Agreement is being executed in a representative or fiduciary capacity, the Person signing this Agreement has full power and authority to enter into this Agreement on behalf of the applicable Company Stockholder.

Section 2.2 Ownership. Such Company Stockholder is the record and beneficial owner (as defined in the Securities Act) of, and has good title to, all of such Company Stockholder's Subject Shares, and there exist no Liens or any other limitation or restriction (including any restriction on the right to vote, sell or otherwise dispose of such Subject Shares) affecting any such Subject Shares, other than Liens pursuant to (i) this Agreement, (ii) the Company Governing Documents, (iii) the Merger Agreement, (iv) the Investment Agreements, or (v) any applicable securities Laws. Such Company Stockholder's Subject Shares are the only equity securities in the Company

owned of record or beneficially by such Company Stockholder on the date of this Agreement other than Company Options, and none of such Company Stockholder's Subject Shares are subject to any proxy, voting trust or other agreement or arrangement with respect to the voting of such Subject Shares, except as provided hereunder and under the Voting Agreement. Such Company Stockholder has full voting power with respect to such Company Stockholder's Subject Shares. Other than the Company Options and the Company Preferred Stock set forth opposite such Company Stockholder's name on Schedule I, such Company Stockholder does not hold or own any rights to acquire (directly or indirectly) any equity securities of the Company or equity securities convertible into, or which can be exchanged for, equity securities of the Company.

Section 2.3 No Conflicts. The execution and delivery of this Agreement by such Company Stockholder does not, and the performance by such Company Stockholder of his, her or its obligations hereunder will not, (i) if such Company Stockholder is not an individual, conflict with or result in a violation of the organizational documents of such Company Stockholder, (ii) require any consent or approval that has not been given or other action that has not been taken by any Person (including under any Contract binding upon such Company Stockholder or such Company Stockholder's Subject Shares), in each case, to the extent such consent, approval or other action would prevent, enjoin or materially delay the performance by such Company Stockholder of its, his or her obligations under this Agreement or (iii) conflict with or violate any Law.

Section 2.4 Litigation. There are no Proceedings pending against such Company Stockholder, or to the knowledge of such Company Stockholder threatened against such Company Stockholder, before (or, in the case of threatened Proceedings, that would be before) any arbitrator or any Governmental Entity, which in any manner challenges or seeks to prevent, enjoin or materially delay the performance by such Company Stockholder of such Company Stockholder's obligations under this Agreement.

Section 2.5 Adequate Information. Such Company Stockholder is a sophisticated stockholder and has adequate information concerning the business and financial condition of dMY and the Company to make an informed decision regarding this Agreement and the Transactions and has independently and without reliance upon dMY or the Company and based on such information as such Company Stockholder has deemed appropriate, made its own analysis and decision to enter into this Agreement. Such Company Stockholder acknowledges that dMY and the Company have not made and do not make any representation or warranty, whether express or implied, of any kind or character except as expressly set forth in this Agreement. Such Company Stockholder acknowledges that the agreements contained herein with respect to the Subject Shares held by such Company Stockholder are irrevocable.

Section 2.6 Brokerage Fees. Except as described on Section 3.13 of the Company Disclosure Letter, no broker, finder, investment banker or other Person is entitled to any brokerage fee, finders' fee or other commission in connection with the transactions contemplated by the Merger Agreement based upon arrangements made by such Company Stockholder, for which the Company or any of its affiliates may become liable.

Section 2.7 Acknowledgment. Such Company Stockholder understands and acknowledges that each of dMY and the Company is entering into the Merger Agreement in reliance upon such Company Stockholder's execution and delivery of the Agreement.

ARTICLE III **MISCELLANEOUS**

Section 3.1 Termination. This Agreement and all of its provisions shall terminate and be of no further force or effect upon the earlier of (a) the Expiration Time and (b) as to each Company Stockholder, the written agreement of dMY, the Company and such Company Stockholder. Upon such termination of this Agreement, all obligations of the parties under this Agreement will terminate, without any liability or other obligation on the part of any party hereto to any Person in respect hereof or the transactions contemplated hereby, and no party hereto shall have any claim against another (and no person shall have any rights against such party), whether under contract, tort or otherwise, with respect to the subject matter hereof; provided, however, that the termination of this Agreement shall not relieve any party hereto from liability arising in respect of any breach of this Agreement prior to such termination. This ARTICLE III shall survive the termination of this Agreement.

Section 3.2 Governing Law. The Law of the State of Delaware shall govern (a) all claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Law of any jurisdiction other than the State of Delaware.

Section 3.3 CONSENT TO JURISDICTION AND SERVICE OF PROCESS; WAIVER OF JURY TRIAL.

(a) Each party hereto submits to the exclusive jurisdiction of first, the Court of Chancery of the State of Delaware or if such court declines jurisdiction, then to any court of the State of Delaware or the Federal District Court for the District of Delaware, in any Proceeding arising out of or relating to this Agreement, agrees that all claims in respect of the Proceeding shall be heard and determined in any such court and agrees not to bring any Proceeding arising out of or relating to this Agreement in any other courts. Nothing in this Section 3.3, however, shall affect the right of any party to serve legal process in any other manner permitted by Law or at equity. Each party hereto agrees that a final judgment in any Proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law or at equity.

(b) WAIVER OF TRIAL BY JURY. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTIONS OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES UNDER THIS AGREEMENT. EACH PARTY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

Section 3.4 Assignment. This Agreement and all of the provisions hereof will be binding upon and inure to the benefit of the parties hereto and their respective heirs, successors and permitted assigns. Neither this Agreement nor any of the rights, interests or obligations hereunder will be assigned (including by operation of law) without the prior written consent of the parties hereto. Any purported assignment or delegation not permitted under this Section 3.4 shall be null and void.

Section 3.5 Specific Performance. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity without the necessity of proving the inadequacy of money damages as a remedy and without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties hereto hereby further acknowledges that the existence of any other remedy contemplated by this Agreement does not diminish the availability of specific performance of the obligations hereunder or any other injunctive relief. It is accordingly agreed that the parties hereto shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the chancery court or any other state or federal court within the State of Delaware, this being in addition to any other remedy to which such party is entitled at law or in equity. Each party hereto hereby further agrees that in the event of any action by any other party for specific performance or injunctive relief, it will not assert that a remedy at law or other remedy would be adequate or that specific performance or injunctive relief in respect of such breach or violation should not be available on the grounds that money damages are adequate or any other grounds.

Section 3.6 Amendment; Waiver. This Agreement may not be amended, changed, supplemented, waived or otherwise modified or terminated, except upon the execution and delivery of a written agreement executed by dMY, the Company and the Company Stockholders that collectively hold a number of Subject Shares required to authorize the Company Stockholder Approval.

Section 3.7 Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held to be prohibited by or invalid, illegal or unenforceable under applicable Law in any respect by a court of competent jurisdiction, such provision shall be ineffective only to the extent of such prohibition or invalidity, illegality or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Agreement. Furthermore, in lieu of such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a legal, valid and enforceable provision as similar in terms to such illegal, invalid, or unenforceable provision as may be possible.

Section 3.8 Release of Claims. In consideration for the payments and other benefits to be received by the Company Stockholder under the terms of the Merger Agreement, subject to and effective as of the Closing, the Company Stockholder, for and on behalf of himself, herself or itself and each of his, her or its, as applicable, heirs, executors, administrators, personal representatives, successors, assigns, subsidiaries, predecessors, parent companies, shareholders and Affiliates and in each case, each of their respective Affiliates, officers, directors, partners, employees, agents, attorneys, and other representatives, hereby acknowledges full and complete satisfaction of and fully and irrevocably releases and forever discharges the Company, dMY (and, for the avoidance of doubt, the Trust Account), each of their respective subsidiaries and their predecessors, successors, assignees, parent companies, shareholders and investors (direct and indirect) and, in each case, each of their respective Affiliates, officers, directors, partners, employees, agents, attorneys and other representatives, past and present (collectively, the “**Released Entities**”), from liability on or for any and all charges, claims, controversies, actions, causes of action, cross claims, counterclaims, demands, debts, duties, sanctions, fines, compensatory damages, liquidated damages, punitive or exemplary damages, other damages, claims for costs, attorney’s fees, sums of money, suits, contracts, covenants, controversies, agreements, promises, responsibilities, obligations and accounts of any kind, nature or description whatsoever in Law or in equity (“**Actions**”), direct or indirect, past, present and future, and whether or not now or heretofore known, suspected, matured or unmatured, contingent or uncontingent, or claimed against the Released Entities, through and including the Closing, in each case solely to the extent that it arises out of, or is related to, (i) such Company Stockholder’s ownership of equity or debt interests in the Company prior to the Closing (including any and all Actions such Company Stockholder may have against the Released Entities in such Company Stockholder’s capacity as a securityholder or a debtholder of the Company) and (ii) the organization, management or operation of the businesses of the Company relating to any matter, occurrence, action, inaction, omission or activity prior to the Closing, in each case, solely in such Company Stockholder’s capacity as an equity or debt securityholder; provided, that such release shall not release the Released Entities for (i) any liabilities or Actions that such Company Stockholder has pursuant to its right to receive its portion of the Company Equity Value determined in accordance with, and subject to, the terms of, and the steps set forth in, the Merger Agreement, (ii) any Actions arising out of or related to the Released Entities’ respective governing documents to provide indemnification, reimbursement or advancement of expenses to such Company Stockholder in respect of actions taken or omitted in such Company Stockholder’s capacity as an officer and/or director of such Released Entity prior to the Closing, (iii) any Actions arising out of or related to the Released Entities’ contracts with or obligations to any Company Stockholder in respect of compensation arrangements as an officer and/or director of such Released Entity prior to the Closing or (iv) any Actions arising under, or in connection with, any commercial agreements as between any direct or indirect portfolio companies of the Company Stockholder or its Affiliates and any Released Entity.

Section 3.10 Capacity. Each Company Stockholder is signing this Agreement solely in the Company Stockholder's capacity as a holder of Subject Shares, and not in the Company Stockholder's capacity as a director, officer or employee of Company or in the Company's Stockholder's capacity as a trustee or fiduciary of any employee benefit plan or trust. Notwithstanding anything herein to the contrary, nothing herein shall in any way restrict a director or officer of the Company in the exercise of his or her fiduciary duties as a director or officer of the Company or in his or her capacity as a trustee or fiduciary of any employee benefit plan or trust or prevent or be construed to create any obligation on the part of any director or officer of the Company or any trustee or fiduciary of any employee benefit plan or trust from taking any action in his or her capacity as such director, officer, trustee or fiduciary, provided that nothing contained in this Section 3.9 shall obviate any of the Company Stockholder's obligations under Article 1 of this Agreement.

Wert (collectively, the “**dMY Independent Directors**” and together with the Sponsor, the “**Founder Holders**”). The Founder Holders, the Management Holders, the Sellers and any person or entity who hereafter becomes a party to this Agreement are referred to herein, individually, as a “Securityholder” and, collectively, as the “Securityholders.”

Capitalized terms used but not defined herein have the meanings ascribed in the Agreement and Plan of Merger (the “**MA**”) dated as of the date hereof, entered into by and among the Company, IonQ, Inc., a Delaware corporation (“**IonQ**”), and Ion Trap Acquisition Inc., a Delaware corporation and a wholly owned subsidiary of the Company (“**Merger Sub**”), pursuant to which, among other things, Merger Sub will be merged with and into IonQ (the “**Merger**”), with IonQ surviving the Merger as a wholly owned subsidiary of the Company.

WHEREAS, pursuant to the MA, and in view of the valuable consideration to be received by the parties thereunder, the parties desire to enter into this Agreement, pursuant to which the Lock-up Shares (as defined below) shall become subject to limitations on disposition as set forth herein.

NOW, THEREFORE, in consideration of the premises set forth above, which are incorporated in this Agreement as if fully set forth below, and intending to be legally bound hereby, the parties hereby agree as follows:

1. Subject to the exceptions set forth herein, the Securityholders agree not to, without the prior written consent of the board of directors of the Company, (i) sell, offer to sell, contract or agree to sell, hypothecate, pledge, grant any option, right or warrant to purchase or otherwise transfer, dispose of or agree to transfer or dispose of, directly or indirectly, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), and the rules and regulations of the Securities and Exchange Commission promulgated thereunder, any shares of the Company’s Common Stock, par value \$0.0001 per share (the “**Common Stock**”) held by it immediately after the Effective Time (including Common Stock acquired as part of the PIPE Investment or issued in exchange for, or on conversion or exercise of, any securities issued as part of the PIPE Investment), any shares of Common Stock issuable upon the exercise of options to purchase shares of Common Stock held by it immediately after the Effective Time, or any securities convertible into or exercisable or exchangeable for Common Stock held by it immediately after the Effective Time (the “**Lock-up Shares**”), (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any of the Lock-up Shares, whether any such transaction is to be settled by delivery of such securities, in cash or otherwise or (iii) publicly announce any intention to effect any transaction specified in clause (i) or (ii) (the actions specified in clauses (i)-(iii), collectively, “**Transfer**”) during the period beginning on the Closing Date and ending on the date described in Paragraph 3 (the “**Lock-Up Period**”).

2. The restrictions set forth in paragraph 1 shall not apply to:

- (i) in the case of an entity, a Transfer (A) to another entity that is an affiliate (as defined in Rule 405 promulgated under the Securities Act of 1933, as amended) of the undersigned, or to any investment fund or other entity controlling, controlled by, managing or managed by or under common control with the undersigned or affiliates of the undersigned or who shares a common investment advisor with the undersigned or (B) as part of a distribution to members, partners or shareholders of the undersigned;

- (xii) the entry, by the Securityholder, at any time after the Effective Time, of any trading plan providing for the sale of shares of Common Stock by the Securityholder, which trading plan meets the requirements of Rule 10b5-1(c) under the Exchange Act, *provided, however*, that such plan does not provide for, or permit, the sale of any shares of Common Stock during the Lock-Up Period and no public announcement or filing is voluntarily made or required regarding such plan during the Lock-Up Period;
- (xiii) Transfers in the event of completion of a liquidation, merger, stock exchange or other similar transaction which results in all of the Company's securityholders having the right to exchange their shares of Common Stock for cash, securities or other property; and
- (xiv) Transfers to satisfy any U.S. federal, state, or local income tax obligations of the Securityholder (or its direct or indirect owners) arising from a change in the U.S. Internal Revenue Code of 1986, as amended (the "**Code**"), or the U.S. Treasury Regulations promulgated thereunder (the "**Regulations**") after the date on which the MA was executed by the parties, and such change prevents the Merger from qualifying as a "reorganization" pursuant to Section 368 of the Code (and the Merger does not qualify for similar tax-free treatment pursuant to any successor or other provision of the Code or Regulations taking into account such changes), in each case solely and to the extent necessary to cover any tax liability as a direct result of the transaction.

provided, however, that (A) in the case of clauses (i) through (vii), these permitted transferees must enter into a written agreement, in substantially the form of this Agreement (it being understood that any references to "immediate family" in the agreement executed by such transferee shall expressly refer only to the immediate family of the Securityholder and not to the immediate family of the transferee), agreeing to be bound by these Transfer restrictions. For purposes of this paragraph, "immediate family" shall mean a spouse, domestic partner, child (including by adoption), father, mother, brother or sister of the undersigned, and lineal descendant (including by adoption) of the undersigned or of any of the foregoing persons; and "affiliate" shall have the meaning set forth in Rule 405 under the Securities Act of 1933, as amended.

3. The Lock-Up Period shall terminate (i) for Sellers, upon the earlier of (x) 180 days after the Closing Date and (y) the date on which the Company completes a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares for cash, securities or other property, (ii) for Management Holders, upon the earlier of (x) 365 days after the Closing Date, (y) the day after the date on which the closing price of the Company's common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 180 days after the Closing Date and (z) the date on which the Company completes a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares for cash, securities or other property, and (iii) for Founder Holders, upon the earlier of (x) 365 days after the Closing Date, (y) the day after the date on which the closing price of the Company's common stock equals or exceeds \$12.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within any 30-trading day period commencing at least 150 days after the Closing Date and (z) the date on which the Company completes a liquidation, merger, capital stock exchange, reorganization or other similar transaction that results in all of the Company's stockholders having the right to exchange their shares for cash, securities or other property.

4. In the event that (i) the Company releases, in full or in part, any director or officer of the Company or any other party subject to a lock-up agreement and (ii) such release or series of releases cumulatively relates to more than 1,000,000 shares of Common Stock (as adjusted for any stock dividend, stock split, combination of shares, reclassification, recapitalization or other similar event), then the other Securityholders shall be automatically released from the restrictions on Transfer set forth in this Letter Agreement to the same extent, with respect to the same percentage of Common Stock of such Securityholders as the percentage of Common Stock being released with respect to the released party represent with respect to the Company securities held by the released party (calculated as a percentage of the total outstanding shares of Common Stock held by the released party) at the time of the request made for the release by the released party. In the event of any such release, the Company shall use its reasonable best efforts to notify the Securityholders within two (2) business days of the occurrence of the release.

5. For the avoidance of doubt, each Securityholder shall retain all of its rights as a stockholder of the Company with respect to the Lock-up Shares during the Lock-Up Period, including the right to vote any Lock-up Shares that are entitled to vote.

6. The lock-up provisions in Section 7(a) of the letter agreement, dated as of November 12, 2020, by and among the Company, the Sponsor and certain Insiders (as defined therein) signatory thereto, shall terminate and be of no further force or effect upon the effectiveness of the lock-up provisions of this Agreement.

7. In furtherance of the foregoing, the Company, and any duly appointed transfer agent for the registration or transfer of the securities described therein, are hereby authorized to decline to make any transfer of securities if such transfer would constitute a violation or breach of this Agreement, and such purported Transfer shall be null and void *ab initio*. In addition, during the Lock-Up Period, each certificate or book-entry position evidencing the Lock-Up Shares shall be marked with a legend in substantially the following form, in addition to any other applicable legends:

“THE SECURITIES REPRESENTED HEREBY ARE SUBJECT TO RESTRICTIONS ON TRANSFER SET FORTH IN A LOCK-UP AGREEMENT BY AND AMONG THE COMPANY AND THE REGISTERED HOLDER OF THE SECURITIES (OR THE PREDECESSOR IN INTEREST TO THE SECURITIES). A COPY OF SUCH LOCK-UP AGREEMENT WILL BE FURNISHED WITHOUT CHARGE BY THE COMPANY TO THE HOLDER HEREOF UPON WRITTEN REQUEST.”

8. This Agreement constitutes the entire agreement and understanding of the parties hereto in respect of the subject matter hereof and supersedes all prior understandings, agreements or representations by or among the parties hereto, written or oral, to the extent they relate in any way to the subject matter hereof or the transactions contemplated hereby provided, that, for the avoidance of doubt, the foregoing shall not affect the rights and obligations of the parties under the MA or any Subscription Agreement or any documents related thereto or referred to therein. This Agreement may not be changed, amended, modified or waived (other than to correct a typographical error) as to any particular provision, except by a written instrument executed by the undersigned (i) Securityholder and (ii) the Company.

9. No party hereto may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written consent of the other party. Any purported assignment in violation of this paragraph shall be void and ineffectual and shall not operate to transfer or assign any interest or title to the purported assignee. This Agreement shall be binding on the Securityholder and each of its respective successors, heirs and assigns and permitted transferees.

10. The Law of the State of Delaware shall govern (a) all claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of law or conflict of law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Law of any jurisdiction other than the State of Delaware.

11. Each party hereto submits to the exclusive jurisdiction of first, the Court of Chancery of the State of Delaware or if such court declines jurisdiction, then to any court of the State of Delaware or the Federal District Court for the District of Delaware, in any Proceeding arising out of or relating to this Agreement, agrees that all claims in respect of the Proceeding shall be heard and determined in any such court and agrees not to bring any Proceeding arising out of or relating to this Agreement in any other courts. Nothing in this paragraph 11, however, shall affect the right of any party to serve legal process in any other manner permitted by Law or at equity. Each party hereto agrees that a final judgment in any Proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law or at equity. EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTIONS OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES UNDER THIS AGREEMENT. EACH PARTY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

12. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that the parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity without the necessity of proving the inadequacy of money damages as a remedy and without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the parties hereto hereby further acknowledges that the existence of any other remedy contemplated by this Agreement does not diminish the availability of specific performance of the obligations hereunder or any other injunctive relief. It is accordingly agreed that the parties hereto shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery or any other state or federal court within the State of Delaware, this being in addition to any other remedy to which such party is entitled at law or in equity. Each party hereto hereby further agrees that in the event of any action by any other party for specific performance or injunctive relief, it will not assert that a remedy at law or other remedy would be adequate or that specific performance or injunctive relief in respect of such breach or violation should not be available on the grounds that money damages are adequate or any other grounds

13. This Agreement shall terminate on the expiration of the Lock-up Period.

ARTICLE II REGISTRATION RIGHTS

Section 2.1 Shelf Registration.

(a) Filing. The Company shall file with the SEC, prior to or at the Closing Date (the “**Filing Date**”), a Registration Statement for a Shelf Registration on Form S-1 (the “**Form S-1 Shelf**”) or if the Company is eligible a Registration Statement for Shelf Registration on Form S-3 (the “**Form S-3 Shelf**,” and together with the Form S-1 Shelf (and any Subsequent Shelf Registration), the “**Shelf**”), if the Company is then eligible to use a Form S-3 Shelf, in each case, covering the resale of all Registrable Securities (determined as of two (2) Business Days prior to such filing) on a delayed or continuous basis. The Company shall use reasonable best efforts to cause the Shelf to become effective as soon as practicable after such filing, but in no event later than thirty (30) calendar days after the Filing Date, which shall be extended to sixty (60) calendar days after the Filing Date if the Registration Statement is reviewed by, and comments thereto are provided from, the SEC. Notwithstanding the foregoing, if the Company is notified (orally or in writing, whichever is earlier) by the Commission that the Registration Statement will not be “reviewed” or subject to further review, the Company shall use its reasonable best efforts to have the Registration Statement declared effective within five (5) Business Days of receipt of such notice, or on the Closing Date, if later. The Shelf shall provide for the resale of the Registrable Securities included therein pursuant to any method or combination of methods legally available to, and requested by, any Holder named therein. The Company shall maintain the Shelf in accordance with the terms of this Agreement, and shall prepare and file with the SEC such amendments, including post-effective amendments, and supplements as may be necessary to keep such Shelf continuously effective, available for use and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities. In the event the Company files a Form S-1 Shelf, the Company shall use its commercially reasonable efforts to convert the Form S-1 Shelf (and any Subsequent Shelf Registration) to a Form S-3 Shelf as soon as practicable after the Company is eligible to use Form S-3, or any similar short-form registration.

(b) Subsequent Shelf Registration. If any Shelf ceases to be effective under the Securities Act for any reason at any time while there are any Registrable Securities outstanding, the Company shall, subject to Section 2.7, use reasonable best efforts to as promptly as is reasonably practicable cause such Shelf to again become effective under the Securities Act (including obtaining the prompt withdrawal of any order suspending the effectiveness of such Shelf), and shall use reasonable best efforts to as promptly as is reasonably practicable amend such Shelf in a manner reasonably expected to result in the withdrawal of any order suspending the effectiveness of such Shelf or file an additional Registration Statement as a Shelf Registration (a “**Subsequent Shelf Registration**”) registering the resale of all outstanding Registrable Securities from time to time, and pursuant to any method or combination of methods legally available to, and reasonably requested by, any Holder named therein. If a Subsequent Shelf Registration is filed, the Company shall use reasonable best efforts to (i) cause such Subsequent Shelf Registration to become effective under the Securities Act as promptly as is reasonably practicable after the filing thereof (it being agreed that the Subsequent Shelf Registration shall be an Automatic Shelf Registration Statement if the Company is a Well-Known Seasoned Issuer at the most recent applicable eligibility determination date) and (ii) keep such Subsequent Shelf Registration continuously effective, available for use to permit Holders named therein to sell their Registrable Securities included therein and in compliance with the provisions of the Securities Act until such time as there are no longer any Registrable Securities outstanding. Any such Subsequent Shelf Registration shall be on Form S-3 or any similar short-form registration to the extent that the Company is eligible to use such form. Otherwise, such Subsequent Shelf Registration shall be on another appropriate form.

(c) Additional Registrable Securities. In the event that any Holder holds Registrable Securities that are not registered for resale on a delayed or continuous basis, the Company, upon the request of the: (i) Holders of at least a majority-in-interest of the then outstanding Registrable Securities held by the Founder Holders, or (ii) Holders of at least a majority-in-interest of the then outstanding Registrable Securities held by the New Holders, shall promptly use reasonable best efforts to cause the resale of such Registrable Securities to be covered by either, at the Company's option, the Shelf (including by means of a post-effective amendment) or a Subsequent Shelf Registration and cause the same to become effective as soon as practicable after such filing and such Shelf or Subsequent Shelf Registration shall be subject to the terms of this Agreement; provided, however, that the Company shall only be required to cause such Registrable Securities to be so covered twice per calendar year for each of the New Holders and the Founder Holders.

(d) Requests for Underwritten Shelf Takedowns. At any time and from time to time so long as there is an effective Shelf on file with the SEC, the Special Holders may request to sell all or any portion of their Registrable Securities in an underwritten offering that is registered pursuant to the Shelf (each, an "***Underwritten Shelf Takedown***"); provided that the Company shall only be obligated to effect an Underwritten Shelf Takedown if such offering (i) shall include securities with a total offering price (including securities to be sold pursuant to Section 2.2 hereof) and before deduction of underwriting discount) reasonably expected to exceed, in the aggregate, \$10.0 million (the "***Minimum Takedown Threshold***"). All requests for Underwritten Shelf Takedowns shall be made by giving written notice to the Company, which shall specify the approximate number of Registrable Securities proposed to be sold in the Underwritten Shelf Takedown and the expected price range (net of underwriting discounts and commissions) of such Underwritten Shelf Takedown; provided that each Special Holder agrees that the fact that such a notice has been delivered shall constitute material non-public information. The Special Holders that requested such Underwritten Shelf Takedown (the "***Demanding Holders***") shall have the right to select the Underwriters for such offering (which shall consist of one (1) or more reputable nationally or regionally recognized investment banks), and to agree to the pricing and other terms of such offering; provided that such selection shall be subject to the consent of the Company, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding anything to the contrary contained in this Agreement, in no event shall any Special Holder or any Transferee thereof request an Underwritten Shelf Takedown during the Lock-Up Period applicable to such Person. The Special Holders, collectively, may demand not more than two (2) Underwritten Shelf Takedowns per twelve (12) month period. Notwithstanding anything to the contrary in this Agreement, the Company may effect any Underwritten Offering pursuant to any then effective Registration Statement, including a Form S-3, that is then available for such offering. The Special Holders hereby agree that all rights to participate in an Underwritten Shelf Takedown will be subject to Section 2.6. For the avoidance of doubt, Underwritten Shelf Takedowns shall include underwritten block trades.

(e) Shelf Takedown Participation. Promptly upon receipt of a Shelf Takedown request (but in no event more than three (3) Business Days thereafter (or more than twenty-four (24) hours thereafter in connection with an underwritten "block trade")) for any Underwritten Shelf Takedown, the Company shall deliver a notice (a "***Shelf Takedown Notice***") to each other Special Holder with Registrable Securities covered by the applicable Registration Statement (each, a "***Potential Takedown Participant***"). The Shelf Takedown Notice shall offer each such Potential Takedown Participant the opportunity, to include in any Underwritten Shelf Takedown such

number of Registrable Securities as each such Potential Takedown Participant may request in writing (each a “**Requesting Holder**”). The Company shall include in the Underwritten Shelf Takedown all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within three (3) Business Days (or within twenty-four (24) hours in connection with an underwritten “block trade”) after the date that the Shelf Takedown Notice has been delivered. Any Requesting Holder’s request to participate in an Underwritten Shelf Takedown shall be binding on the Requesting Holder; provided that each such Requesting Holder that elects to participate may condition its participation on the Underwritten Shelf Takedown being completed within ten (10) Business Days of its acceptance at a price per share (after giving effect to any underwriters’ discounts or commissions) to such Requesting Holder of not less than a percentage of the closing price for the shares on their principal trading market on the Business Day immediately prior to such Requesting Holder’s election to participate, as specified in such Requesting Holder’s request to participate in such Underwritten Shelf Takedown (the “**Participation Conditions**”). Notwithstanding the delivery of any Shelf Takedown Notice, but subject to the Participation Conditions (to the extent applicable), all determinations as to whether to complete any Underwritten Shelf Takedown and as to the timing, manner, price and other terms of any Underwritten Shelf Takedown contemplated by this Section 2.1(e) shall be determined by the Demanding Holders.

(f) Reduction of Underwritten Shelf Takedowns. If the managing Underwriter or Underwriters in an Underwritten Shelf Takedown, in good faith, advise the Company, the Demanding Holders and the Requesting Holders (if any) in writing that the dollar amount or number of Registrable Securities that the Demanding Holders and the Requesting Holders (if any) desire to sell, taken together with all other Common Shares or other Equity Securities that the Company desires to sell and all other Common Shares or other Equity Securities, if any, that have been requested to be sold in such Underwritten Offering pursuant to separate written contractual piggyback registration rights held by any other shareholders, exceeds the maximum dollar amount or maximum number of Equity Securities that can be sold in the Underwritten Offering without adversely affecting the proposed offering price, the timing, the distribution method, or the probability of success of such offering (such maximum dollar amount or maximum number of such securities, as applicable, the “**Maximum Number of Securities**”), then the Company shall include in such Underwritten Offering, as follows: at all times (i) first, the Registrable Securities of the Demanding Holders and the Requesting Holders (if any) (pro rata based on the respective then-ownership of Registrable Securities of each Demanding Holder and Requesting Holder (if any) that has requested to be included in such Underwritten Shelf Takedown) that can be sold without exceeding the Maximum Number of Securities; (ii) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (i), the Common Shares or other Equity Securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (iii) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (i) and (ii), the Common Shares or other Equity Securities of other Persons that the Company is obligated to include in such Underwritten Offering pursuant to separate written contractual arrangements with such Persons and that can be sold without exceeding the Maximum Number of Securities.

(g) Withdrawal. Any of the Demanding Holders initiating an Underwritten Shelf Takedown shall have the right to withdraw from such Underwritten Shelf Takedown for any or no reason whatsoever upon written notification (a “*Withdrawal Notice*”) to the Company and the Underwriter or Underwriters (if any) of such Demanding Holder’s intention to withdraw from such Underwritten Shelf Takedown, prior to the public announcement of the Underwritten Shelf Takedown by the Company; provided that if any Demanding Holder delivers a Withdrawal Notice, the Company shall not be required to continue such Underwritten Shelf Takedown unless the Minimum Takedown Threshold would still be satisfied by the Registrable Securities proposed to be sold. Following the receipt of any Withdrawal Notice, the Company shall promptly forward such Withdrawal Notice to any other Special Holders that had elected to participate in such Underwritten Shelf Takedown. Notwithstanding anything to the contrary contained in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Underwritten Shelf Takedown prior to delivery of a Withdrawal Notice under this Section 2.1(g).

(h) Long-Form Demands. During such times as no Shelf is effective, each Special Holder may demand that the Company file a Registration Statement on Form S-1 or any similar long-form registration for the purpose of conducting an Underwritten Offering of any or all of such Special Holder’s Registrable Securities. The Company shall use reasonable best efforts to file such Registration Statement within 30 days of receipt of such demand and use reasonable best efforts to cause the same to be declared effective as soon as reasonably practicable after the initial filing thereof, but in no event later than sixty (60) days after the initial filing thereof, which shall be extended to one hundred twenty (120) days after the initial filing thereof if the Registration Statement is reviewed by, and comments thereto are provided from, the SEC. The provisions of Section 2.1(d), Section 2.1(e), Section 2.1(f), and Section 2.1(g) shall apply to this Section 2.1(h) as if a demand under this Section 2.1(h) were an Underwritten Shelf Takedown, provided that in order to withdraw a demand under this Section 2.1(h), such withdrawal must be received by the Company prior to the Company having publicly filed a Registration Statement pursuant to this Section 2.1(h).

Section 2.2 Piggyback Registration.

(a) Piggyback Rights. If the Company proposes to file a Registration Statement under the Securities Act with respect to an offering of, Equity Securities of the Company or securities or other obligations exercisable or exchangeable for or convertible into Equity Securities of the Company, for its own account or for the account of shareholders of the Company, other than a Registration Statement (or any registered offering with respect thereto) (i) filed in connection with any employee share option or other benefit plan, (ii) for an exchange offer or offering of securities solely to the Company’s existing shareholders, (iii) for an offering of debt that is convertible into equity securities of the Company, (iv) for a dividend reinvestment plan or (v) on Form S-4 (or similar form that relates to a transaction subject to Rule 145 under the Securities Act or any successor rule thereto), then the Company shall give written notice of such proposed offering to each Special Holder and each New Holder (collectively, the “*Piggyback Holders*”) as soon as practicable but not less than five (5) calendar days before the anticipated filing date of such Registration Statement or, in the case of an underwritten offering pursuant to a Shelf Registration, the launch date of such offering, which notice shall (A) describe the amount and type of securities to be included in such offering, the intended method(s) of distribution, and the name of the proposed managing Underwriter or Underwriters, if any and if known, in such offering, and (B) offer to all of the Piggyback Holders the opportunity to include in such registered offering such number of Registrable Securities as such Piggyback Holders may request in writing within three

(3) calendar days after receipt of such written notice (such registered offering, a “**Piggyback Registration**”); provided that each Piggyback Holder agrees that the fact that such a notice has been delivered shall constitute material non-public confidential information; provided further, that any such request with respect to any Piggyback Registration in respect of a block trade must be provided by such Piggyback Holders in writing no later than twenty four (24) hours following receipt of any written notice regarding such block trade. The Company shall cause such Registrable Securities to be included in such Piggyback Registration, and shall use reasonable best efforts to cause the managing Underwriter or Underwriters of a proposed Underwritten Offering to permit the Registrable Securities requested by the Piggyback Holders pursuant to this Section 2.2(a) to be included in a Piggyback Registration on the same terms and conditions as any similar securities of the Company included in such registered offering and to permit the sale or other disposition of such Registrable Securities in accordance with the intended method(s) of distribution thereof. The inclusion of any Piggyback Holder’s Registrable Securities in a Piggyback Registration shall be subject to such Piggyback Holder’s agreement to abide by the terms of Section 2.6 below.

(b) Reduction of Piggyback Registration. If the managing Underwriter or Underwriters in an Underwritten Offering that is to be a Piggyback Registration (other than an Underwritten Shelf Takedown), in good faith, advises the Company and the Piggyback Holders participating in the Piggyback Registration in writing that the dollar amount or number of Common Shares or other Equity Securities that the Company desires to sell, taken together with (i) the Common Shares or other Equity Securities, if any, as to which Registration or a registered offering has been demanded pursuant to separate written contractual arrangements with Persons other than the Piggyback Holders hereunder and (ii) the Common Shares or other Equity Securities, if any, as to which registration has been requested pursuant to Section 2.2, exceeds the Maximum Number of Securities, then:

(i) If the Registration is initiated and undertaken for the Company’s account, the Company shall include in any such Registration, (A) first, the Common Shares or other Equity Securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Piggyback Holders exercising their rights to register their Registrable Securities pursuant to Section 2.2(a) (pro rata based on the respective then-ownership of Registrable Securities of each Special Holder that has requested to be included in such Registration), which can be sold without exceeding the Maximum Number of Securities; and (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Shares or other Equity Securities, if any, as to which Registration has been requested pursuant to written contractual piggyback registration rights of other shareholders of the Company, which can be sold without exceeding the Maximum Number of Securities; or

(ii) If the Registration is pursuant to a request by Persons other than the Piggyback Holders, then the Company shall include in any such Registration (A) first, the Common Shares or other Equity Securities, if any, of such requesting Persons, other than the Piggyback Holders, which can be sold without exceeding the Maximum Number of Securities; (B) second, to the extent that the Maximum Number of Securities has not been reached under the foregoing clause (A), the Registrable Securities of Piggyback Holders

exercising their rights to register their Registrable Securities pursuant to Section 2.2(a) (pro rata based on the respective then-ownership of Registrable Securities of each Piggyback Holder that has requested to be included in such Registration) which can be sold without exceeding the Maximum Number of Securities; (C) third, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A) and (B), the Common Shares or other Equity Securities that the Company desires to sell, which can be sold without exceeding the Maximum Number of Securities; and (D) fourth, to the extent that the Maximum Number of Securities has not been reached under the foregoing clauses (A), (B) and (C), the Common Shares or other Equity Securities, if any, for the account of other Persons that the Company is obligated to register pursuant to separate written contractual piggyback registration rights of such Persons, which can be sold without exceeding the Maximum Number of Securities.

Notwithstanding anything to the contrary in this Section 2.2(b), in the event a Demanding Holder has submitted notice for a bona fide Underwritten Shelf Takedown and all sales pursuant to such Underwritten Shelf Takedown pursuant to Section 2.1 have not been effected in accordance with the applicable plan of distribution or submitted a Withdrawal Notice prior to such time that the Company has given written notice of a Piggyback Registration to all Piggyback Holders pursuant to Section 2.2, then any reduction in the number of Registrable Securities to be offered in such offering shall be determined in accordance with Section 2.1(f), instead of this Section 2.2(b).

(c) Piggyback Registration Withdrawal. Any Piggyback Holder shall have the right to withdraw from a Piggyback Registration for any or no reason whatsoever upon written notification to the Company and the Underwriter or Underwriters (if any) of such Piggyback Holder's intention to withdraw from such Piggyback Registration prior to the effectiveness of the Registration Statement filed with the SEC with respect to such Piggyback Registration or, in the case of a Piggyback Registration pursuant to a Shelf Registration, the filing of the applicable "red herring" prospectus or prospectus supplement with respect to such Piggyback Registration used for marketing such transaction. The Company (whether on its own good faith determination or as the result of a request for withdrawal by Persons pursuant to separate written contractual obligations) may withdraw a Registration Statement filed with the SEC in connection with a Piggyback Registration (which, in no circumstance, shall include the Shelf) at any time prior to the effectiveness of such Registration Statement. Notwithstanding anything to the contrary set forth in this Agreement, the Company shall be responsible for the Registration Expenses incurred in connection with the Piggyback Registration prior to its withdrawal under this Section 2.2(c).

(d) Notwithstanding anything herein to the contrary, this Section 2.2 shall not apply (i) for any Holder or Party, prior to the expiration of the Lock-Up Period in respect of such Holder or Party or (ii) to any Shelf Takedown irrespective of whether such Shelf Takedown is an Underwritten Shelf Takedown or not an Underwritten Shelf Takedown.

Section 2.3 Market Stand-Off. In connection with any Underwritten Offering of Equity Securities of the Company, if requested by the managing Underwriters, each Holder that is an executive officer, director or Holder participating in such Underwritten Offering agrees that it shall not transfer any Common Shares or other Equity Securities of the Company (other than those included in such offering pursuant to this Agreement) during the ninety (90)-day period (or such shorter time agreed to by the managing Underwriters) beginning on the date of pricing of such

offering, except as expressly permitted by such lock-up agreement or in the event the managing Underwriters otherwise agree by written consent. Each such Holder agrees to execute a customary lock-up agreement in favor of the Underwriters to such effect (in each case on substantially the same terms and conditions as all such Holders).

Section 2.4 General Procedures. In connection with effecting any Registration and/or Shelf Takedown, subject to applicable Law and any regulations promulgated by any securities exchange on which the Company's Equity Securities are then listed, each as interpreted by the Company with the advice of its counsel, the Company shall use reasonable best efforts (except as set forth in clause (d) below) to effect such Registration to permit the sale of the Registrable Securities included in such Registration in accordance with the intended plan of distribution thereof, and pursuant thereto the Company shall, as expeditiously as possible:

(a) prepare and file with the SEC as soon as practicable a Registration Statement with respect to such Registrable Securities and use reasonable best efforts to cause such Registration Statement to become effective and remain effective until all Registrable Securities have ceased to be Registrable Securities;

(b) prepare and file with the SEC such amendments and post-effective amendments to the Registration Statement, and such supplements to the Prospectus, as may be reasonably requested by any Holder that holds at least five percent (5%) of the Registrable Securities on such Registration Statement or any Underwriter of Registrable Securities or as may be required by the rules, regulations or instructions applicable to the registration form used by the Company or by the Securities Act or rules and regulations thereunder to keep the Registration Statement effective until all Registrable Securities covered by such Registration Statement are sold in accordance with the intended plan of distribution set forth in such Registration Statement or supplement to the Prospectus;

(c) prior to filing a Registration Statement or Prospectus, or any amendment or supplement thereto, furnish without charge to the Underwriters, if any, and the Special Holders of Registrable Securities included in such Registration, and such Special Holders' legal counsel, if any, copies of such Registration Statement as proposed to be filed, each amendment and supplement to such Registration Statement (in each case including all exhibits thereto and documents incorporated by reference therein), the Prospectus included in such Registration Statement (including each preliminary Prospectus), and such other documents as the Underwriters or the Special Holders of Registrable Securities included in such Registration or the legal counsel for any such Special Holders, if any, may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such Special Holders;

(d) prior to any public offering of Registrable Securities, use reasonable best efforts to (i) register or qualify the Registrable Securities covered by the Registration Statement under such securities or "blue sky" Laws of such jurisdictions in the United States as the Holders of Registrable Securities included in such Registration Statement (in light of their intended plan of distribution) may request (or provide evidence satisfactory to such Holders that the Registrable Securities are exempt from such registration or qualification) and (ii) take such action necessary to cause such Registrable Securities covered by the Registration Statement to be registered with or approved by such other Governmental Entities as may be necessary by virtue of the business and

operations of the Company and do any and all other acts and things that may be reasonably necessary or advisable to enable the Holders of Registrable Securities included in such Registration Statement to consummate the disposition of such Registrable Securities in such jurisdictions; provided, however, that the Company shall not be required to qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify or take any action to which it would be subject to general service of process or taxation in any such jurisdiction where it is not then otherwise so subject;

(e) cause all such Registrable Securities to be listed on each national securities exchange or automated quotation system on which similar securities issued by the Company are then listed;

(f) provide a transfer agent or warrant agent, as applicable, and registrar for all such Registrable Securities no later than the effective date of such Registration Statement;

(g) advise each Holder of Registrable Securities covered by a Registration Statement, promptly after it shall receive notice or obtain knowledge thereof, of the issuance of any stop order by the SEC suspending the effectiveness of such Registration Statement or the initiation or threatening of any proceeding for such purpose and promptly use reasonable best efforts to prevent the issuance of any stop order or to obtain its withdrawal if such stop order should be issued;

(h) at least three (3) calendar days prior to the filing of any Registration Statement or Prospectus or any amendment or supplement to such Registration Statement or Prospectus or any document that is to be incorporated by reference into such Registration Statement or Prospectus furnish a draft thereof to each Special Holder of Registrable Securities included in such Registration Statement, or its counsel, if any (excluding any exhibits thereto and any filing made under the Exchange Act that is to be incorporated by reference therein);

(i) notify the Holders at any time when a Prospectus relating to such Registration Statement is required to be delivered under the Securities Act, of the happening of any event as a result of which the Prospectus included in such Registration Statement, as then in effect, includes a Misstatement, and then to correct such Misstatement as set forth in Section 2.7;

(j) permit Representatives of the Special Holders, the Underwriters, if any, and any attorney, consultant or accountant retained by such Special Holders or Underwriter to participate, at each such Person's own expense except to the extent such expenses constitute Registration Expenses, in the preparation of the Registration Statement, and cause the Company's officers, directors and employees to supply all information reasonably requested by any such Representative, Underwriter, attorney, consultant or accountant in connection with the Registration; provided, however, that such Persons agree to confidentiality arrangements reasonably satisfactory to the Company, prior to the release or disclosure of any such information;

(k) obtain a "cold comfort" letter, and a bring-down thereof, from the Company's independent registered public accountants in the event of an Underwritten Offering which the participating Special Holders may rely on, in customary form and covering such matters of the type customarily covered by "cold comfort" letters as the managing Underwriter may reasonably request, and reasonably satisfactory to a majority-in-interest of the participating Special Holders;

(l) on the date the Registrable Securities are delivered for sale pursuant to such Registration, obtain an opinion and negative assurances letter, dated such date, of counsel representing the Company for the purposes of such Registration, addressed to the Special Holders, the placement agent or sales agent, if any, and the Underwriters, if any, covering such legal matters with respect to the Registration in respect of which such opinion is being given as the Special Holders, placement agent, sales agent, or Underwriter may reasonably request and as are customarily included in such opinions and negative assurance letters, and reasonably satisfactory to a majority in interest of the participating Special Holders;

(m) in the event of any Underwritten Offering or sale by a broker, placement agent or sales agent pursuant to such Registration, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing Underwriter or the broker, placement agent or sales agent of such offering or sale;

(n) make available to its security holders, as soon as reasonably practicable, an earnings statement which satisfies the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any successor rule promulgated thereafter by the SEC);

(o) if an Underwritten Offering involves Registrable Securities with a total offering price (including piggyback securities and before deduction of underwriting discounts) reasonably expected to exceed, in the aggregate, \$35.0 million, use reasonable best efforts to make available senior executives of the Company to participate in customary "road show" presentations that may be reasonably requested by the Underwriter in such Underwritten Offering; and

(p) otherwise, in good faith, cooperate reasonably with, and take such customary actions as may reasonably be requested, by the Holders, in connection with such Registration, including causing senior management to participate in meetings with Underwriters, attorneys, accountants and potential investors.

Section 2.5 Registration Expenses. The Registration Expenses of all Registrations shall be borne by the Company. It is acknowledged by the Holders that the Holders selling any Registrable Securities in an offering shall bear all incremental selling expenses relating to the sale of Registrable Securities, such as Underwriters' commissions and discounts, brokerage fees, Underwriter marketing costs and, other than as set forth in the definition of "**Registration Expenses**," all reasonable fees and expenses of any legal counsel representing such Holders, in each case pro rata based on the number of Registrable Securities that such Holders have sold in such Registration.

Section 2.6 Requirements for Participating in Underwritten Offerings. Notwithstanding anything to the contrary contained in this Agreement, if any Holder does not provide the Company with its requested Holder Information, the Company may exclude such Holder's Registrable Securities from the applicable Registration Statement or Prospectus if the Company determines, based on the advice of counsel, that such information is necessary to effect the registration and such Holder continues thereafter to withhold such information. No Person may participate in any Underwritten Offering of Equity Securities of the Company pursuant to a Registration under this Agreement unless such Person (a) agrees to sell such Person's Registrable Securities on the basis provided in any underwriting and other arrangements approved by the Company in the case of an

Underwritten Offering initiated by the Company, and approved by the Demanding Holders in the case of an Underwritten Offering initiated by the Demanding Holders and (b) completes and executes all customary questionnaires, powers of attorney, custody agreements, indemnities, lock-up agreements, underwriting agreements and other customary documents as may be reasonably required under the terms of such underwriting arrangements. Subject to the minimum thresholds set forth in Section 2.1(d) and 2.4(o), the exclusion of a Holder's Registrable Securities as a result of this Section 2.6 shall not affect the registration of the other Registrable Securities to be included in such Registration.

Section 2.7 Suspension of Sales; Adverse Disclosure. Upon receipt of written notice from the Company that a Registration Statement or Prospectus contains a Misstatement, each of the Holders shall forthwith discontinue disposition of Registrable Securities until it has received copies of a supplemented or amended Prospectus correcting the Misstatement (and the Company hereby covenants to prepare and file such supplement or amendment as soon as practicable after giving such notice), or until it is advised in writing by the Company that the use of the Prospectus may be resumed. If the filing, initial effectiveness or continued use of a Registration Statement in respect of any Registration at any time would require the Company to make an Adverse Disclosure or would require the inclusion in such Registration Statement of financial statements that are unavailable to the Company for reasons beyond the Company's control, the Company may, upon giving prompt written notice of such action to the Holders, delay the filing or initial effectiveness of, or suspend use of, such Registration Statement for the shortest period of time, but in no event more than 90 days in any 12-month period, determined in good faith by the Company to be necessary for such purpose. In the event the Company exercises its rights under the preceding sentence, the Holders agree to suspend, immediately upon their receipt of the notice referred to above, their use of the Prospectus relating to such Registration in connection with any sale or offer to sell Registrable Securities. The Company shall immediately notify the Holders of the expiration of any period during which it exercised its rights under this Section 2.7.

Section 2.8 Reporting Obligations. As long as any Holder shall own Registrable Securities, the Company, at all times while it shall be a reporting company under the Exchange Act, covenants to file timely (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Company after the Effective Date pursuant to Sections 13(a) or 15(d) of the Exchange Act and to promptly furnish the Holders with true and complete copies of all such filings; provided that any documents publicly filed or furnished with the SEC pursuant to the Electronic Data Gathering, Analysis and Retrieval System shall be deemed to have been furnished to the Holders pursuant to this Section 2.8.

Section 2.9 Other Obligations. In connection with a Transfer of Registrable Securities exempt from Section 5 of the Securities Act or through any broker-dealer transactions described in the plan of distribution set forth within the Prospectus and pursuant to the Registration Statement of which such Prospectus forms a part, the Company shall, subject to applicable Law, as interpreted by the Company with the advice of counsel, and the receipt of any customary documentation required from the applicable Holders in connection therewith, (a) promptly instruct its transfer agent to remove any restrictive legends applicable to the Registrable Securities being Transferred and (b) cause its legal counsel to deliver the necessary legal opinions, if any, to the transfer agent in connection with the instruction under clause (a).

Section 2.10 Indemnification and Contribution.

(a) The Company agrees to indemnify, to the extent permitted by applicable Law, and hold harmless each Holder, its officers, managers, directors, trustees, beneficiaries, affiliates, agents and Representatives and each Person who controls such Holder (within the meaning of the Securities Act) against all losses, claims, damages, losses, liabilities and expenses (including reasonable attorneys' fees) (or actions in respect thereto) caused by, resulting from, arising out of or based upon (i) any untrue or alleged untrue statement of material fact contained in any Registration Statement, Prospectus or preliminary Prospectus or similar document incident to any Registration, qualification, compliance or sale effected pursuant to this Article II or any amendment thereof or supplement thereto, or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) any violation or alleged violation by the Company of the Securities Act or any other similar federal or state securities Laws, and will reimburse, as incurred, each such Holder, its officers, managers, directors, trustees, equityholders, beneficiaries, affiliates, agents and Representatives and each Person who controls such Holder (within the meaning of the Securities Act) for any legal and any other expenses reasonably incurred in connection with investigating or defending any such claim, loss, damage, liability or action; provided that, the Company will not be liable in any such case to the extent that any such claim, damage, loss, liability or expense are caused by or arises out of or is based on any untrue statement or omission made in reliance and in conformity with written information furnished to the Company by or on behalf of such Holder expressly for use therein. The Company shall indemnify the Underwriters, their officers and directors and each Person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing sentence with respect to the indemnification of each Holder.

(b) In connection with any Registration Statement in which a Holder of Registrable Securities is participating, such Holder shall furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such Registration Statement or Prospectus (the "**Holder Information**") and, to the extent permitted by Law, such Holder shall indemnify and hold harmless the Company, its directors, officers, employees, affiliates and agents and each Person who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses (including reasonable attorneys' fees) (or actions in respect thereof) arising out of, resulting from or based on any untrue statement of material fact contained in the Registration Statement, Prospectus or preliminary Prospectus or similar document or any amendment thereof or supplement thereto, or any omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by or on behalf of such Holder expressly for use therein; provided, however, that the obligation to indemnify shall be several, not joint and several, among such Holders of Registrable Securities, and the liability of each such Holder of Registrable Securities shall be in proportion to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement and the aggregate liability of each such Holder of Registrable Securities under this Section 2.10(b) and Section 2.10(e) shall be limited to the net proceeds received by such Holder from the sale of Registrable Securities pursuant to such Registration Statement. The Holders of Registrable Securities shall indemnify the Underwriters, their officers, directors and each Person who controls such Underwriters (within the meaning of the Securities Act) to the same extent as provided in the foregoing sentence with respect to indemnification of the Company or as otherwise provided for in the applicable underwriting agreement.

(c) Any Person entitled to indemnification under this Section 2.10 shall (i) give prompt written notice, after such Person has actual knowledge thereof, to the indemnifying party of any claim with respect to which such Person seeks indemnification (provided that the failure to give prompt notice shall not impair any Person's right to indemnification hereunder to the extent such failure has not materially prejudiced the indemnifying party in the defense of any such claim or any such litigation) and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party (not be unreasonably withheld, conditioned or delayed) and the indemnified party may participate in such defense at the indemnifying party's expense if representation of such indemnified party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent. An indemnifying party, in the defense of any such claim or litigation, without the consent of each indemnified party, may only consent to the entry of any judgment or enter into any settlement that (i) includes as a term thereof the giving by the claimant or plaintiff therein to such indemnified party of an unconditional release from all liability with respect to such claim or litigation and (ii) does not include any recovery (including any statement as to or an admission of fault, culpability or a failure to act by or on behalf of such indemnified party) other than monetary damages, and provided, that any sums payable in connection with such settlement are paid in full by the indemnifying party.

(d) The indemnification provided under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, manager, director, Representative or controlling Person of such indemnified party and shall survive the Transfer of securities.

(e) If the indemnification provided in this Section 2.10 from the indemnifying party is unavailable or insufficient to hold harmless an indemnified party in respect of any losses, claims, damages, liabilities and expenses referred to herein, then the indemnifying party, in lieu of indemnifying the indemnified party, shall contribute to the amount paid or payable by the indemnified party as a result of such losses, claims, damages, liabilities and expenses in such proportion as is appropriate to reflect the relative fault of the indemnifying party and the indemnified party, as well as any other relevant equitable considerations. The relative fault of the indemnifying party and indemnified party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, was made by, or relates to information supplied by, such indemnifying party or indemnified party, and the indemnifying party's and indemnified party's relative intent, knowledge, access to information and opportunity to correct or prevent such action; provided, however, that the aggregate liability of any Holder under this Section 2.10(e) and Section 2.10(b) shall be limited to the amount of the net proceeds received by such Holder in such offering giving rise to such liability. The amount paid or payable by a Party as a result of the losses or other liabilities referred to above shall be deemed to include, subject to the limitations set forth in Section 2.10(a), 2.10(b) and 2.10(c), any legal or other fees, charges or expenses reasonably incurred by such Party in connection with any investigation or proceeding.

The Parties agree that it would not be just and equitable if contribution pursuant to this Section 2.10(e) were determined by pro rata allocation or by any other method of allocation, which does not take account of the equitable considerations referred to in this Section 2.10(e). No Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution pursuant to this Section 2.10(e) from any Person who was not guilty of such fraudulent misrepresentation.

Section 2.11 Other Registration Rights. Other than the registration rights set forth in the Original RRA and in the Subscription Agreements, the Company represents and warrants that no Person, other than a Holder of Registrable Securities pursuant to this Agreement, has any right to require the Company to register any securities of the Company for sale or to include such securities of the Company in any Registration Statement filed by the Company for the sale of securities for its own account or for the account of any other Person. Further, each of the Company, the Sponsor, and the Founder Holders represents and warrants that this Agreement supersedes any other registration rights agreement or agreement (including the Original RRA), other than the Subscription Agreements. Without the prior written consent of the majority in interest of the Special Holders, the Company shall not hereafter enter into any agreement with respect to its securities which are prior in right or in conflict or inconsistent with the rights granted to the holders of Registrable Securities in this Agreement and in the event of any conflict between any such agreement or agreements and this Agreement, the terms of this Agreement shall prevail (it being understood that this shall not preclude the grant of additional demand and piggyback registration rights in and of themselves so long as such rights are not prior in right to the rights under this Agreement).

Section 2.12 Rule 144. With a view to making available to the Holders the benefits of Rule 144, the Company covenants that it will (a) make available at all times information necessary to comply with Rule 144, if such Rule is available with respect to resales of the Registrable Securities under the Securities Act, and (b) take such further action as the Holders may reasonably request, all to the extent required from time to time to enable them to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by Rule 144 (if available with respect to resales of the Registrable Securities), as such rule may be amended from time to time. Upon the request of any Holder, the Company will deliver to such Holder a written statement as to whether the Company has complied with such information requirements, and, if not, the specific reasons for non-compliance.

Section 2.13 Holder Information. Each Holder agrees, if requested in writing by the Company, to represent to the Company the total number of Registrable Securities held by such Holder in order for the Company to make determinations under this Agreement, including for purposes of Section 2.12. Other than the New Holders and the Founder Holders, a Party who does not hold Registrable Securities as of the Closing Date and who acquires Registrable Securities after the Closing Date will not be a “**Holder**” until such Party gives the Company a representation in writing of the number of Registrable Securities it holds.

Section 2.14 Termination of Original RRA. Upon the Closing, the Company, the Sponsor, and Founder Holders each hereby agree that the Original RRA and all of the respective rights and obligations of the parties thereunder are hereby terminated in their entirety and shall be of no further force or effect.

Section 2.15 Distributions; Direct Ownership.

(a) In the event that the Sponsor distributes all of its Registrable Securities to its members, the members of the Sponsor shall be treated as the Sponsor under this Agreement; provided that such members of the Sponsor, taken as a whole, shall not be entitled to rights in excess of those conferred on the Sponsor, as if the Sponsor remained a single entity party to this Agreement.

(b) Notwithstanding anything to the contrary contained herein, in the event that the members of the Sponsor hold any Registrable Securities directly, the members of the Sponsor shall be treated as the Sponsor under this Agreement; provided that the members of the Sponsor, taken as a whole, shall not be entitled to rights in excess of those conferred on the Sponsor, as if the Sponsor remained a single entity party to this Agreement.

Section 2.16 Adjustments. If there are any changes in the Common Shares as a result of share split, share dividend, combination or reclassification, or through merger, consolidation, recapitalization or other similar event, appropriate adjustment shall be made in the provisions of this Agreement, as may be required, so that the rights, privileges, duties and obligations under this Agreement shall continue with respect to the Common Shares as so changed.

No Transfer of Registrable Securities by a Holder shall be registered on the Company's books and records, and such Transfer of Registrable Securities shall be null and void and not otherwise effective, unless any such Transfer is made in accordance with the terms and conditions of this Agreement, and the Company is hereby authorized by all of the Holders to enter appropriate stop transfer notations on its transfer records to give effect to this Agreement.

(c) All of the terms and provisions of this Agreement shall be binding upon the Parties and their respective successors, assigns, heirs and representatives, but shall inure to the benefit of and be enforceable by the successors, assigns, heirs and representatives of any Party only to the extent that they are permitted successors, assigns, heirs and representatives pursuant to the terms of this Agreement.

(d) Nothing in this Agreement, express or implied, is intended to confer upon any Party, other than the Parties and their respective permitted successors, assigns, heirs and representatives, any rights or remedies under this Agreement or otherwise create any third party beneficiary hereto.

Section 3.2 Termination. This Agreement shall terminate automatically (without any action by any Party) shall terminate upon the earlier of (i) with respect to any Holder on the date that such Holder no longer holds any Registrable Securities; provided the provisions of Section 2.10 shall survive any such termination with respect to such Holder, and (ii) ten (10) years after the Closing Date.

Section 3.3 Severability. If any provision of this Agreement is determined to be invalid, illegal or unenforceable by any Governmental Entity, the remaining provisions of this Agreement, to the extent permitted by law shall remain in full force and effect.

Section 3.4 Entire Agreement; Amendments; No Waiver.

(a) This Agreement, together with the Exhibit to this Agreement and the Merger Agreement, constitute the entire agreement among the Parties with respect to the subject matter hereof and thereof and supersede all prior and contemporaneous agreements, understandings and discussions, whether oral or written, relating to such subject matter in any way and there are no warranties, representations or other agreements among the Parties in connection with such subject matter except as set forth in this Agreement and therein.

(b) No provision of this Agreement may be amended, waived or modified in whole or in part at any time without the express written consent of: (i) the Company, (ii) for so long as the Sponsor and its Permitted Transferees collectively Beneficially Own Common Shares representing fifty percent (50%) or more of the Common Shares held by the Sponsor immediately after the Closing, the Sponsor, and (iii) in any event at least the Holders holding in the aggregate more than fifty percent (50%) of the Registrable Securities Beneficially Owned by the Holders; provided that any such amendment, waiver or modification that would be materially adverse in any respect to any Holder different than any other Holder shall require the prior written consent of such affected Holder, and any such amendment, waiver or modification that would be materially adverse in any respect to the New Holders as a group, shall require the consent of New Holders holding in the aggregate more than fifty percent (50%) of the Registrable Securities Beneficially Owned by the New Holders; provided further, that a provision that has terminated with respect to a Party shall not require any consent of such Party (and such Party's Common Shares shall not be considered in computing any percentages) with respect to amending or modifying such provision.

This Agreement and any other agreements, certificates, instruments and documents delivered pursuant to this Agreement may be executed and delivered in one or more counterparts and by fax, email or other electronic transmission, each of which shall be deemed an original and all of which shall be considered one and the same agreement. No Party shall raise the use of a fax machine or email to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a fax machine or email as a defense to the formation or enforceability of a contract and each Party forever waives any such defense.

Section 3.7 Governing Law; Waiver of Jury Trial; Jurisdiction. The Law of the State of Delaware shall govern (a) all Proceedings, claims or matters related to or arising from this Agreement (including any tort or non-contractual claims) and (b) any questions concerning the construction, interpretation, validity and enforceability of this Agreement, and the performance of the obligations imposed by this Agreement, in each case without giving effect to any choice of Law or conflict of Law rules or provisions (whether of the State of Delaware or any other jurisdiction) that would cause the application of the Law of any jurisdiction other than the State of Delaware. EACH PARTY TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHTS TO TRIAL BY JURY IN ANY PROCEEDING BROUGHT TO RESOLVE ANY DISPUTE BETWEEN OR AMONG ANY OF THE PARTIES (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) ARISING OUT OF, CONNECTED WITH, RELATED OR INCIDENTAL TO THIS AGREEMENT, THE TRANSACTIONS CONTEMPLATED BY THIS AGREEMENT AND/OR THE RELATIONSHIPS ESTABLISHED AMONG THE PARTIES UNDER THIS AGREEMENT. THE PARTIES HERETO FURTHER WARRANT AND REPRESENT THAT EACH HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. Each of the Parties submits to the exclusive jurisdiction of first, the Court of Chancery of the State of Delaware or if such court declines jurisdiction, then to the Federal District Court for the District of Delaware, in any Proceeding arising out of or relating to this Agreement, agrees that all claims in respect of the Proceeding shall be heard and determined in any such court and agrees not to bring any Proceeding arising out of or relating to this Agreement in any other courts. Nothing in this Section 3.7, however, shall affect the right of any Party to serve legal process in any other manner permitted by Law or at equity. Each Party agrees that a final judgment in any Proceeding so brought shall be conclusive and may be enforced by suit on the judgment or in any other manner provided by Law or at equity.

Section 3.8 Specific Performance. The Parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof and that the Parties shall be entitled to specific performance of the terms hereof, in addition to any other remedy at law or in equity without the necessity of proving the inadequacy of money damages as a remedy and without bond or other security being required, this being in addition to any other remedy to which they are entitled at law or in equity. Each of the Parties hereto hereby further acknowledges that the existence of any other remedy contemplated by this Agreement does not diminish the availability of specific performance of the obligations hereunder or any other injunctive relief. It is accordingly agreed that the Parties hereto shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in the Court of Chancery or any other state or federal court within the State of Delaware, this being in addition to any other remedy to which such Party is entitled at law or in equity. Each Party hereto hereby further agrees that in the event of any action by any other Party for specific performance or injunctive relief, it will not assert that a remedy at law or other remedy would be adequate or that specific performance or injunctive relief in respect of such breach or violation should not be available on the grounds that money damages are adequate or any other grounds.

Section 3.9 Subsequent Acquisition of Shares. Any Equity Securities of the Company acquired subsequent to the Closing Date by a Holder shall be subject to the terms and conditions of this Agreement and such shares shall be considered to be "Registrable Securities" as such term is used in this Agreement.

Section 3.10 Legends. Each of the Holders acknowledges that (i) no Transfer, hypothecation or assignment of any Registrable Securities Beneficially Owned by such Holder may be made except in compliance with applicable federal and state securities laws and (ii) the Company shall place customary restrictive legends substantially in the form set forth below on the certificates or book entries representing the Registrable Securities subject to this Agreement. Upon request of the applicable Holder, the Company shall cause the removal of any legend from the book entry position evidencing the Registrable Securities within three (3) Business Days of request and shall cause its counsel, or counsel acceptable to its transfer agent, to issue to the transfer agent a legal opinion in connection therewith, subject to receipt by the Company and its transfer agent of customary representations and other documentation in connection therewith. The Company shall be responsible for the fees of its transfer agent associated with such issuance.

Registrable Securities not registered under the Securities Act of 1933, as amended:

THESE SHARES HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, (THE "ACT") OR THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT WHILE A REGISTRATION STATEMENT RELATING THERETO IS IN EFFECT UNDER SUCH ACT AND APPLICABLE STATE SECURITIES LAWS OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SUCH ACT OR SUCH LAWS.

Registrable Securities held by an executive officer, member of the Board of Directors or an Affiliate:

THESE SHARES ARE HELD BY A PERSON WHO IS CONSIDERED AN AFFILIATE FOR PURPOSES OF RULE 144 UNDER THE SECURITIES ACT OF 1933 (THE "ACT"). NO TRANSFER OF THESE SHARES OR ANY INTEREST THEREIN MAY BE MADE UNLESS THE ISSUER HAS RECEIVED AN OPINION OF COUNSEL SATISFACTORY TO IT THAT THESE SHARES MAY BE SOLD PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT, RULE 144 OR ANOTHER AVAILABLE EXEMPTION UNDER THE ACT AND THE RULES AND REGULATIONS THEREUNDER.

Section 3.11 No Third Party Liabilities. This Agreement may only be enforced against the named parties hereto (and their Permitted Transferees to whom Common Shares have been transferred pursuant to the terms of this Agreement). All claims or causes of action (whether in contract or tort) that may be based upon, arise out of or relate to any of this Agreement, or the negotiation, execution or performance of this Agreement (including any representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement), may be made only against the Persons that are expressly identified as parties hereto (and their Permitted Transferees to whom Common Shares have been transferred pursuant to the terms of this Agreement), as applicable; and, other than for any Permitted Transferees to whom Common Shares have been transferred pursuant to the terms of this Agreement, no past, present or future direct or indirect director, officer, employee, incorporator, member, partner, stockholder, Affiliate, portfolio company in which any such Party or any of its investment fund Affiliates have made a debt or equity investment (and vice versa), agent, attorney or representative of any Party hereto (including any Person negotiating or executing this Agreement on behalf of a Party hereto), unless a Party to this Agreement, shall have any liability or obligation with respect to this Agreement or with respect any claim or cause of action (whether in contract or tort) that may arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement (including a representation or warranty made in or in connection with this Agreement or as an inducement to enter into this Agreement).

IonQ To Become The First Publicly Traded Pure-Play Quantum Computing Company

IonQ has entered into a definitive merger agreement with dMY Technology Group III (NYSE: DMYI.U)

The Transaction will result in \$650 million in gross proceeds, including a \$350 million fully committed PIPE with participation from Fidelity Management & Research Company LLC, Silver Lake, Breakthrough Energy Ventures, MSD Partners, L.P., Hyundai Motor Company and Kia Corporation, and key institutional investors

Pro forma implied market capitalization of the combined company is approximately \$2 billion

COLLEGE PARK, MD March 8, 2021 /PRNewswire/ — IonQ, Inc., (“IonQ”) announced today that it has entered into a merger agreement with dMY Technology Group, Inc. III (NYSE: DMYI.U), a publicly traded special purpose acquisition company (“dMY III”). Upon closing of the transaction, IonQ shares will trade on the NYSE under the symbol “IONQ” as the first publicly traded pure-play hardware and software company in the quantum computing space.

Throughout human history, we have witnessed technological breakthroughs that dramatically transformed society. In the nineteenth century, it was the industrial revolution, powered by the scientific advances that brought us steam-powered machines, electricity, and advanced medicine. In the twentieth century, computing—arguably the greatest of all human inventions—leveraged human intelligence to run complex calculations, thereby paving the way for profound advances in virtually every realm of human experience. IonQ believes the twenty-first century will be defined by quantum computing and that this technology will have an even greater impact than classical computing had over the last 100 years.

Quantum computing uses information in a fundamentally different way than classical computing, and so can address a set of hard problems classical computing may never solve. Many of these problems involve society’s most pressing needs, such as how to live sustainably on our planet, how to cure diseases, and how to efficiently move people and goods. Because the nature of these problems is so complex, IonQ believes the best way to solve them is to use quantum computing.

IonQ is building the world’s best quantum computers to tackle such challenges. In addition to producing the first and only quantum computer available via the cloud on both Amazon Braket and Microsoft Azure, IonQ has defined what it believes to be the best path forward to scaling quantum computing power. By 2023, IonQ plans to develop modular quantum computers small enough to be networked together, which could pave the way for broad quantum advantage by 2025.

“This transaction advances IonQ’s mission, to solve critical problems that impact nearly every aspect of society,” said Peter Chapman, CEO & President of IonQ. “With our key strategic partners, such as Breakthrough Energy Ventures, Hyundai Motor Company and Kia Corporation, we look forward to leveraging the power of quantum computing in the fight against climate change and to solve vexing problems from materials design to logistics that impact the transportation industry.”

“IonQ’s quantum computers are uniquely positioned to capture a market opportunity of approximately \$65 billion by 2030. Quantum computers will create value across thousands of new applications, and IonQ is poised to be the first company able to fully exploit this massive opportunity,” said Niccolo de Masi, CEO of dMY III.

Transaction Overview

The transaction has been unanimously approved by the Board of Directors of dMY III, as well as the Board of Directors of IonQ, and is subject to the satisfaction of customary closing conditions, including the approval of the stockholders of dMY III.

The combined entity will receive approximately \$300 million from dMY III's trust account, assuming no redemptions by dMY III's public stockholders, as well as \$350 million in gross proceeds from a group of strategic and institutional investors participating in the transaction via a committed private placement investment ("PIPE"). In addition to Fidelity Management & Research Company LLC, Breakthrough Energy Ventures, Hyundai Motor Company and Kia Corporation, new investors include Silver Lake, MSD Partners, L.P., and TIME Ventures, the investment fund for Marc Benioff. The PIPE includes additional investment by existing investors including, New Enterprise Associates, GV, and Mubadala Capital.

Additional information about the proposed transaction, including a copy of the merger agreement and investor presentation, will be provided in a Current Report on Form 8-K and in dMY III's registration statement on Form S-4, which will include a document that serves as a prospectus and proxy statement of dMY III, referred to as a proxy statement/prospectus, each of which will be filed by dMY III with the Securities and Exchange Commission ("SEC") and available at www.sec.gov.

Many factors could cause actual future events to differ materially from the forward-looking statements in this press release, including but not limited to: (i) the risk that the transaction may not be completed in a timely manner or at all, which may adversely affect the price of dMY’s securities; (ii) the risk that the transaction may not be completed by dMY’s business combination deadline and the potential failure to obtain an extension of the business combination deadline if sought by dMY; (iii) the failure to satisfy the conditions to the consummation of the transaction, including the approval of the merger agreement by the stockholders of dMY, the satisfaction of the minimum trust account amount following any redemptions by dMY’s public stockholders and the receipt of certain governmental and regulatory approvals; (iv) the lack of a third-party valuation in determining whether or not to pursue the proposed transaction; (v) the inability to complete the PIPE transaction; (vi) the occurrence of any event, change or other circumstance that could give rise to the termination of the merger agreement; (vii) the effect of the announcement or pendency of the transaction on IonQ’s business relationships, operating results and business generally; (viii) risks that the proposed transaction disrupts current plans and operations of IonQ; (ix) the outcome of any legal proceedings that may be instituted against IonQ or against dMY related to the merger agreement or the proposed transaction; (x) the ability to maintain the listing of dMY’s securities on a national securities exchange; (xi) changes in the competitive industries in which IonQ operates, variations in operating performance across competitors, changes in laws and regulations affecting IonQ’s business and changes in the combined capital structure; (xii) the ability to implement business plans, forecasts and other expectations after the completion of the proposed transaction, and identify and realize additional opportunities; (xiii) the risk of downturns in the market and the technology industry including, but not limited to, as a result of the COVID-19 pandemic; and (xiv) costs related to the transaction and the failure to realize anticipated benefits of the transaction or to realize estimated pro forma results and underlying assumptions, including with respect to estimated stockholder redemptions. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the “Risk Factors” section of the registration statement on Form S-4, when available, and other documents filed by dMY from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and dMY and IonQ assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events, or otherwise. Neither dMY nor IonQ gives any assurance that either dMY or IonQ, or the combined company, will achieve its expectations.

By your acceptance of this Presentation, you acknowledge that applicable securities laws restrict a person from purchasing or selling securities of a person with tradeable securities from communicating such information to any other person under circumstances in which it is reasonably foreseeable that such person is likely to purchase or sell such securities.

Certain information included herein depicts or appears the expected results that will be included in the agreements to be entered into by the parties to the Proposed Business Combination. Such agreements are under negotiation and subject to change. In addition, this Presentation does not purport to be all-inclusive or to contain all of the information that may be required to make a full analysis of IonQ and the Proposed Business Combination. Viewers of this Presentation should make their own investigations as they deem necessary. References in this

Forward-Looking Statements

Certain statements included in this Presentation that are not historical facts are forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as "believe," "may," "will," "estimate," "continue," "anticipate," "expect," "would," "plan," "project," "potential," "seem," "seek," "future," "outlook," and similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of other financial and performance metrics and projections of market opportunity. These statements are based on various assumptions, whether or not identified in this Presentation, and on the current expectations of the respective management of IonQ and dMY and are not predictions of actual performance. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by an investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of IonQ and dMY. These forward-looking statements are subject to a number of risks and uncertainties, including changes in domestic and foreign business, market, financial, political, and legal conditions; the inability of the parties to successfully or timely consummate the Proposed Business Combination, including the risk that any regulatory approvals are not obtained, are delayed or are subject to unanticipated conditions that could adversely affect the consummation of the Proposed Business Combination; the risk that the approval of the stockholders of dMY or IonQ is not obtained; failure to realize the anticipated benefits of the Proposed Business Combination; risks relating to the uncertainty of the projected financial information with respect to IonQ; risks related to the performance of IonQ's business and the timing of expected business or revenue milestones; the effects of competition on IonQ's business; the amount of redemption requests made by dMY's stockholders; the ability of dMY or IonQ to issue equity or equity-linked securities or obtain debt financing in connection with the Proposed Business Combination or in the future; and those factors discussed in dMY's final prospectus that forms a part of dMY's Registration Statement on Form S-1 (Reg. No. 333-249524), filed with the SEC pursuant to Rule 424(b)(4) on November 16, 2020 (the "Prospectus") under the heading "Risk Factors," and other documents dMY has filed or will file, with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that neither dMY nor IonQ presently know, or that dMY nor IonQ currently believe are immaterial, that could also cause actual results to differ from those contained in the forward-looking statements. In addition, forward-looking statements reflect dMY's and IonQ's expectations, plans, or forecasts of future events and views as of the date of this Presentation. dMY and IonQ anticipate that subsequent events and developments will cause dMY's and IonQ's assumptions to change. However, neither dMY and IonQ may direct to update these forward-looking statements at some point in the future. dMY and IonQ specifically disclaim any obligation to do so. These forward-looking statements should not be relied upon as representing dMY's and IonQ's statements of any date subsequent to the date of this Presentation. Accordingly, undue reliance should not be placed upon the forward-looking statements.

Cautionary Notes (continued)

Use of Projections

This Presentation contains projected financial information. Such projected financial information constitutes forward-looking information, and is for illustrative purposes only and should not be relied upon as necessarily being indicative of future results. The assumptions and estimates underlying such financial forecast information are inherently uncertain and are subject to a wide variety of significant business, economic, competitive, and other risks and uncertainties. See "Forward-Looking Statements" above. Actual results may differ materially from the results contemplated by the financial forecast information contained in this Presentation, and the inclusion of such information in this Presentation should not be regarded as a representation by any person that the results reflected in such forecasts will be achieved.

Use of Data

The data contained herein is derived from various internal and external sources. No representation is made as to the reasonableness of the assumptions made within or the accuracy or completeness of any projections or modeling or any other information contained herein. Any data on past performance or modeling contained herein is not an indication as to future performance. DMY and IonQ assume no obligation to update the information in this presentation.

Use of Non-GAAP Financial Metrics and Other Key Financial Metrics

This presentation includes certain non-GAAP financial measures (including on a forward-looking basis) such as EBITDA and EBITDA Margin. IonQ defines EBITDA as net income (loss), adjusted for for interest expense, depreciation and amortization, stock-based compensation and income taxes. EBITDA Margin is EBITDA divided by total revenue. These non-GAAP measures are an addition, and not a substitute for or superior to measures of financial performance prepared in accordance with GAAP and should not be considered as an alternative to net income, operating income or any other performance measures derived in accordance with GAAP. Reconciliations of non-GAAP measures to their most directly comparable GAAP counterparts are included in the Appendix to this presentation.

IonQ believes that these non-GAAP measures of financial results (including on a forward-looking basis) provide useful supplemental information to investors about IonQ. IonQ's management uses forward-looking non-GAAP measures to evaluate IonQ's projected financial and operating performance. However, there are a number of limitations related to the use of these non-GAAP measures and their nearest GAAP equivalents. For example other companies may calculate non-GAAP measures differently, or may use other measures to calculate their financial performance, and therefore IonQ's non-GAAP measures may not be directly comparable to similarly titled measures of other companies.

Certain Risks Related to IonQ, Inc.

All references to the "Company," "IonQ," "we," "us" or "our" in this presentation refer to the business of IonQ, Inc. The risks presented below are certain of the general risks related to the Company's business, industry and operating structure and are not exhaustive. The list below is qualified in its entirety by disclosure contained in future filings by the Company or by third parties (including DMY Technology Group, Inc. (ITG)) with respect to the Company, with the United States Securities and Exchange Commission ("SEC"). These risks speak only as of the date of this presentation and we make no commitment to update such disclosure. The risks highlighted in future filings with the SEC may differ significantly from and will be more extensive than those presented below.

- IonQ has a limited operating history, which makes it difficult to forecast our future results of operations.
- IonQ has a history of operating losses and may not achieve or sustain profitability in the future.

- IonQ may not be able to scale its business quickly enough to meet its customers' growing needs, and if it is not able to grow efficiently, its operating results could be harmed.
- The quantum computing industry is competitive on a global scale with many countries aspiring to successfully develop quantum computing. If IonQ is not able to compete successfully, its business, financial results and future prospects will be harmed.
- The quantum computing industry is in its early stages and is volatile, and if it does not develop, if it develops slower than IonQ expects, if it develops in a manner that does not require use of IonQ's quantum computing solutions, if it encounters negative publicity or if IonQ's solution does not drive commercial engagement, the growth of its business will be harmed.
- Even if IonQ is successful in developing quantum computing systems and securing its strategy, competitors in the industry may achieve technological breakthroughs which render IonQ's quantum computing systems obsolete or inferior to other products.
- If IonQ's computers fail to achieve a broad quantum advantage, or it is delayed in doing so, its business, financial condition and future prospects may be harmed.
- IonQ's operating and financial results forecast relies in large part upon assumptions and analyses developed by the company. If these assumptions or analyses prove to be incorrect, IonQ's actual operating results may be materially different from its forecasted results.
- IonQ's estimates of market opportunity and forecasts of market growth may prove to be inaccurate, and even if the market in which it competes achieves the forecasted growth, IonQ's business could fail to grow at similar rates, if at all.
- IonQ may be unable to successfully scale up manufacturing of its products in sufficient quantity and quality, in a timely or cost-effective manner, or at all. Unforeseen issues associated with scaling up and constructing quantum computing technology at commercially viable levels could negatively impact IonQ's business, financial condition and results of operations.
- IonQ could suffer disruptions, outages, defects and other performance and quality problems with its quantum computing systems or with the public cloud and internet infrastructure on which it relies.
- Supply chain issues, including a shortage of adequate component supply or manufacturing capacity, or any political challenges between the United States and countries in which IonQ suppliers are located, including China, could have an adverse impact on its business and operating results.
- If IonQ cannot successfully execute on its strategy, including in response to changing customer needs and new technologies and other market requirements, or achieve its objectives in a timely manner, its business, financial condition and results of operations could be harmed.
- IonQ is highly dependent on its co-founders, who are employed by Duke University, and its ability to attract and retain senior management and other key employees, such as quantum physicists and other key technical employees is critical to its success. If IonQ is unable to retain talented, highly-qualified senior management, engineers and other key employees or attract them when needed, it could negatively impact its business.
- IonQ's failure to effectively develop and expand its sales and marketing capabilities could harm its ability to increase its customer base and achieve broader market acceptance of its quantum computing capabilities.

Cautionary Notes (continued)

- IonQ depends on a particular isotope of an atomic element that provides qubits for its ion trap technology. If IonQ is unable to procure these isotopically enriched atomic samples, or is unable to do so on a timely and cost-effective basis, and in sufficient quantities, IonQ may incur significant costs or delays which could negatively affect its operations and business.
- If IonQ's quantum computing systems are not compatible with some or all industry-standard software and hardware, its business could be harmed.
- System security and data protection breaches, as well as cyber-attacks, could disrupt IonQ's operations, which may damage IonQ's reputation and adversely affect its business.
- State, federal and foreign laws and regulations related to privacy, data use and security could adversely affect IonQ.
- IonQ is subject to U.S. and foreign anti-corruption, anti-bribery and similar laws, and non-compliance with such laws can subject us to criminal or civil liability and harm our business.
- IonQ is subject to governmental export and import controls that could impair its ability to compete in international markets due to licensing requirements and be subject to liability if it is not in compliance with applicable laws.
- Unfavorable conditions in IonQ's industry or the global economy could limit the company's ability to grow its business and negatively affect its results of operations.
- IonQ is subject to requirements relating to environmental and safety regulations and environmental remediation matters which could adversely affect its business, results of operation and reputation.
- IonQ has identified material weaknesses in its internal control over financial reporting. If IonQ is unable to remediate these material weaknesses, or if IonQ identifies additional material weaknesses in the future or otherwise fails to maintain an effective system of internal control over financial reporting, this may result in material misstatements of IonQ's consolidated financial statements or cause IonQ to fail to meet its periodic reporting obligations or cause our access to the capital markets to be impaired.
- IonQ may need additional capital to pursue its business objectives and respond to business opportunities, challenges or unforeseen circumstances, and it cannot be sure that additional financing will be available.
- Acquisitions, divestitures, strategic investments and strategic partnerships could disrupt IonQ's business and harm its financial condition and operating results.
- The COVID-19 pandemic could negatively impact on IonQ's business, results of operations and financial condition.
- IonQ's business is exposed to risks associated with litigation, investigations and regulatory proceedings.
- IonQ's ability to use net operating loss carryforwards and other tax attributes may be limited in connection with the business combination or other ownership changes.
- Licensing of intellectual property is of critical importance to IonQ's business. For example, IonQ licenses patents (some of which are foundational patents) and other intellectual property from the University of Maryland and Duke University on an exclusive basis. If the license agreement with these universities terminates, or if any of the other agreements under which IonQ acquired or licensed, or will acquire or license, material intellectual property rights is terminated, IonQ could lose the ability to develop and operate its business.

- If IonQ is unable to obtain and maintain patent protection for its products and technology, or if the scope of the patent protection obtained is not sufficiently broad or robust, its competitors could develop and commercialize products and technology similar or identical to IonQ's, and its ability to successfully commercialize its product and technology may be adversely affected. Moreover, the secrecy of our trade secrets could be compromised, which could cause us to lose the competitive advantage resulting from these trade secrets.
- IonQ's patent applications may not result in issued patents or its patent rights may be contested, circumvented, invalidated or limited in scope, any of which could have a material adverse effect on IonQ's ability to prevent others from interfering with its commercialization of its products.
- IonQ may face patent infringement and other intellectual property claims that could be costly to defend, result in injunctions and significant damage awards or other costs (including indemnification of third parties or costly licensing arrangements (if licenses are available at all) and limit our ability to use certain key technologies in the future or require development of non-infringing products, services, or technologies, which could result in a significant expenditure and otherwise harm our business.
- Some of our in-licensed intellectual property, including the intellectual property licensed from the University of Maryland and Duke University, has been conceived or developed through government funded research and thus may be subject to federal regulations providing for certain right for the United States government or imposing certain obligations on IonQ, such as a license to the United States government under such intellectual property, "march-in" rights, certain reporting requirements and a preference for U.S.-based companies, and compliance with such regulations may limit IonQ's exclusive rights and its ability to contract with non-U.S. manufacturers.
- Following the consummation of the business combination, the combined company will incur significant increased expenses and administrative burdens as a public company, which could negatively impact its business, financial condition and results of operations.
- Our success could be impacted by the inability of the parties to successfully or timely consummate the proposed business combination, including the risk that any required regulatory approvals are not obtained, are delayed, or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the proposed business combination or that the approval of the stockholders of dMY is not obtained.
- If the business combination's benefits do not meet the expectations of investors or securities analysts, the market price of dMY's securities or, following the closing, the combined entity's securities, may decline.

Quantum Machine Learning

Problem

Machine learning powers much of modern technology, but further improvement requires prohibitively expensive classical computation. As an example, Google and DeepMind have used ML techniques to achieve a 40% reduction in energy used for cooling Google's datacenters.¹

Solution

A quantum computer can map classical data onto complex quantum states, revealing otherwise-hidden correlations in the data, and adding new quantum-trained models to the existing portfolio could improve overall predictive performance. Even when ML-optimized, Google's datacenters consume \$500 million per year in energy, giving even modest increases in efficiency the potential for large impact.

Finance: Faster Optimal Arbitrage

Problem

Markets are never perfectly efficient, giving arbitrageurs a wealth of opportunities to capitalize on pricing discrepancies if they can identify them before the competition. Improving speed to solution has a direct impact on profit.

Solution

Quantitative hedge funds alone represent a \$1 trillion+ industry;¹ even modest speed advantages will let customers win more in the market and may even expose additional currently-unexploitable arbitrage opportunities. The quantum approximate optimization algorithm (QAOA) can provide a wall clock speed advantage over the best classical algorithm for the same problems.

Key Growth Drivers & Commentary

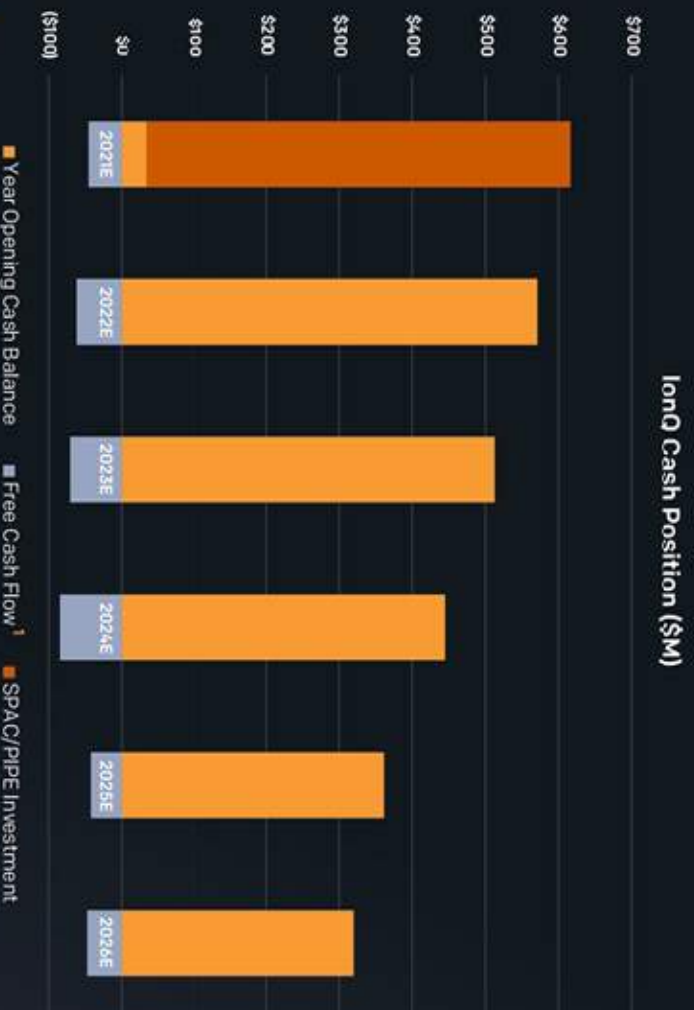

Revenue projection includes algorithm co-development (professional services, compute) and full-scale applications.

Once sufficient computational power is reached for each market, IonQ unlocks substantial application potential, increasing potential demand.

Expenses—consisting mainly of system builds, R&D projects, and headcount—are offset by compounding revenue potential.

As the market leader with the world's best quantum computers, IonQ expects to rapidly grow top-line, even while offering customers exponentially cheaper compute pricing.

IonQ Can Scale Quantum Compute With Controlled CapEx

Cash Balance

SPAC and PIPE are expected to fund IonQ to cashflow breakeven in 2027. IonQ may opportunistically consider debt facilities to fund additional system builds if market demand outpaces expectations.

Free Cash Flow

Operating Cash Flow scales as IonQ fulfills market demand with increasingly powerful quantum systems. IonQ expects to grow system count while maintaining a steady cash balance by exploiting manufacturing economies of scale.

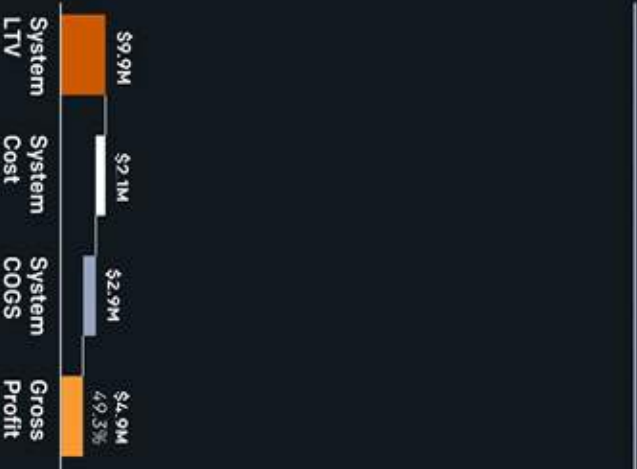

¹ Free Cash Flow is defined as the sum of net operating income and capital expenditures related to system builds.

Note: \$36M approximate existing cash balance as of 1/1/2021, with an additional \$580M invested (\$200M from SPAC, \$360M from PIPE, net \$70M expected transaction fees) in 2021.

System Lifetime Value 2021

System Lifetime Value 2026

Additional Commentary

Exponential increases in algorithmic qubit count drive system lifetime value, all while offering lower computer prices.

Utilization and uptime are also expected to improve as technology matures.

Overall, IonQ's cost per system increases over time, but cost-per-qubit and system COGS drop with economies of scale.

Note System Lifetime Value is defined as the system's algorithmic qubit count multiplied by expected per-algorithmic-qubit-hour pricing during system prime usage years. System Cost includes capitalized labor and materials for building the system. System COGS includes operations and maintenance, customer support, professional services, and other COGS attributable to an individual system.

As a result, these projections are subject to a high degree of uncertainty and may not be achieved within the time-frames described or at all.

Upon closing of the transaction, IonQ will trade on the NYSE under the symbol IONQ as the first public pure-play quantum computing hardware and software company.

We believe IonQ could grow at a pace similar to previous foundational computing companies.

Materials: Efficient Solar Conversion

Problem

Modern, commercially available solar cells convert sunlight into electricity with about 20% efficiency, with the market valued at \$115 billion in 2019.² Improving efficiency with existing technology is prohibitively expensive.

Solution

Solar energy production is expected to increase by approximately 35% by 2027, even given 20% efficiency.² With approximately 90 algorithmic qubits, IonQ could model the energy transfer process used in photosynthesis, unlocking the opportunity for much more efficient solar cells that approach 100% efficiency. Chemistry: Materials for Better Electric Vehicles

Problem

The electric vehicle market is rapidly emerging, with a large amount of value still left to capture by companies that can effectively innovate in the space. Today, the avenues for innovation—better materials and manufacturing processes, better batteries, etc.—are computationally intensive and/or require costly and slow physical materials synthesis.

Solution

A quantum computer with approximately 256 algorithmic qubits could discover better battery materials faster by performing quantum simulations that are impossible on classical computers, improving range, safety and efficiency without costly synthesis and testing. Several automakers are actively piloting quantum computing to address this problem and more.

Optimization: Logistics

Problem

As an illustrative example among many parcel services: a UPS driver makes an average of 135 deliveries daily.¹ The number of possible routes they could take is so large, it has 227 digits. It would take a classical computer longer than the age of the universe to calculate the truly optimal route for just one driver. UPS would like to do this for more than 66,000 routes, daily.¹

Solution

UPS estimates that their current software, which only provides approximately optimal routes, saves the company 100 million miles each year, at a cost savings of approximately \$250 million per year.² With 1000 algorithmic qubits, a quantum computer could find truly optimal routing, saving additional millions.

Optimization: Improved Drug Discovery

Problem

The average cost to develop a new pharmaceutical is nearly \$2.2 billion. A large portion of this cost is due to the inefficiency of pre-clinical research: it takes 10,000 small molecules initially screened to yield just 10 candidates for clinical trials, and fewer than 10% of clinical trial candidates result in a new drug ¹

Solution

Large-scale quantum computers will offer many potential improvements to this process, including more accurate computational chemistry and effect modeling. Reducing the cost of development by just 10% would translate to a customer benefit of \$200 million.

Quantum Computing at The Edge

Problem

As quantum computing applications mature, dedicated, on-site systems will become increasingly attractive to certain customers, including financial firms looking to minimize over-the-wire time, compute-centric businesses with high throughput needs, and increasingly-advanced defense platforms that could benefit from onboard quantum compute capability.

Solution

IonQ's increasingly miniaturized and stable quantum computers are uniquely positioned to capture this market, whether on wall street, in a datacenter, or onboard the next generation of US military assets.

P R E S E N T A T I O N

Niccolo De Masi

Good morning, and welcome to the IonQ dMY Technology III Roadshow Highlights.

I'm Niccolo De Masi, the CEO of dMY Technology. We have a comprehensive PIPE roadshow presentation on both the dMY and IonQ websites, and over the next few minutes, we will take you through the key elements of how IonQ and quantum computing is likely to change the world.

On behalf of the dMY franchise, I am honored to be sponsoring the world's first quantum computing company onto the NYSE. It has been an ambition of mine for 20 years because I'm a physicist originally.

Quantum computing is truly groundbreaking, and I encourage all investors to watch the introductory video we have created and posted on both IonQ and dMY websites. The video covers at a high level both the scientific origins and revolutionary applications across almost every aspect of applied science.

dMY technology believes that quantum computing will be the most significant area of innovation in the 21st century. Due to IonQ's breakthroughs, our diligence indicates that the era of broad quantum advantage will begin in approximately three years. This will turn problems that classical computers currently take months to address into just minutes, disrupting and unlocking value across most industries including drug discovery, logistics, and renewable technologies.

The rise of cloud computing also makes IonQ's business model uniquely efficient. It allows the Company to focus on building the world's best quantum computer at all times with partners such as Amazon and Microsoft, providing a low-friction path to customers and revenue.

Cloud revenue growth over the last few months, in fact, reminds me of the early days of the app store. It's growing quickly. Sometimes it's lumpy. There's people all over the world building new apps on IonQ's APIs. IonQ's technology is uniquely easy to manufacture. In addition to cloud revenue, this manufacture ability of miniaturization advantages mean that IonQ will have the option of selling complete systems to governments and other large counterparties.

IonQ has a tremendous lead over other quantum players, as our CEO, Peter Chapman, will describe in the coming minutes. Our patent portfolio has been built up over 25 years by two giants of the quantum computing space; Dr. Chris Monroe and Dr. Junsang Kim. They founded IonQ to commercialize their multi-decade research, which has seen approximately \$165 million (phon) invested at Duke and the University of Maryland. Our patent portfolio is powerful, and we will be adding to it at pace.

ViaVid has made considerable efforts to provide an accurate transcription. There may be material errors, omissions, or inaccuracies in the reporting of the substance of the conference call. This transcript is being made available for information purposes only.

1-888-562-0262 1-604-929-1352 www.viavid.com

IonQ has enjoyed strategic backing early on from Google's Venture arm. Joining them over the recent years has been Samsung, Lockheed, Airbus, Bosch, Hewlett Packard, and Mubadala. We are proud to announce that the PIPE for our transaction adds Schendye (phon), Bill Gates' breakthrough energy ventures, Silver Lake, affiliates of Embassy Capital and Fidelity. Existing investors NEA and Google Ventures are also both participating in the PIPE.

Touching briefly now on the transaction structure. The enterprise value for IonQ pre-money is \$1.275 billion. There was \$300 million in the dMY Technology III trust, and we have raised \$350 million committed PIPE, so total capital of \$650 million is being injected into IonQ's balance sheet to fully fund the business plan and commercialization. Once our transaction closes, our ticker will change from dMYI to IONQ. dMY Technology believes this transaction will fundamentally accelerate adoption of quantum computing, and that IonQ is poised to be the next hundred billion dollar plus market cap computing player.

It is my great pleasure to introduce you to Peter Chapman, IonQ's CEO, and Thomas Kramer, our CFO.

Peter Chapman

Thanks, Niccolo.

My name's Peter Chapman, and I'm the President and CEO of IonQ.

If you'll tun to Slide Number 7. The elevator pitch is really quite simple. IonQ is focused on building the world's best quantum computers that will power the next hundred years of innovation and drive value for IonQ shareholders.

So, let's dig into the details by turning to Slide Number 8. IonQ will be the only pure play quantum opportunity with first mover advantage. We will talk about our technological advantages, the seemingly limitless TAM for quantum, our world class team, our business model via the cloud, a little about our history, and the deep and wide moat others will have to cross to compete with us.

On Slide 9, we start to paint a picture of what IonQ quantum computers look like. This gold plated chip is the heart of our quantum computer. This is a picture of an ion trap chip. It's the size of many other chips, easily manufactured, and with high yields.

On Slide 10, I'll introduce our team. Chris and Jungsang are the two co-founders of IonQ. Chris, in 1995 at NIST, with Dave Wineland, showed the world's first ever quantum logic gate. Dave went on to get the Nobel Prize for his work, and Chris, as a result, is considered by many to be the father of quantum computing. Jungsang is an expert in optics. He led a team at Bell Labs to create the world's largest optical switch. Optics are important for IonQ because our quantum computers require precise optical control.

Dave Bacon is also known as a rock star in the quantum world, and until just recently, Dave ran the quantum software group at Google. Dave is widely known in the quantum community for his pioneering work on error correction with Peter Shor. In fact, the error correction is named after him, the Bacon-Shor codes. I'll explain shortly why error correction is so important to any quantum computer, including ours.

If you turn to Slide 11, this shows a little of our history of our founders. Chris and Jungsang have been working on quantum computers together for the last 15 years. Chris has led the quantum computing group at the University of Maryland, and likewise, Jungsang at Duke University. The two have shown numerous firsts in the quantum world. Through their universities, they've received over \$160 million in government grants, and are the most cited academics in the quantum computing community.

ViaVid has made considerable efforts to provide an accurate transcription. There may be material errors, omissions, or inaccuracies in the reporting of the substance of the conference call. This transcript is being made available for information purposes only.

1-888-562-0262 1-604-929-1352 www.viavid.com

Now, please turn to Slide Number 12. In 2015, Chris and Jungsang wrote a seminal paper on how to build a scalable quantum computer. Famed investor Harry Weller from NEA read the paper and thought it read like a business plan, and approached Chris and Jungsang to form a company. IonQ is that company.

As part of the Company's founding, a deal was reached with both universities to exclusively license, royalty free, the work of both founders going backwards in time and forward until 2026. In exchange, the two universities own about 1% of the Company today. Soon after, NEA, Google Ventures, and Amazon lead the first round, and the Company was off and running.

The Company is extremely capital efficient, having built six generations of quantum computers over five years with only \$50 million. During this time, the Company has started an impressive patent portfolio to protect its technology.

Turning to Slide Number 13. You can see we have the who's who of the quantum world as advisors, including Dave Wineland, and in addition, Jagdeep Singh from QuantumScape, who was an early advisor to the Company, and now advising us on the SPAC process.

Now, to Slide 15. What is all the fuss about quantum? Well, despite decades of steady improvement, classical computation, we'll never have the capability to solve many of the grand challenges that face mankind. Simply put, we need a new computational capability to power innovation for the next hundred years, and the answer is quantum computing.

On Slide 16, you can see many of the problems that are expected to be the low-hanging fruit for quantum computers. However, we're talking about a more powerful computer, and it's likely that every industry that uses a computer today will want a quantum computer in the future. In this sense, the market for quantum seems almost infinite.

Turning to Slide 17. We believe we're at the dawn of the quantum age, a time where quantum computers will unlock the secrets of nature, power new drug discoveries, design better batteries for electric cars, improve materials in a process for carbon capture, more efficient airplanes, and a robust stable electricity grid, and so much more. But we're not alone in this belief. We compete with nation states, and the world's largest tech companies, all who share our belief that quantum will power our future.

On Slide 19, you can see that IonQ is leading in every important aspect of quantum computing, with the most usable qubits, the building blocks for quantum computers, the highest quantum volume, a benchmark created by IBM, the best error correction, and in fact, the only company to show error correction working, a clear path to scale, as our systems shrink in each generation, the only commercial system running at room temperature, the only quantum computers on two major cloud vendors, with major support from leading vendors, and a number of firsts where customer applications can only run on IonQ hardware, such as our recent experience with Dow Chemical.

Slide Number 20 highlights the three phases of maturity of the quantum market. The expected financial impact, and the key to unlock each pot of gold.

The first phase, the phase we're in today, is called the NSErr (phon). In this phase, it's all about having low gate errors. The lower the gate error, the larger the quantum program you can run. That's what quantum volume largely measures. It's uncontroversial to say that ion traps have the lowest error rates bar none. That's why IonQ is winning this first phase.

ViaVid has made considerable efforts to provide an accurate transcription. There may be material errors, omissions, or inaccuracies in the reporting of the substance of the conference call. This transcript is being made available for information purposes only.

1-888-562-0262 1-604-929-1352 www.viavid.com

The second phase is building a quantum computer that for certain applications will take on the world's largest super computers, or even the cloud itself. This is called broad quantum advantage. The key is a better error rate using error correction. Remember, error correction for quantum was first created by our own Dave Bacon. Here, too, we are winning. IonQ is the only company to show a working error corrected qubit with an overhead of only 13:1.

The third phase is the holy grail of quantum, where classical computing simply can't keep up with quantum computing. The key here is a modular architecture where you can stamp out quantum computers at scale, and again, IonQ is winning here too, as we will show you.

Slide 21 shows IonQ hardware stacked up against our competitors using quantum volume as a benchmark. As you can see, IonQ is easily winning due to our low gate errors.

Turning to Slide 23, as I've mentioned, all quantum computers will have to use error correction to allow them to run larger programs. The overhead of the error correction is a function of the error you're trying to overcome. The larger the error, the more error correction is needed. IonQ competitors may need a thousand or even a million qubits to create a single error corrected qubit, but IonQ will only need 16. This is important because you need about 72 error corrected qubits to take on super computers. For IonQ, that's less than a thousand physical qubits, but for others, they may need 72 million qubits, a goal which is still very far away.

On Slide 24, you can see some of our competitor's systems, and our current generation device. The IBM and Google device needs to be at near zero degrees. In contrast, the ion trap device on the right is at room temperature, and it holds the same number of qubits as the IBM device. Quantum computers will scale similarly to classical computers. First, multicore, then connected via network to create a larger quantum computer.

For quantum to win, the systems need to shrink, and the cost per qubit must shrink as well, and IonQ is well-poised to win this phase too.

On Slide 25, you can see the evolution of our ion trap and the vacuum chamber. In 2016, this is a vacuum chamber found today in many academic settings. The 2020 device is our new 32 qubit system, and about the size of a deck of cards.

But by 2023, we expect that much of the optics, the ion trap, and the vacuum can all be blown onto a single chip, and then we network them together with an optical cable; another area where IonQ's founders have already shown in working in their labs.

On Slide 26, you can see the evolution of our quantum computer. The 2020 systems are the 11 qubit system found on Amazon and Microsoft. The 2021 system is a prototype system at Jungsang's lab at Duke, now getting to less than a square foot. And our goal is, by 2023, to build a relatively low-cost rack mounted, room temperature system.

On Slide 27, you can see our technical roadmap in terms of algorithmic qubits, or you can think of them as usable qubits. Remember, you need about 72 usable or algorithmic qubits to take on the world's largest computers. In the next couple of years, our focus is working on the native gate errors and getting to a larger number of physical qubits to use error correction at scale.

When you add an algorithmic qubit, you double the computational power of the quantum computer. While the number of qubits seems to grow slowly, the computational power is growing exponentially. We have overlayed when we think we will have big enough quantum computer to take on various types of applications in the future. Based on our current success, we think that machine learning will be the first application area with widespread adoption of quantum computing.

Please note that for the next several years, our primary focus is building a quantum computer that can take on super computers, and we're not primarily focused on revenue.

On Slide 29, it shows how revenue grows for a single application. Like the cloud, hardware by itself is useless. You need applications to be developed that drive usage. The white line represents the revenue associated with application development. The orange line represents adoption of that application in driving usage on our quantum computers.

Slides 30 and 31 and others in the appendix show the number of algorithmic qubits needed to run certain applications, and when we believe wide adoption will occur.

Slide 32 shows how our revenue grows, and stacks upon itself as more and more applications are running on our hardware.

With that, I'll turn this over to Thomas who can walk you through the last three slides. Thomas?

Thomas Kramer

Thank you, Peter.

As you see from Page 34, the result of all of this is a company positioned for rapid growth. As we identify new industry uses for quantum computing and take them through the development phase into application as Peter explained, our revenue will grow aggressively. Our costs will obviously grow as we scale up and buildout the Company, but our sales will increase even faster as we make more and more algorithmic qubits available, and we will reach our inflection point as we go EBITDA positive in 2025.

On Page 35, we will see that IonQ can scale quantum computing with the same control Capex that we have in the past. We'll be raising \$650 million through this SPAC and PIPE process, which will take us to break-even in 2027. Note that while we are cash flow negative in 2025 and '26, we actually expect to be EBITDA positive. The difference is Capex to build more systems that will allow us to grow sales in the future.

On Page 36, you will see that IonQ will be a seriously profitable company long-term. On the left, you see our current unit economics as well as what these will look like in 2026 on the right. As we continue to innovate, our technological lead will allow us to command a price premium while we continue to improve on costs.

We anticipate unit gross margin to grow from an already attractive 50% in the near term to around 90% in 2026. This margin improvement will come from economics of scale, as we reduce both Opex and build costs over time. We also expect to increase system utilization on up time from around 35% in 2021 to around 70% to 75% in 2026 as demand picks up. Absolute pricing per algorithmic qubit to our customers will go down. However, because we are increasing available number of qubits exponentially over time, this means realized price to the Company will go up as customers spend more for higher performance.

With that, I'll give it back to Peter.

Peter Chapman

Thanks, Thomas.

Certain Risks Related to IonQ, Inc.

All references to the “Company,” “IonQ,” “we,” “us” or “our” in this presentation refer to the business of IonQ, Inc. The risks presented below are certain of the general risks related to the Company’s business, industry and ownership structure and are not exhaustive. The list below is qualified in its entirety by disclosures contained in future filings by the Company, or by third parties (including dMY Technology Group, Inc. III.) with respect to the Company, with the United States Securities and Exchange Commission (“SEC”). These risks speak only as of the date of this presentation and we make no commitment to update such disclosure. The risks highlighted in future filings with the SEC may differ significantly from and will be more extensive than those presented below.

- IonQ has a limited operating history, which makes it difficult to forecast our future results of operations.
- IonQ has a history of operating losses and may not achieve or sustain profitability in the future.
- IonQ may not be able to scale its business quickly enough to meet its customers’ growing needs, and if it is not able to grow efficiently, its operating results could be harmed.
- The quantum computing industry is competitive on a global scale with many countries aspiring to successfully develop quantum computing. If IonQ is not able to compete successfully, its business, financial results and future prospects will be harmed.
- The quantum computing industry is in its early stages and volatile, and if it does not develop, if it develops slower than IonQ expects, if it develops in a manner that does not require use of IonQ’s quantum computing solutions, if it encounters negative publicity or if IonQ’s solution does not drive commercial engagement, the growth of its business will be harmed.
- Even if IonQ is successful in developing quantum computing systems and executing its strategy, competitors in the industry may achieve technological breakthroughs which render IonQ’s quantum computing systems obsolete or inferior to other products.
- If IonQ’s computers fail to achieve a broad quantum advantage, or it is delayed in doing so, its business, financial condition and future prospects may be harmed.
- IonQ’s operating and financial results forecast relies in large part upon assumptions and analyses developed by the company. If these assumptions or analyses prove to be incorrect, IonQ’s actual operating results may be materially different from its forecasted results.
- IonQ’s estimates of market opportunity and forecasts of market growth may prove to be inaccurate, and even if the market in which it competes achieves the forecasted growth, IonQ’s business could fail to grow at similar rates, if at all.
- IonQ may be unable to successfully scale up manufacturing of its products in sufficient quantity and quality, in a timely or cost-effective manner, or at all. Unforeseen issues associated with scaling up and constructing quantum computing technology at commercially viable levels could negatively impact IonQ’s business, financial condition and results of operations.
- IonQ could suffer disruptions, outages, defects and other performance and quality problems with its quantum computing systems or with the public cloud and internet infrastructure on which it relies.
- Supply chain issues, including a shortage of adequate component supply or manufacturing capacity, or any political challenges between the United States and countries in which IonQ suppliers are located, including China, could have an adverse impact on its business and operating results.
- If IonQ cannot successfully execute on its strategy, including in response to changing customer needs and new technologies and other market requirements, or achieve its objectives in a timely manner, its business, financial condition and results of operations could be harmed.
- IonQ is highly dependent on its co-founders, who are employed by Duke University, and its ability to attract and retain senior management and other key employees, such as quantum physicists and other key technical employees is critical to its success. If IonQ is unable to retain talented, highly-qualified senior management, engineers and other key employees or attract them when needed, it could negatively impact its business.

- IonQ's failure to effectively develop and expand its sales and marketing capabilities could harm its ability to increase its customer base and achieve broader market acceptance of its quantum computing capabilities.
- IonQ depends on a particular isotope of an atomic element that provides qubits for its ion trap technology. If IonQ is unable to procure these isotopically enriched atomic samples, or is unable to do so on a timely and cost-effective basis, and in sufficient quantities, IonQ may incur significant costs or delays which could negatively affect its operations and business.
- If IonQ's quantum computing systems are not compatible with some or all industry-standard software and hardware, its business could be harmed.
- System security and data protection breaches, as well as cyber-attacks, could disrupt IonQ's operations, which may damage IonQ's reputation and adversely affect its business.
- State, federal and foreign laws and regulations related to privacy, data use and security could adversely affect IonQ.
- IonQ is subject to U.S. and foreign anti-corruption, anti-bribery and similar laws, and non-compliance with such laws can subject us to criminal or civil liability and harm our business.
- IonQ is subject to governmental export and import controls that could impair its ability to compete in international markets due to licensing requirements and be subject to liability if it is not in compliance with applicable laws.
- Unfavorable conditions in IonQ's industry or the global economy could limit the company's ability to grow its business and negatively affect its results of operations.
- IonQ is subject to requirements relating to environmental and safety regulations and environmental remediation matters which could adversely affect its business, results of operation and reputation.
- IonQ has identified material weaknesses in its internal control over financial reporting. If IonQ is unable to remediate these material weaknesses, or if IonQ identifies additional material weaknesses in the future or otherwise fails to maintain an effective system of internal control over financial reporting, this may result in material misstatements of IonQ's consolidated financial statements or cause IonQ to fail to meet its periodic reporting obligations or cause our access to the capital markets to be impaired.
- IonQ may need additional capital to pursue its business objectives and respond to business opportunities, challenges or unforeseen circumstances, and it cannot be sure that additional financing will be available.
- Acquisitions, divestitures, strategic investments and strategic partnerships could disrupt IonQ's business and harm its financial condition and operating results.
- The COVID-19 pandemic could negatively impact on IonQ's business, results of operations and financial condition.
- IonQ's business is exposed to risks associated with litigation, investigations and regulatory proceedings.
- IonQ's ability to use net operating loss carryforwards and other tax attributes may be limited in connection with the business combination or other ownership changes.
- Licensing of intellectual property is of critical importance to IonQ's business. For example, IonQ licenses patents (some of which are foundational patents) and other intellectual property from the University of Maryland and Duke University on an exclusive basis. If the license agreement with these universities terminates, or if any of the other agreements under which IonQ acquired or licensed, or will acquire or license, material intellectual property rights is terminated, IonQ could lose the ability to develop and operate its business.
- If IonQ is unable to obtain and maintain patent protection for its products and technology, or if the scope of the patent protection obtained is not sufficiently broad or robust, its competitors could develop and commercialize products and technology similar or identical to IonQ's, and its ability to successfully commercialize its product and technology may be adversely affected. Moreover, the secrecy of our trade secrets could be compromised, which could cause us to lose the competitive advantage resulting from these trade secrets.

- IonQ’s patent applications may not result in issued patents or its patent rights may be contested, circumvented, invalidated or limited in scope, any of which could have a material adverse effect on IonQ’s ability to prevent others from interfering with its commercialization of its products.
- IonQ may face patent infringement and other intellectual property claims that could be costly to defend, result in injunctions and significant damage awards or other costs (including indemnification of third parties or costly licensing arrangements (if licenses are available at all)) and limit our ability to use certain key technologies in the future or require development of non-infringing products, services, or technologies, which could result in a significant expenditure and otherwise harm our business.
- Some of our in-licensed intellectual property, including the intellectual property licensed from the University of Maryland and Duke University, has been conceived or developed through government funded research and thus may be subject to federal regulations providing for certain right for the United States government or imposing certain obligations on IonQ, such as a license to the United States government under such intellectual property, “march-in” rights, certain reporting requirements and a preference for U.S.-based companies, and compliance with such regulations may limit IonQ’s exclusive rights and its ability to contract with non-U.S. manufacturers.
- Following the consummation of the business combination, the combined company will incur significant increased expenses and administrative burdens as a public company, which could negatively impact its business, financial condition and results of operations.
- Our success could be impacted by the inability of the parties to successfully or timely consummate the proposed business combination, including the risk that any required regulatory approvals are not obtained, are delayed, or are subject to unanticipated conditions that could adversely affect the combined company or the expected benefits of the proposed business combination or that the approval of the stockholders of dMY is not obtained.
- If the business combination’s benefits do not meet the expectations of investors or securities analysts, the market price of dMY’s securities or, following the closing, the combined entity’s securities, may decline.
